REPORTS

1. Zoning Amendment Application No. ZON-1147 [Brown, C. & D. / Browne Johnson Land Surveyors; 1230 – 52 Avenue NE; R-1 to R-8]

Moved: Councillor Lavery

Seconded: Councillor Wallace Richmond

THAT: the Development and Planning Services Committee recommends to Council that a bylaw be prepared for Council's consideration, adoption of which

5. REPORTS - continued

Zoning Amendment Application No. ZON-1147 [Brown, C. & D./ Browne Johnson Land Surveyors; 1230 - 52 Avenue NE; R-1 to R-8] - continued

would amend Zoning Bylaw No. 2303 by rezoning Lot 10, Section 35, Township 20, Range 10, W6M, KDYD, Plan 31502 from R-1 (Single Family Residential Zone) to R-8 (Residential Suite Zone);

AND THAT: Final reading of the zoning amendment bylaw be withheld subject to:

- 1. Registration of a Section 219 Land Title Act covenant(s) registered on title ensuring a detached suite is not permitted; and
- 2. Confirmation that the proposed *secondary suite* in the existing single family dwelling meets Zoning Bylaw and BC Building Code requirements.

J. Johnson, the agent, was available to answer questions from the Committee.

CARRIED UNANIMOUSLY

Councillor Flynn returned to the meeting at 8:05 a.m.

2. Zoning Amendment Application No. ZON-1149 [0815605 B.C. Ltd. / Raspberry, W.; 1441 - 20 Avenue SE; R-1 to R-8

Moved: Councillor Cannon Seconded: Councillor Eliason

THAT: the Development and Planning Services Committee recommends to Council that a bylaw be prepared for Council's consideration, adoption of which would amend Zoning Bylaw No. 2303 by rezoning Lot 2, Section 12, Township 20, Range 10, W6M, KDYD, Plan 19098 from R-1 (Single Family Residential Zone) to R-8 (Residential Suite Zone).

W. Raspberry, the applicant, outlined the application and was available to answer questions from the Committee.

CARRIED UNANIMOUSLY

3. Zoning Amendment Application No. ZON-1150 [Text Amendment; R-4 and R-5 Zones]

Moved: Councillor Wallace Richmond

Seconded: Councillor Lavery

THAT: the Development and Planning Services Committee recommends to Council that a bylaw be prepared for Council's consideration, adoption of which would amend Zoning Bylaw No. 2303 as follows:

- 1. Section 9.3 Add the defined terms *Assisted Living Housing and Dining Area* to the list of Permitted Uses in the R-4 Medium Density Residential Zone and renumber the balance of Section 9.3 accordingly; and
- 2. Section 9.11 Add a new Section 9.11.3 which would state:

 Notwithstanding Section 9.11.1, the maximum *density* in the R-4 Zone may be increased to a maximum of 50 *dwelling units* per hectare (20.2 units per acre) for the provision of *Assisted Living Housing*.

5. REPORTS - continued

3. Zoning Amendment Application No. ZON-1150 [Text Amendment; R-4 and R-5 Zones] - continued

AND THAT: a bylaw be prepared for Council's consideration, adoption of which would amend Zoning Bylaw No. 2303 as follows:

- 1. Section 10.3 Add the defined terms Assisted Living Housing and Dining Area to the list of Permitted Uses in the R-5 High Density Residential Zone and renumber the balance of Section 10.3 accordingly; and
- 2. Section 10.11 Add a new Section 10.11.3 which would state:

 Notwithstanding Section 10.11.1, the maximum density in the R-5 Zone may be increased to a maximum of 130 dwelling units per hectare (52.6 units per acre) for the provision of Assisted Living Housing.
- D. Dunlop, Executive Director, CMHA, outlined CMHA's proposed purchase of R-4 zoned property and was available to answer questions from the Committee.

6. New Business

1) Airport Manager's Update - Keith Watson

- Winter operations were quiet
- Snow removal contractor (D Webb Contracting) did a good job, no issues
- New approach RWY 14 will be published in CAP April 28th
- Consultant (Cormier Aviation Consultation) still working with Tranport Canada on the approval for the design of a new RNAV(GNSS) RWY 32 approach, anticipate 6-8 months
- New Fuel system operational

2) 2019 BC Air Access Grant Application Update (R.N.)

- Council approved the submission of a grant under the BC Air Access Program for the Runway 14-32 Paving project, estimated cost of \$1,500,000.00.
- Funding up to 75% of eligible project costs
- Submitted by February 18, 2019

7. Other Business &/or Roundtable Updates

1) AWOS Update (R.N.)

• Council approved the purchase of a new Automated Weather Observation System to Spencer Navigation Maintenance Ltd. for a total of \$ 27,375.00 plus taxes.

2) Airport Tree Encroachment Update (D.G.)

On the morning of March 18, 2019 Surveyors and City Staff have confirmed that all
of the tree encroachments have been successfully removed from both the north and
south RWY approaches. We are now in compliance with the Airports Safety
Management Program and the NOTAM will be lifted which will remove the
restrictions on the RWY length and the approach lighting (PAPI's) will be turned on.

3) Fuel System Update (D.G. & K.W.)

 New above ground fuel tanks are complete, some minor issues with the card lock system, Staff are working with InfoNet and AGFT to find a solution

- Fleet cards are being ordered
- 4) Taxiway Charlie Update (R.N.)
 - WSP has completed a Class C estimate
 - Working project approvals with Transport Canada
 - Staff currently working on Alternative Approval Process and Loan Authorization
 Bylaw for the borrowing of the City share of the grant
- 5) TC Process Inspection Wildlife Management Plan (R.N.)
 - December 03, 2018, City received correspondence regarding Transport Canada's Process Inspection of the Airport's Wildlife Management Plan Update.
 - All corrective actions have been found acceptable and the process in now complete
- 6) AOPA High School STEM Curriculum (M.O.)
 - Aviation Science, Technology, Engineering and Math (STEM)
 - AOPA provides this curriculum at no charge to high schools in the USA
 - Purpose of the program is to provide an opportunity for students in aviation careers that they may not have previously considered
 - Mark indicated that there may be an opportunity to initiate the program in Canada and that a sponsor would be required
 - Suggested Contact at SD#83 was Reid Findlay, Education Outreach Program
- 7) MO Gas Flying Club proposal (J.McD.)
 - Club to submit a proposal to install an above ground fuel tank for motor vehicle (MO) gas to service users at the airport.
- 8. Next meeting Wednesday, June 19, 2019
- 9. Adjournment

Moved: D. Pearce Seconded: M. Olson

THAT: the Shuswap Regional Airport Operations Committee Meeting of March 20, 2019 be adjourned.

4. Presentations

a) Anne Morris – Salmon Arm Ecumenical KAIROS Committee Anne Morris presented information to the Committee on the need for public education on the issue of engine idling and its contribution to climate change. A. Morris requested that the Committee encourage City Council to establish no idling zones, install air quality monitoring systems and assist in public education. A. Morris was available to answer questions from the Committee.

5. Old Business / Arising from minutes

a) Climate Change Update -

Julia Beatty provided an overview of several BC communities that have established a Climate Action Plan or Climate Leadership Plan and that these plans serve as a framework for City planning and bylaws. J. Beatty will provide the Committee with information on possible funding opportunities and resources that may be available to assist in establishing a Climate Action Plan.

Moved: Janet Pattinson Seconded: Pauline Waelti

THAT: the Committee recommends to Council that the City recognize and

acknowledge that action on climate change is critical;

AND THAT: the Committee recommends to Council that the City prepare a

comprehensive Climate Action Plan.

6. New Business - continued

- Meeting Schedule
 Councillor Lindgren proposed that the Committee meet on May 9, 2019 and June
 6, 2019 and establish a meeting schedule in September of 2019. There will not be a meeting of the Committee in July or August, 2019.
- c) Traps and Snares
 Pauline Waelti outlined the dangers to both domestic animals and wildlife as a result of snares and traps set on private land and suggested that the Committee recommend to Council that the Animal Control Bylaw be reviewed. Councillor Lindgren will report back to the Committee as to whether this issue is a provincial or municipal jurisdiction.

