

To City Council

Terry and I are strongly opposed to the possibility of a duplex going in at 2190 6th Ave. NE. We live next door at 2160 6th Ave. NE. Our concerns are as follows

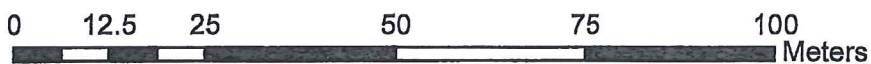

- Safety... there are ^{228th NE / 5th AVE NE} a lot of children that live in this area. They walk, ride bikes and drive to school. The added congestion will greatly increase the chance of children getting hurt or killed because of the lack of visibility on fifth Ave NE.
- There will be more vehicles parked on the side walk increasing congestion.
- We will lose property value because now our privacy is lost
- This is a small area and we do not want a duplex going in only single family residential

Thank you