7. Other Business & / or Roundtable Updates

- a) Councillor Lindgren advised the Committee that E. Vieira, Fraser Basin Council and P. Demenok, Shuswap Watershed Council will be presenting information on the Shuswap Watershed Council and the issue of water quality at the May 9, 2019 meeting of the Committee.
- 8. Next meeting Thursday, May 9, 2019

THAT: the minutes of the Greenways Liaison Committee Meeting of January 10, 2019 be approved as circulated.

CARRIED UNANIMOUSLY

5. Old Business/Arising from minutes

None

6. New Business

1) STA Update - Planning and Projects

The STA presented updated signs to be installed this season. It was noted that installation through 2019 will be significant, promoting trail use. The South Canoe Parking lot expansion was discussed, with plans to enhance trails in that area in place to be completed prior to Salty Dog. Foreshore Monitoring Report has been completed, noting that there is no funding in place for this season.

2) Region Trails Roundtable Meeting February 13, 2019

This event was noted as being well attended, with good representation from all groups involved.

3) Mt Ida – North Slopes

A report summarizing current recreational uses was presented as information for ongoing discussion.

7. Other Business &/or Roundtable Updates

1) Heritage Trail - Hainey Heritage Park

It was noted that the Salmon Arm Museum and Heritage Association has provided a motion of support for the Heritage Trail linking Hainey Heritage Park to the foreshore.

2) Provincial Active Transportation Strategy

An opportunity to provide input was discussed and a link has been circulated to the GLC.

3) Dogs on Trails

A concern was brought to the GLC related to dogs on trails and rules around leashes. It was clarified that dogs are required to be on leash by bylaw in all City parks, including Little Mountain and the South Canoe Trails within the City. The City is working to clarify regulations. Off leash opportunities are likely to be increasingly sought in the future. GLC members feel this is important to discuss as it is likely that in the future more conflict will happen and we can be ahead of this instead of reacting to it.

4) South Canoe Logging

Related to recent discussion regarding logging activity in the South Canoe area, it was noted through communications with the local forester that no further significant harvesting is expected through 2019-2022.

5) GLC Membership

While the GLC is currently working with a vacant space, it is expected that a formal process will be undertaken in the future in due course.

6) Fire Protection Plan

Minutes of the Greenways Liaison Committee of Thursday, March 7, 2019

Page 3

While in the early stages, an approach is being developed with more information coming in the near future.

8. Next meeting - Thursday, May 9, 2019, 3 pm

Moved: Brian Browning Seconded: Rob Bickford

THAT: the Greenways Liaison Committee Meeting of March 7, 2019 be

adjourned.

CARRIED UNANIMOUSLY

9. The meeting adjourned at 4:28 p.m.

SALMONARM

To: Mayor Harrison and Members of Council

Date: April 15, 2019

Subject: 2018 Financial Statements

Recommendation

That the Financial Statements for the year ended December 31, 2018 be adopted as presented.

Background

Attached is a copy of the draft Financial Statements for the year ended December 31, 2018. Provided below is a summary of changes between 2017 and 2018.

The following analysis encompasses <u>all</u> Operating, Capital, Reserve and Trust Funds (consolidated format):

The net Annual Surplus has increased by \$170,762.00 and is attributed to the following:

Tax Revenue	\$ 815,451.00
Other Levies & Fees (Largely attributed to Water and Sewer Connections and User Fees, Drainage Connection Custom Work, Investments (Offset by Decrease in Roads Custom Work))	753,952.00
Other Contributions (Increase in DCC Funds Used in Capital Projects (Offset by a Decrease in Developer Contributed Capital Assets and a Loss on Disposal of Fixed Assets))	29,903.00
Grants (Decrease attributed to Clean Air and Waste Water Grant received in prior year (Offset by Increase in Emergency Preparedness Grant, Municipal Regional District Tax, BC Air Access Grant, and Strategic Priorities & Innovations Fund Grant))	(157,040.00)
Expenditures (overall increase)*	(1,271,504.00)
	\$ 170,762.00

* The overall expenditures increased by \$1,271,504.00 and is largely attributed to an increase in amortization expense, community grants, pool assessment, wages and benefits, snow removal costs offset by a transfer from reserve, tree encroachment costs at the airport offset by a transfer from reserve and an increase in community centre operating expenses.

The City's Net Financial Debt (the amount of liabilities greater than assets before capital assets) has increased by \$4,004,596.00 and is attributed to the following:

Annual Surplus (Does Not Include Principal Repayments or Reserve Transfers)	\$ 5,916,182.00
Acquisition of Capital Assets	(9,818,967.00)
Amortization Expense	7,545,347.00
Disposal of Tangible Capital Assets	365,251.00
Decrease in Prepaid Expenses	(3,217.00)
	\$ 4,004,596.00

Reserve Funds, Developer Cost Charges and Reserve Accounts have increased by a net amount of \$3,530,530.00, largely attributable to developer cost charges, equipment replacement reserves, transfers to specific projects (such as, Affordable Housing, Airport Tree Encroachment, General Parking Lots, Property Acquisition, Underpass, Trans Canada Highway West Project, Wharf Major Maintenance, Water Major Maintenance and Sewer Major Maintenance) and interest earned on deposit.

Long Term Debt has decreased by \$1,078,683.00 and is attributed to the following:

Principal Debt Repayments and Actuarial Payments	\$ (1,913,683.00)
Debt Issuance	835,000.00
	\$ 1,078,683.00

CITY OF SALMONARM

To:

Mayor Harrison and Members of Council

Date:

April 3, 2019

From:

Chelsea Van de Cappelle, Chief Financial Officer

Subject:

2019 Assessments / New Construction

For Information

Assessments/Property Taxation

City of Salmon Arm property owners have received their 2019 assessment notices.

Average inflationary/deflationary changes in assessment for 2019 for each property class are as follows:

Property Class	Increase (Decrease)
Class 1 (Residential)	5.91%
Class 2 (Utilities)	6.30%
Class 3 (Supportive Housing)	0.00%
Class 4 (Major Industry)	0.37%
Class 5 (Light Industry)	10.69%
Class 6 (Business)	5.60%
Class 7 (Managed Forest Land)	14.24%
Class 8 (Rec Non Profit)	7.35%
Class 9 (Farm)	(0.07)%

Moderate inflationary/deflationary changes to assessments are not unusual. For example, the average inflationary increase in residential assessments in 2018 was 9.83% as opposed to an inflationary increase in 2019 of 5.91%.

It is important to note that the tax rate will be adjusted and applied against current assessments to collect the same amount of revenue in 2018 plus the 3.30% tax increase approved by Council. The only time that property owners will see an increase/decrease in their general municipal levy beyond the 3.30% is if their assessment increase/decrease is proportionately higher/lower than the average assessment change.

New Construction

The City has received the B.C. Assessment Authority's Authenticated Roll for 2019. The revenue from new construction or new growth was projected at 2% or \$346,366.26 the actual new construction estimates for 2019 is 2.01% or \$367,703.13.

Cancellation of Notice on Title

RECOMMENDATION:

THAT: the notice filed against the property title of Lot 5, Plan 18330, Section 28, Township 20, Range 10, W6M, KDYD (4681 – 44th Avenue NW) be cancelled.

BACKGROUND:

On March 12, 2012 Council passed a Resolution made under Section 57 of the Community Charter to place a legal notation on the title of Lot 5, Plan 18330, Section 28, Township 20, Range 10, W6M, KDYD (4681 – 44th Avenue NW) due to a Building Bylaw infraction.

Requirements have now been satisfied and this notation may be cancelled by Resolution of Council.

Respectfully submitted,

Erin Jackson

Director of Corporate Services

SUBJECT:

UAV & DRONE USE

FOR INFORMATION

BACKGROUND:

Over the course of the last few years, there has been significant interest and discussion in the use of UAV's (unmanned aerial vehicle) commonly referred to as "drones". UAV's are any aircraft that is remotely controlled and has no pilot onboard. They range in size from mini palm sized recreational UAV's to larger "quadcopter" style UAV's designed to carry payload including cameras and sensors tailored to the required use. UAV's are becoming increasingly popular amongst recreational and commercial users.

The Federal Government through Transport Canada (TC) regulates the use of UAV's in Canada. If the drone is used for recreational uses and weighs less than 35 kg, no special permission is required to fly. TC provides a number of "do's" and "don'ts" for flying safely and legally, see attached fact sheet.

The Regulations are more detailed where the UAV weighs over 35kg or more, or is being used for industrial, inspection, educational, or commercial use. Under these conditions the operator of the UAV is required to obtain a Special Flight Operations Certificate (SFOC). The SFOC requires operators to provide information regarding how, when and where they intend to use their UAV, along with flight safety details.

Operating a UAV without a SFOC (where one is required) may lead to assessed fines in the amount of \$5,000 for an individual and \$25,000 for a corporation.

Most of TC's regulations relate to aviation and aerodrome security and safety. A drone incident report can be filed if someone is flying a drone in an irresponsible manner without a permit (for example, flying close to other aircraft, near aerodromes, or at a high altitude).

UAV operators must also comply with all other applicable laws and regulations, including the Canadian Criminal Code and provincial and municipals laws relating to trespassing and privacy. If TC inspectors investigate reports of unsafe and illegal drone use it may involve local police if other laws (for example, the Criminal Code and privacy laws) have

been broken. Additional information is available on the TC website listed below, please note that TC will be producing new rules which will take effect on *June 1, 2019*. (http://www.tc.gc.ca/eng/civilaviation/drone-safety.html)

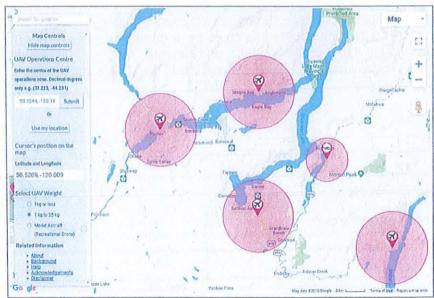

DISCUSSION

The use of UAV's in the municipal environment is largely undocumented. The use of UAV's within municipalities has been met with a number of obstacles, including; privacy issues, public safety, and TC's restriction on their use. While TC may allow for exemptions from particular requirements under special circumstances, each application for a SFOC is reviewed on a case by case basis and it is unclear what methodology is applied to these exemptions. TC notes the following restrictions when operating a UAV:

Avoid flying over private property or taking photos/ videos without permission

- Avoid flying within a 9km radius from any aerodrome (ie. airport, heliport, helipad or seaplane base, etc.)
- Avoid flying closer than 150m from people, animals, buildings, structures, or vehicles
- Avoid flying higher than 90 metres (300 feet) above the ground
- Avoid flying in populated areas or near large groups of people, including sporting events, concerts, festivals, and fireworks shows.
- Avoid flying near moving vehicles, highways, bridges, busy streets, or anywhere you could endanger or distract drivers
- Anywhere you may interfere with first responders

The graphic below highlights the approximate 9km radius surrounding any aerodrome. The National Research Council has created an interactive map to help drone operators identify where these restricted area are located.

As illustrated, the "No drone zones" are areas where it may be unsafe or illegal to fly your drone. TC prohibits the use of UAV's throughout Salmon Arm due to the proximity to Shuswap Regional Airport. Special permission from TC would need to be granted

through the SFOC process to allow the commercial use of UAV within the 9km radius of Salmon Arm's aerodrome.

Some of the uses for an UAV for the City of Salmon Arm could include but are not limited to such activities as:

- Aerial surveying
- Construction Management
- Inspection, forestry,
- Site analysis, planning and design
- · Environmental design (engineering, architecture, urban design)
- Marketing
- Emergency Response Coordination
- Police Service; accident and general investigations
- Environmental Impact Assessment and Monitoring

CONCLUSION

In regards to the installation of signage on City lands, without a bylaw in place the enforcement of the signs would not be possible. Some City's have created bylaws for the specific purpose of controlling drone usage on public lands in an effort to protect public safety and privacy. This could be done by amending the City's Parks Bylaw and Traffic Bylaw to include wording that would restrict the use of UAV's & Drones in or over City lands; however, this would create and expectation and a need for enforcement. Should City Council choose to have signage installed the following factors should be considered, signage location, cost and enforcement.

Transport Canada is responsible for regulating the use of UAV's. In regards to UAV's being flown over the foreshore and possibly interfering with the wildlife. This is an issue that could be dealt with by Transport Canada through the complaint process or for more serious issue such as interference with wildlife this could be a violation of the Canadian wildlife protection legislation, which protects plant and animal species in Canada including migratory birds. These matters should be reported to either a provincial or federal enforcement agencies.

FLYING FOR FUN?

RULES FOR RECREATIONAL DRONE USERS

Consult the safety measure for the full list of rules.

It's the law! If you fly your drone for fun and it weighs more than 250 g and up to 35 kg, follow these rules:

Fly your drone:

- within 90 m above the ground or lower
- at least 30 m away from vehicles, vessels, and the public (if your drone weighs more than 250 g up to 1 kg)
- at least 76 m away from vehicles, vessels, and the public (if your drone weighs more than 1 kg up to 35 kg)
- at least 5.6 km from aerodromes (any airport, seaplane base, or areas where aircraft take-off and land)
- at least 1.9 km away from heliports or aerodromes used exclusively by helicopters
- outside of controlled or restricted airspace
- · at least 9 km away from a natural hazard or disaster area
- away from areas where it could interfere with police or first responders
- during the day and not in clouds
- within your sight at all times
- within 500 m of yourself or closer
- only if clearly marked with your name, address and telephone number

Following these rules will help keep people, aircraft, and property safe. If you do not follow these rules, you could face fines of up to \$3,000.

SALMONARM

Date: April 15, 2019

To: Mayor Harrison and Members of Council

Subject: 2019 Final Budget

Recommendation

That:

Bylaw No. 4322 cited as "City of Salmon Arm 2019 to 2023 Financial Plan

Amendment Bylaw No. 4322" be given 3 readings;

And That:

Bylaw No. 4323 cited as "City of Salmon Arm 2019 Annual Rate of

Taxation Bylaw No. 4323" be given 3 readings.

Background

The 2019 – 2023 Financial Plan was adopted by Council in January, 2019. A re-visitation of the Financial Plan is required in April of each year to provide for outstanding items such as:

- 2018 Capital Carry Forward Projects;
- 2018 Operational Carry Forward Projects;
- Authenticated Assessment Roll;
- Tax Requisitions from Other Governments (MFA, Regional District, Regional Hospital, BC Assessment Authority, etc.);
- Council Resolutions;
- Grants; and
- Other budget adjustments as noted below.

The 2019 Final Budget reflects a 3.30% tax increase and a 2.01% "new construction" factor resulting in additional tax revenue of \$7,945.00 which has been redirected to the Future Expenditure Reserve. In keeping with Council's resolution in 2017, the Light Industry (Class 5) and Business (Class 6) property tax rate has been re-equalized resulting in a shift in general municipal property taxes of \$17,501.56 from the former to the latter.

The property tax increase impact to a Residential (Class 1) and Business (Class 6) assessment per \$100,000.00 of assessed value is \$13.32 and \$37.60 respectively. In addition, Business (Class 6) will experience a slight decrease of \$3.94/\$100,000 (2018 – decrease of \$4.24/\$100,000) of assessed value as a result of a shift of general municipal property tax revenue and Light Industry (Class 5) will experience an increase of \$47.39/\$100,000 (2018 – increase of \$53.69/\$100,000) of assessed value.

Budget Revisions

Council resolutions made thus far in 2019 and projects that commenced in 2018 have been included in the 2019 Final Budget for completion. Several O & M (i.e. various studies and assessments [Liquid Waste Management Plan, Gravel Pit Assessment, Pavement Management, Superior Tanker Shuttle Accreditation, etc.], Police Station – Cell Block and Storage Bay Design projects, Cemetery – Digitizing of Records, DCC Bylaw Review, Park Major Maintenance projects, etc.) and capital projects (i.e.

VOIP/Phone Equipment, Police Building - Prison Cell Improvements, Mt. Ida Cemetery - Cemetery Mapping, Signage and Upper Road Upgrade, Acquisition and Development of Turner Creek Connector Trail, Canoe Boat Launch Improvements, Blackburn Park Covered Structure, Blackburn Park Life Skills Project, various pieces of equipment (funded from Reserve), Asphaltic Overlays, Hudson Street Revitalization Project, Drainage Storm Water Master Plan, Underpass Design, Airport Fuel System and Taxiway Charlie Design, Large Portable Generator, various road, drainage, sidewalk, equipment, water and sewer projects, incomplete/not started gas tax projects, etc.) have been included in the 2019 budget revision.

Please note that there are various salary, wages and benefit adjustments throughout the budget attributed to vacancies in various departments including Planning and Development, Public Works, Building, Fire, etc.). The savings attributed to same have been transferred to Reserve to address the full allocation of same in 2020.

With the exception of the above noted, changes to the 2019 Final Budget are largely attributed to the following items:

General Fund

R	ev	ω,	11	Δ
- 11	- v	C. 1

CITY OF SALMON ARM

BYLAW NO. 4322

A bylaw to amend the 2019 to 2023 Financial Plan

WHEREAS in accordance with the provisions of Section 165 of the Community Charter, the Council has adopted a financial plan for the period of 2019 to 2023;

AND WHEREAS it is deemed expedient to amend the Financial Plan;

NOW THEREFORE the Council of the City of Salmon Arm, in the Province of British Columbia, in an open meeting assembled, hereby enacts as follows:

1. "Schedule "A" of "City of Salmon Arm 2019 to 2023 Financial Plan Bylaw No. 4302 is hereby deleted in its entirety and replaced with Schedule "A" attached hereto and forming part of this bylaw.

2. SEVERABILITY

If any part, section, sub-section, clause of this bylaw for any reason is held to be invalid by the decisions of a Court of competent jurisdiction, the invalid portion shall be severed and the decisions that it is invalid shall not affect the validity of the remaining portions of this bylaw.

3. ENACTMENT

Any enactment referred to herein is a reference to an enactment of British Columbia and regulations thereto as amended, revised, consolidated or replaced from time to time.

4. EFFECTIVE DATE

This bylaw shall come into full force and effect upon adoption of same.

5. CITATION

This bylaw may be cited for all purposes as "City of Salmon Arm 2019 to 2023 Financial Plan Amendment Bylaw No. 4322".

15/04/2019

2019-2023 FP Bylaw (Cap)

Schedule "B" - Bylaw #4322 2019 Revenue Policy Disclosure

1. Table One (1) reflects the proportion of total revenue proposed to be raised from each funding source in 2019. Property taxes form the greatest proportion of revenue of the City. The first column details the proposed percentage of revenue including Conditional Government Transfers and the second column shows the proposed percentage of revenue excluding Conditional Government Transfers. Conditional Government Transfers are funds provided by other levels of government or government agencies to fund specific projects. The absence of this funding would result in an increase to property taxes, debt borrowing or funding from reserves or other sources (ie. developers, donations, etc.) or result in the project not being undertaken.

The City collects three (3) types of parcel tax; a water frontage tax; a sewer frontage tax and a transportation parcel tax. The water and sewer frontage tax rate is applied to each parcel of land taxable foot frontage. The frontage rate is comprised of a capital debt repayment component plus 10% of the water and sewer operation and maintenance budget for preventative maintenance of the utilities infrastructure. The City introduced a transportation parcel tax in 2003. The transportation parcel tax is collected to maintain the City's transportation network to an adequate level to minimize future reconstruction costs and ensure the network is safe from hazards and disrepair. To this end, the transportation parcel tax provides a stable and dedicated source of funding. The transportation parcel tax was specifically implemented on a "flat rate per parcel" rather than an "ad velorum tax" basis recognizing that all classes of property are afforded equal access to the City's transportation network and should contribute to its sustainability equally. This method directed tax dollars away from business and industry to residential.

The City also receives a Municipal Regional District Tax (MRDT) which is levied and collected by the Provincial Government on all daily accommodation rentals within the City. Under the direction and approval of the Accommodation Industry, the City has applied to the Provincial Government to levy a 2% MRDT which will be utilized on initiatives that will increase exposure/awareness of Salmon Arm as a tourism destination with emphasis on off-season event expansion.

The City endorses a 'user pay' philosophy in its collection of fees and charges. Such fees and charges (ie. development, building, plumbing and fire permits, recreational program and rental fees and cemetery services) are reviewed annually to ensure adequate cost recovery for the provision of services. The policy of the City is to work towards full cost recovery for services provided. The objective in reviewing fees and charges periodically is to measure the cost of providing municipal services versus the cost recovery established through user fees and charges. Development Cost Charges are based on the City's Long Term Financial Plan. Included in this percentage is the City's investment income. The City exercises a stringent cash management plan to maximize investment and interest income.

Other sources of revenue provide funding for specific functions such as the Columbia Shuswap Regional District's contribution to the Shuswap Regional Airport, Recreation Centre, Shaw Centre, Cemetery and Fire Training Centre.

The proceeds from borrowing and developer contributions fund capital projects pursuant to the City's Long Term Financial Plan.

Schedule "B" – Bylaw #4322 2019 Revenue Policy Disclosure

Table 1: Proportions of Total Revenue

Revenue Source	Percentage to Total Revenue Includes Conditional Government Transfers	Percentage to Total Revenue Excludes Conditional Government Transfers	
Property Taxes	38.16%	45.88%	
Parcel Taxes	7.26%	8.73%	
User Fees, Charges and Interest Income	24.63%	29.62%	
Other Sources	17.58%	0.89%	
Proceeds From Borrowing	12.37%	14.88%	
	100.00%	100.00%	

2. Table Two (2) reflects the distribution of property tax between the different property classes. The objective of the City is to set tax rates in order to maintain tax stability while maintaining equality between the property classes. The policy of the City is to develop a tax rate which maintains the proportionate relationship between the property classes. Inflationary increases in assessments are reduced to reflect only the 'real' increase attributed to new construction for each property class. This allows the property owner to be confident that, in any year, their property tax bill will only increase as much as their proportion of the increase in tax revenue required year to year.

The City reviewed the property tax multiple structure and equalized the general municipal property tax rate and associated multiple for Class 5 (Light Industry) and Class 6 (Business) By shifting general municipal property taxes from Class 5 (Light Industry) to Class 6 (Business) commencing in 2017. This property tax stability strategy is in keeping with its objective to maintain tax stability while maintaining equality between property classifications.

Assessment values fluctuate as market values change in one class or another. It is this market value change that may precipitate an amendment to the class multiple.

The Provincial Government has legislated a municipal taxation rate cap for the Class 2 (Utilities) assessments. The City of Salmon Arm Class 2 (Utilities) general municipal property tax rate adheres to this legislation.

Schedule "B" – Bylaw #4322 2019 Revenue Policy Disclosure

Table 2: Distribution of Property Taxes Between Property Classes

Property Class	2019 Tax Rate	Class Multiple	Percentage to Total Property Tax	Percentage to Total Property Assessment Value

Farm	12.7915	3.25:1	0.61%	0.24%

3. The City adopted a Permissive Tax Exemption Policy in 1998 which outlines the eligibility criteria to receive a permissive tax exemption. The Annual Municipal Report for 2017 contains a schedule of permissive tax exemptions granted for the year and the amount of tax revenue exempted.

Commencing in 1999, the City provided a three (3) year permissive tax exemption for each eligible organization. These include religious institutions, historical societies, some recreational facilities, service organizations and cultural institutions.

Table 3: Permissive Tax Exemptions

Organization	General Municipal Tax Exemption	Other Government Tax Exemption	Total
Churches	\$ 45,996.50	\$ 37,726.50	\$ 83,723.00
Non Profit Societies	409,140.00	243,030.00	652,170.00

Total	\$ 760.818.50	\$ 448,860,50	\$ 1,209,679.00

Schedule "B" - Bylaw #4322 2019 Revenue Policy Disclosure

4. The Official Community Plan for the City of Salmon Arm identifies the revitalization of the downtown as a priority. As a result, in 2005, the City established a Downtown Revitalization Tax Exemption Program pursuant to City of Salmon Arm Revitalization Tax Exemption Bylaw No. 3471.

The Revitalization Tax Exemption Program is a tool that Council is using to encourage property investment in the downtown area (hereinafter referred to as the Revitalization Area). Council's objective is to stimulate and reinforce development initiatives in the Revitalization Area by promoting property investment within the C-2, "Town Centre Commercial Zone" and to reinforce the City's investment in infrastructure upgrades and beautification projects.

City of Salmon Arm Revitalization Tax Exemption Bylaw No. 3741 establishes property tax exemptions in respect of construction of a new improvement or alteration of an existing improvement where the alteration has a value in excess of \$75,000.00 to encourage revitalization in the Revitalization Area.

Table 4: Revitalization Tax Exemptions

Area	2014 General Municipal Tax Exemption	2015 General Municipal Tax Exemption	2016 General Municipal Tax Exemption	2017 General Municipal Tax Exemption	2018 General Municipal Tax Exemption	2019 General Municipal Tax Exemption
C-2 "Downtown Commercial Zone"	\$ 47,032.50	\$ 45,846.66	\$ 34,828.47	\$ 29,851.20	\$ 24,304.74	\$ 24,657.03

5. The Official Community Plan for the City of Salmon Arm identifies the revitalization of the "Industrial Zones" as a priority. As a result, in 2014, the City established an Industrial Revitalization Tax Exemption Program pursuant to City of Salmon Arm Revitalization Tax Exemption Bylaw No. 4020.

The Revitalization Tax Exemption Program is a tool that Council is using to encourage property investment in the "Industrial Zones" (hereinafter referred to as the Revitalization Area). Council's objective is to stimulate and reinforce development initiatives in the Revitalization Area by promoting property investment within the "Industrial Zone" and to reinforce the City's investment in infrastructure upgrades and beautification projects.

City of Salmon Arm Revitalization Tax Exemption Bylaw No. 4020 establishes general municipal property tax exemptions in respect of construction of a new improvement or alteration of an existing improvement where the alteration has a value in excess of \$300,000.00 to encourage revitalization in the Revitalization Area.

This bylaw shall have an expiration date of five (5) years from the date of adoption.

CITY OF SALMON ARM

BYLAW NO. 4323

A bylaw to set the rate of taxation for the year 2019

WHEREAS in accordance with the provisions of Section 197 of the Community Charter, SBC, 2003, Chapter 26 the Council is required, by bylaw, to impose property value taxes for the year by establishing tax rates for Municipal, Hospital, Library, Regional District, Off-Street Parking and Business Improvements purposes for the year 2019;

NOW THEREFORE the Council of the City of Salmon Arm, in the Province of British Columbia, in open meeting assembled, hereby enacts as follows:

- 1. The following rates are hereby imposed and levied for the year 2019:
 - a) For all lawful general and debt purposes of the municipality on the value of land and improvements taxable for General Municipal purposes, rates appearing in Column "A" of Schedule "A" attached hereto and forming a part hereof.
 - b) For Regional Hospital District purposes on the value of land and improvements taxable for Hospital purposes rates appearing in Column "B" of Schedule "A" attached hereto and forming a part hereof.
 - c) For Columbia Shuswap Regional District purposes on the value of land and improvements taxable for Hospital purposes, rates appearing in Column "C" of Schedule "A" attached hereto and forming a part hereof.
 - d) For Columbia Shuswap Regional District SIR purposes on the value of land taxable for Hospital purposes, rates appearing in Column "D" of Schedule "A" attached hereto and forming a part hereof.
 - e) For Business Improvement Area purposes on the value of land and improvements taxable for General Municipal purposes, rates appearing in Column "E" of Schedule "A" attached hereto and forming a part hereof.
 - f) For Off-Street Parking Specified Area purposes on the value of land and improvements taxable for General Municipal purposes, rates appearing in Column "F" of Schedule "A" attached hereto and forming a part hereof.
 - g) For Okanagan Regional Library purposes on the value of lands and improvements taxable for General Municipal purposes, rates appearing in Column "G" of Schedule "A" attached hereto and forming a part hereof.

71

2

- h) For BC Assessment Authority purposes the rates have been established by legislation and rates appearing in Column "H" of Schedule "A" attached hereto and forming a part hereof.
- i) For Municipal Finance Authority purposes the rates have been established by legislation and rates appearing in Column "I" of Schedule "A" attached hereto and forming a part hereof.
- 2. The minimum amount of taxation upon a parcel of real property shall be One Dollar (\$1.00).
- 3. a) At close of business on July 2, 2019, the Chief Financial Officer of the City of Salmon Arm shall add to the unpaid taxes of the current year, in respect of each parcel of land and the improvements thereon upon the real property tax roll, ten percent (10%) of the amount then remaining unpaid.
 - b) The said unpaid taxes, together with amounts added under this section, are deemed to be unpaid taxes of the current year due on such land and improvements thereon, and the amounts added under this section when collected shall form part of the general revenue of the City of Salmon Arm.
- 4. Despite Section 3, taxes resulting from a supplementary assessment roll which remain unpaid 30 days after sending of the notice of the taxes payable to the assessed owner are to incur and bear a penalty for that year of ten percent (10%) of the amount of such taxes.

5. SEVERABILITY

If any part, section, sub-section, clause, or sub-clause of this bylaw for any reason is held to be invalid by the decision of a Court of competent jurisdiction, the invalid portion shall be severed and the decision that it is invalid shall not affect the validity of the remaining portions of this bylaw.

6. **ENACTMENT**

Any enactment referred to herein is a reference to an enactment of British Columbia and regulations thereto as amended, revised, consolidated or replaced from time to time.

7. **EFFECTIVE DATE**

This bylaw shall come into full force and effect upon adoption of same.

SALMONARM

To:

Mayor Harrison and Members of Council

Date:

April 15, 2019

From:

Chelsea Van de Cappelle, Chief Financial Officer

Subject:

Transportation Parcel Tax

Recommendation

THAT:

Bylaw No. 4330 cited as "City of Salmon Arm Transportation Parcel Tax Bylaw No.

4330" be given 3 readings.

Background

During the March 25, 2019 Regular Meeting of Council, Staff were directed to prepare a Transportation Parcel Tax Amendment Bylaw increasing the parcel tax to \$150.00 per parcel. Attached for your reference is the memo and supporting documentation from this meeting.

Due to the number of legislation reference changes and clarifications throughout the bylaw, staff are recommending the original "District of Salmon Arm Transportation Parcel Tax Bylaw No. 3247" by repealed upon adoption of Transportation Parcel Tax Bylaw No. 4330.

The increase of \$30.00 (\$120.00 to \$150.00) per parcel to the Transportation Parcel Tax will generate \$238,000.00 in additional revenue. This increase has been included in 2019 to 2023 Financial Plan Amendment Bylaw No. 4322, presented for 3 readings today. The additional revenue generated has been directed to asphaltic overlays.

Respectfully Submitted,

Chelsea Van de Cappelle, CPA

Transportation Parcel Tax

FOR INFORMATION

The Transportation Parcel Tax levy was established through a Council initiative, in 2003. After lengthy discussions relative to an increase in the 'Tax Rate' versus the implementation of a 'Transportation Parcel Tax' and various combinations thereof, Council resolved to implement a Transportation Parcel Tax to fund the road overlays portion of the Transportation Capital Budget and increase the tax rate by 3% for all other budget increases.

In past years, the Transportation Capital Budget was essentially the primary target for tax cuts; therefore it was the intent of Council to provide the Transportation function with a stable and 'dedicated' source of funding. Initially, it was envisioned that the levy would fund the asphaltic road overlays (starting at \$400,000.00 and increasing to \$900,000.00). At the time, Council indicated that they envisioned that the Transportation Parcel Tax would eventually fund the Transportation Capital program. Some individual Councillors felt it could also fund the entire transportation function, including operations and maintenance. Overall, however, Council felt any increase to the existing \$60.00 parcel tax would be offset by a decrease in the general municipal levy by the same amount.

When considering the implementation of the Transportation Parcel Tax levy Council gave consideration to the following:

- Electorate expectations the expectation that infrastructure is maintained to an adequate level;
- Community safety that infrastructure is safe from hazards and disrepair;
- Asset protection that infrastructure is adequately maintained throughout its life to minimize future reconstruction costs; and
- Economics of the community essentially ability to pay. At the time, it was felt that because the class 6 properties (commercial) pay a higher rate of taxation that a parcel tax provided a fairer approach than the ad valorem tax method.

The parcel tax was established at \$60.00 per parcel or group of parcels of real property. A parcel means any lot, block or other area in which real property is held or into which is subdivided. The term parcel includes strata. Group of parcels means where a building or other improvement extends over more than one parcel of land, those parcels, if contiguous, may be treated by the

Assessor as one parcel and assessed accordingly. A parcel includes a strata unit, business or residential property that has a legal title attached to it and where each owner is deemed to own a portion of the parcel of the land. The parcel tax does not consider the 'size' of the parcel; it considers 'separate' legal ownership and if it has been assigned a 'separate' assessment by the BC Assessment Authority.

In 2009, Council approved an amendment to essentially exempt parcels assessed as Class 9 "only", parcels or groups of parcels assessed as Class 9 containing Class 1 farm buildings and parcels assessed only as Class 2 improvements.

Council's decision to implement the Transportation Parcel Tax was twofold.

• The first being equality – everyone uses the transportation infrastructure and everyone should contribute equally. Increasing the tax rate overall spreads the costs of the transportation network based on the assessed value of the property. The higher the assessment, the higher the portion of taxes the property owner will pay. This did not address the equal opportunity aspect. There are inequities within any tax system; however, it was felt that the parcel tax was more equitable than an overall tax increase.

What is meant by "equal opportunity' is that everyone who lives within the boundaries of the City of Salmon Arm has the same opportunity as the next person to use the transportation infrastructure, whether or not they own a vehicle; or travel by transit bus, taxi, walk or through other means.

• The second being the protection of the tax monies collected. In the past, Council has increased taxes directly for transportation purposes only to have the funds cut and used for another purpose in a later year. A specific 'Transportation Parcel Tax' would secure funding for roads. The specific tax usage is legislated by bylaw and cannot be used for any other purpose. Hence, it would not go into the general 'coffers'. Council felt that road infrastructure is an important service. By collecting a parcel tax for the capital portion of the road infrastructure, the public can be assured that appropriate funding for roads would be allocated annually.

The 2019 budget currently reflects an allocation of \$957,000.00 for asphaltic overlays (\$120.00 per parcel). The 2008 Roadway Pavement Management Study indicated that the City's road rating had deteriorated to 78 from 90 in 2000. The last update to the report was completed in 2011. At the time the City's road rating had improved to 82, which is the high side of a "fair" rating. The report recommended that the City fund its road network (which includes asphaltic overlays) by \$1.5 million annually to maintain the City's road rating. In order to bring the City's road network back to a "good" rating (between 85 and 100), the City would need to spend \$2.5 million annually (Schedule 1 – excerpt from the 2008 Pavement Management Study).

This recommendation is based on the principle that the overall long term lifecycle cost of the existing road network is minimized by rehabilitating pavements before reconstruction and/or before extensive deep patching is required. This is achieved by setting a budget level that minimizes the length of the network that is in very poor condition and minimizes the cost of maintaining the network's asset value.

An update to the City's Pavement Management Plan was approved in 2018 and is currently underway with completion estimated to be April/May 2019. The consulting engineer updating the plan has given preliminary data indicating that the City's current road rating is below 50, which is on the low side of a "poor" rating. As roads deteriorate it becomes exponentially more expensive to restore them. It should be noted that this deterioration of the City's road network is as a result of a combination of factors – the cost increase of asphalt and labour and inadequate funding in past years.

The price per tonne of asphalt has steadily increased. Since 2007, the price of asphalt has increased on average 2.4% per year and inflation over the same period has increased on average by 1.4% per year. The annual budget has generally kept pace with inflation due to development (i.e. addition of newly taxable parcels), however has been eroded as a result of increasing asphalt and labour costs.

In addition to increasing costs, the Transportation Parcel Tax rate has not increased since 2009. In order to meet the 2011 minimum recommendations the City needs to set an annual funding level of \$1.62 million (\$1.5 million increased based on the BC CPI), this would result in a parcel tax equivalent to \$205.00. In order to improve its network rating, annual funding would need to reach \$2.7 million (\$2.5 million increased based on the BC CPI); resulting in a parcel tax of \$342.00.

It is recommended that Council increase the Transportation Parcel Tax to \$150.00 per parcel (currently set at a rate of \$120.00 per parcel). The intent is to increase sustainable funding for the repair and maintenance of the City's paved road network, which was the original intent of the parcel tax. This increase to the Transportation Parcel Tax will generate approximately \$237,000.00 in additional revenue. While the recommended increase will equate to an annual budget of approximately \$1.19 million in 2019, it is still significantly below the recommended funding level required to maintain the road network at its previous "fair" rating. Attached as Schedule 2 is the Transportation Parcel Tax increase/conversion implications for Council's information.

CITY OF SALMON ARM

BYLAW NO. 4330

A bylaw to impose a transportation parcel tax.

WHEREAS pursuant to Section 8 of the Community Charter, and the regulations passed pursuant thereto, the City of Salmon Arm may, by bylaw, operate a service that the Council considers necessary or desirable for all or part of the municipality;

AND WHEREAS the City of Salmon Arm has determined that it is necessary for the City to construct and operate a transportation network for the convenience and safety of the residents and businesses within the City;

AND WHEREAS Section 200 of the Community Charter allows the imposition of a parcel tax on all properties within the City, to fund all or part of the funding for the service;

NOW THEREFORE the Council of the City of Salmon Arm enacts as follows:

1. In this bylaw

"Annual Costs" means the annual operating and maintenance, debt servicing and capital costs for the works.

"Parcel" means any lot, block or other area in which real property is held or into which is subdivided and includes the right or interest of an occupier of land but does not include a highway or portion of a highway. The term parcel includes strata parcels.

"Group of Parcels" means where a building or other improvement extends over more than one parcel of land and those parcels if contiguous, have been treated by the Assessor in accordance with the Assessment Act as one parcel and assessed accordingly shall be considered as one parcel for the purposes of this bylaw.

"Collector" means the Collector of the Municipality duly appointed by the Council pursuant to the provisions of the Community Charter.

2. A parcel tax shall be imposed on each parcel or group of parcels of real property within the City of Salmon Arm, other than those that are exempt from the tax under this or another bylaw or enactment, as a single amount for each parcel.

- 3. The annual parcel tax shall be in the amount of \$150.00 per parcel or group of parcels of real property with the exception of the following:
 - a. Parcels assessed as Class 9 'only'. For these parcels, the parcel tax shall be \$0.00 per parcel of real property;
 - b. Parcels or groups of parcels assessed as Class 9 containing Class 1 farm buildings. For these parcels, the parcel tax shall be \$0.00 per parcel of real property; and
 - c. Parcels assessed 'only' as Class 2 improvements. For these parcels, the parcel tax shall be \$0.00 per parcel of real property.
- 4. The parcel tax imposed under Section 2 of this bylaw shall be imposed in 2019 and each year thereafter.
- 5. The parcel tax is imposed under Section 2 of this bylaw for the purpose of recovering the annual costs of constructing and operating a transportation network for the convenience and safety of the residents and businesses within the City of Salmon Arm.
- 6. The Collector is hereby directed to prepare a parcel tax roll pursuant to Section 202 of the Community Charter.
- 7. "District of Salmon Arm Transportation Parcel Tax Bylaw No. 3247" and all previous versions, consolidations and amendments made thereto are repealed upon adoption of this Bylaw.
- 8. This bylaw may be cited for all purposes as "City of Salmon Arm Transportation Parcel Tax Bylaw No. 4330".

MOTION FOR CONSIDERATION

THAT:

a bylaw be prepared for Council's consideration, adoption of which would amend Zoning Bylaw No. 2303 by rezoning Lot 10, Section 35, Township 20, Range 10, W6M, KDYD, Plan 31502 from R-1 (Single Family Residential Zone) to R-8 (Residential Suite Zone);

AND THAT: Final reading of the zoning amendment bylaw be withheld subject to:

- Registration of Section 219 Land Title Act covenant(s) registered on title ensuring a detached suite is not permitted; and
- Confirmation that the proposed secondary suite in the existing single family dwelling meets Zoning Bylaw and BC Building Code requirements.

STAFF RECOMMENDATION

THAT: The motion for consideration be adopted.

PROPOSAL

The subject parcel is located at 1230 – 52 Avenue NE (Appendix 1 and 2) and is under subdivision application (SUB-18.27) to create one new lot and a remainder. A proposed sketch plan of the subdivision (Appendix 3) has been provided. The proposal is to rezone the parcel from R-1 (Single Family Residential) to R-8 (Residential Suite) to permit the development a secondary suite on each of the proposed parcels.

BACKGROUND - SECONDARY SUITES

The parcel is designated Low Density Residential in the City's Official Community Plan (OCP), and zoned Single Family Residential (R-1) in the Zoning Bylaw (Appendix 4 & 5). The subject parcel is located in the "Raven" residential neighbourhood, largely comprised of R-1 zoned parcels containing single family dwellings. There are currently four R-8 zoned parcels within the proximity of the subject parcel, including the parcel directly to the east.

The subject parcel was recently before Council related to a variance application (VP-493) which was approved including a reduced panhandle width at a point adjacent the southeast corner of the existing house. The property is approximately 0.259 ha in size, and it is intended that the existing single family dwelling will be retained on the Remainder Lot, while a new lot will be created as shown in the attached sketch plan (Appendix 3). Site photos are attached as Appendix 6.

Policy 8.3.25 of the OCP provides for the consideration of secondary suites in all Residential (High, Medium, and Low) designated areas via a rezoning application, subject to compliance with the Zoning Bylaw and the BC Building Code. Based on parcel area, the subject property has potential to meet the conditions for the development of a *detached suite*, including sufficient space for additional off-street parking stalls.

COMMENTS

Engineering Department

No concerns with rezoning. Comments provided with SUB-18.27 and VP-493.

Building Department

BC Building Code requirements must be met to construct a secondary suite.

Fire Department

No concerns.

Planning Department

In response to the concerns of neighbours noted during the variance application process, the applicant has offered to restrict future development through a covenant registered on title eliminating the option of a detached suite included in the motion for consideration. This measure has been suggested as a measure to limit potential impacts on neighbouring properties.

In relation to the existing house, during the variance application process staff became aware of an existing secondary suite within the existing single family dwelling without any record of a Building Permit. Confirmation will be required that the secondary suite in the existing single family dwelling meets BC Building Code requirements, included in the motion for consideration as is standard practice with such applications.

The proposed R-8 zoning of the subject parcel is consistent with the OCP and is therefore supported by staff. Any new development will require a building permit and will be subject to applicable Development Cost Charges, as well as meeting Zoning Bylaw and BC Building Code requirements.

CITY OF SALMON ARM

BYLAW NO. 4334

A bylaw to amend "District of Salmon Arm Zoning Bylaw No. 2303"

WHEREAS notice of a Public Hearing to be held by the Council of the City of Salmon Arm in the Council Chambers at City Hall, 500 – 2 Avenue NE, Salmon Arm, British Columbia, on , 2019 at the hour of 7:00 p.m. was published in the and , 2019 issues of the Salmon Arm Observer;

AND WHEREAS the said Public Hearing was duly held at the time and place above mentioned;

NOW THEREFORE the Council of the City of Salmon Arm in open meeting assembled enacts as follows:

1. "District of Salmon Arm Zoning Bylaw No. 2303" is hereby amended as follows:

Rezone Lot 10, Section 36, Township 20, Range 10, W6M, KDYD, Plan 31502 from R-1 Single Family Residential Zone to R-8 Residential Suite Zone attached as Schedule "A".

2. SEVERABILITY

If any part, section, sub-section, clause of this bylaw for any reason is held to be invalid by the decisions of a Court of competent jurisdiction, the invalid portion shall be severed and the decisions that it is invalid shall not affect the validity of the remaining portions of this bylaw.

ENACTMENT

Any enactment referred to herein is a reference to an enactment of British Columbia and regulations thereto as amended, revised, consolidated or replaced from time to time.

4. EFFECTIVE DATE

This bylaw shall come into full force and effect upon adoption of same.

Applicant:

Raspberry, W.

MOTION FOR CONSIDERATION

THAT:

a bylaw be prepared for Council's consideration, adoption of which would amend Zoning Bylaw No. 2303 by rezoning Lot 2, Section 12, Township 20, Range 10, W6M, KDYD, Plan 19098 from R-1 (Single Family Residential Zone) to R-8 (Residential Suite Zone).

STAFF RECOMMENDATION

THAT:

The motion for consideration be adopted.

PROPOSAL

The subject parcel is located at 1441 - 20 Avenue SE (Appendix 1 and 2), is approximately 1.5 acres (6081 square metres) in area, and contains an existing single family dwelling. The proposal is to rezone the parcel from R-1 (Single Family Residential) to R-8 (Residential Suite) to permit the future construction and use of a secondary suite. Although there are no detailed plans at this time, the lot is large enough to accommodate either a secondary suite or a detached suite.

BACKGROUND

The subject parcel is designated Low Density Residential in the City's Official Community Plan (OCP) and zoned R-1 (Single Family Residential) in the Zoning Bylaw (Appendix 3 & 4).

The subject parcel is located in an area largely comprised of R-1 and A-2 zoned parcels containing single family dwellings, and has future subdivision potential (an old pre-plan involving the lot to the east and a recent concept for a 7-lot bare land strata subdivision are attached as Appendix 5). There are presently 18 R-8 zoned parcels within the vicinity of the subject parcel. The properties located along the south side of 20 Avenue SE are in the Rural Area and ALR, with A-2 zoning that allows for secondary suites.

Site photos are attached as Appendix 6.

Secondary Suites

Policy 8.3.25 of the OCP provides for the consideration of secondary suites in all Residential designated areas via a rezoning application, subject to compliance with the Zoning Bylaw and the BC Building Code. Based on parcel area and width, the subject property has potential to easily meet the conditions for the development of a secondary suite (or detached suite), including sufficient space for an additional off-street parking stall.

COMMENTS

Engineering Department

No objections to the proposed rezoning. Comments attached as Appendix 7.

Building Department

BC Building Code will apply. A Building Permit application will be required to create a secondary suite.

Fire Department

No concerns.

Planning Department

The proposed R-8 zoning of the subject parcel is consistent with the OCP and is therefore supported by staff. The large subject parcel is well suited to R-8 development and has more than sufficient area to meet all R-8 Zone requirements, including the provision of onsite parking. Any development of a secondary suite would require a building permit and will be subject to meeting Zoning Bylaw and BC Building Code requirements.

Zoning Amendment Application No. 1150

MOTION FOR CONSIDERATION

THAT: A bylaw be

A bylaw be prepared for Council's consideration, adoption of which would amend Zoning Bylaw No. 2303 as follows:

- 1. Section 9.3 Add the defined terms Assisted Living Housing and Dining Area to the list of Permitted Uses in the R-4 Medium Density Residential Zone and renumber the balance of Section 9.3 accordingly; and
- Section 9.11 Add a new Section 9.11.3 which would state:
 Notwithstanding Section 9.11.1, the maximum density in the R-4 Zone may be increased to a maximum of 50 dwelling units per hectare (20.2 units per acre) for the provision of Assisted Living Housing.

AND THAT:

A bylaw be prepared for Council's consideration, adoption of which would amend Zoning Bylaw No. 2303 as follows:

- Section 10.3 Add the defined terms Assisted Living Housing and Dining Area to the list of <u>Permitted Uses</u> in the R-5 - High Density Residential Zone and renumber the balance of Section 10.3 accordingly; and
- Section 10.11 Add a new Section 10.11.3 which would state:
 Notwithstanding Section 10.11.1, the maximum density in the R-5 Zone may be increased to a maximum of 130 dwelling units per hectare (52.6 units per acre) for the provision of Assisted Living Housing.

STAFF RECOMMENDATION

That the motion for consideration be adopted.

PROPOSAL

The purpose of this application is to add the existing defined terms "Assisted Living Housing" and "Dining Area" as permitted uses to the R-4 Medium Density and R-5 High Density Residential Zones in order to broaden the range of housing options within these two zones. The current R-4 and R-5 zone regulations are attached (Appendix 1 & 2) for reference. The proposed text amendments are supported by the Official Community Plan (OCP) Urban Residential Objectives and Policies. OCP and zoning maps of high and medium density areas are attached (Appendix 3 & 4).

Recently, CMHA were approved funding from BC Housing for a proposed approximately 70 units of affordable rental housing for families, seniors and people with disabilities at 250 5th Avenue South West. These units meet the definition of *multiple family housing* permitted in the R-5 zone. BC Housing is currently exploring the opportunity to build approximately 40 additional units with on-site supports on the same property. If this Zoning Bylaw Amendment is adopted by City Council, these additional units would be permitted at this site (please see cover letters and fact sheet attached as Appendix 8).

BACKGROUND

The land use assisted living housing was adopted into the Zoning Bylaw in June 2002. The use was included in the first Comprehensive Development (CD) Zone in the City for the "Piccadilly Terrace" Development located at 810 - 10 Street SW (ZON-727). Since that time, three other CD zones (CD-2, CD-4, and CD-14 provided as Appendix 5) have been created for assisted living housing developments: Lakeside Manor, Lander's Lodge and Andover Terrace (locations identified on map attached as Appendix 6, with site photos attached as Appendix 7).

When the first assisted living housing development was proposed in the City, the Provincial government had been initiated a trend of privatizing various types of residential care facilities. In response, staff created the *assisted living housing* land use definition with the primary intention for it to be consistent with Provincial guidelines while fitting within the Medium and High Density Residential Land Use designated areas of the OCP.

A second intention was to provide some flexibility with the use and definition by referring to both private and public care facilities. Up until the assisted living housing use was adopted, a residential care facility was only permitted within the Institutional P-3 zone under the Zoning Bylaw's definition of rest home.

Italicized terms are defined in the Zoning Bylaw within Section 2. Assisted Living Housing is defined in Section 2 of the Zoning Bylaw. As a component of a zoning bylaw, this broad definition addresses land use and does not have any associated background requirements for tenants nor does it address any socio-economic conditions.

Assisted Living Housing means:

housing intended for both independent and semi-independent living in the form of either congregate housing, dwelling units, sleeping units, or any combination thereof, within which is provided for the exclusive use of the occupants, their families and guests, daily common meal preparation using commercial cooking facilities, dining area and laundry facilities. Assisted living housing may or may not accommodate health services such as nursing care, home support, rehabilitative and transportation services.

Nested within the above, the provision of a *dining area* is a required amenity in an assisted living housing development; in 2002 this provision was consistent with Interior Health's minimum standards for a commercial kitchen and dining area.

Dining Area is defined as:

a common area allocated exclusively for dining purposes of sufficient size to accommodate all of the residents of an assisted living housing complex, which has not less than 1.4 square metres of floor area per unit.

Over the years, staff has intended on proposing to add assisted living housing as an outright permitted use in the R-4 and R-5 zones. However, the CD zoning method ended up being a convenient and practical way to evaluate and tailor each of the 4 CD zones specifically to the particular property under consideration, with specialized setbacks, site coverage, buildings heights, and site characteristics. The commonality with all four CDs is the inclusion of assisted living housing as a permitted use, a minimum parking ratio of 1 stall / 3 units, and density bonusing.

COMMENTS

Engineering Department

No Engineering concerns.

Fire Department

No Fire Department concerns.

Building Department

No concerns with rezoning.

<u>Planning Department</u>

This proposal involves text amendments to add the permitted uses to all R-4 and R-5 zoned parcels of land within the City. Currently, there is land with R-4 and R-5 zoning throughout the central residential area of the city (there are also currently 3 R-4 Zoned parcels in Canoe). These zones align with the Medium and High Density Residential Development areas designated by the OCP, thus development within these areas is subject to a Development Permit application to ensure that proposals meet the Residential Development Permit Area form and character guidelines.

Official Community Plan

In terms of general OCP policies, the Growth Management and Social Services policies both consider assisted living housing.

Under the topic of Growth Management, OCP policy 4.4.12 states that the City will continue to improve community services and quality of life through a range of actions including support continued cooperation in the provision of community facilities (e.g. community care, assisted living facilities). Under the OCP's Social Services Policies, 15.3.20 encourages the City to work in a cooperative and supportive capacity with federal, provincial, and non-profit service providers, while 15.3.22 recognizes that social issues may include affordable and accessible housing.

This proposal affects lands within the Medium and High Density Residential Development areas designated by the OCP. Generally speaking, these are lands in the core residential area of the city mostly south of the TCH corridor, but also affecting areas around the uptown commercial node and within Canoe. In terms of the OCP policies most relevant to residential lands and assisted living housing, the Urban Residential Objectives listed under Section 8.2 of the OCP are stated as to:

- 8.2.1 Provide opportunities for a variety of housing types and densities in appropriate locations to accommodate diverse lifestyles and needs.
- 8.2.2 Encourage and support affordable and special needs housing, including options for the community's diverse populations
- 8.2.3 Encourage residential development the will support strong neighbourhoods in compact communities.

Furthermore, OCP policies 8.3.9 and 8.3.11 provide density provisions for Assisted Living Housing on Medium and High Density Residential lands: up to 80 units per hectare of Assisted Living Housing are permitted within Medium Density areas, while up to 200 units of Assisted Living Housing per hectare are permitted within High Density areas. Staff are not suggesting a corresponding amendment to the R-4 and R-5 zone densities to match this provision, rather that Assisted Living Housing be afforded the same density bonus provisions already in place in those zones as described in the Motion for Consideration.

To achieve the higher densities for *Assisted Living Housing* envisioned by the OCP, staff suggest that a CD zone and associated Zoning application process would be the best procedure to carefully consider such densities with respect to the specific sites under application. This aligns with the procedure followed in the past for the current CD zones including the *Assisted Living Housing* use.

The proposed addition of uses to the R-4 and R-5 zones is consistent with OCP Policy. The same policies have been considered favourable to City staff and Council when supporting the comprehensive development zoning for the various existing *Assisted Living Housing* developments, which allow the use.

Assisted Living Housing Zoning

Assisted Living Housing and Dining Area are both defined land uses that have been included in the Zoning Bylaw since 2002. As envisioned by the OCP, it has been the intent of staff to include these uses in the corresponding R-4 and R-5 zones for some time.

The general approach towards proposals involving these uses up until this time has been to incorporate these uses into custom Comprehensive Development (CD) zones, with 4 such CD zones permitting Assisted Living Housing (staff note that additional forms of assisted living housing also currently exists on Institutionally zoned lands). Given the various specific site considerations involved in such developments, this approach has worked well, however staff feel that a more inclusive approach would be supportive given the context of the current housing market.

Restriction by Definition

A range of residential uses are presently permitted in the R-4 and R-5 zones including *duplexes* (only R-4), *triplexes* and *multiple family dwellings*. Given that *Assisted Living Housing* is not presently listed as a permitted use in either R-4 or R-5, as a defined term in the Zoning Bylaw it is restricted from these zones despite likely having a potentially similar form and character to the permitted residential uses.

The following residential uses and definitions of the Zoning Bylaw are provided to illustrate how these residential uses in the current R-4 and R-5 zones are regulated and restricted:

BOARDING HOME means a residential occupancy which is the operator's residence, in which the operator supplies, for a fee, lodging and may supply meals, for not more than eight [8] boarders, exclusive of the operator and immediate family. Lodging is limited to sleeping units with no cooking facilities. The operator may not provide meals to persons other than the boarders. The boarders are intended to be independent persons who do not require care.

DUPLEX means any building divided into two dwelling units.

MULTIPLE FAMILY DWELLING means any building consisting of four or more dwelling units.

ROOMING HOUSE means a building of residential occupancy (as defined by the B.C. Building Code) in which the operator supplies, for a fee, lodging and may supply meals, for up to 12 boarders. Lodging is limited to sleeping units with no cooking facilities. The operator may not provide meals to persons other than the boarders. The boarders are intended to be independent persons who do not require care. A dwelling unit for the operator is permitted as an accessory use within the rooming house building. The property owner or operator must reside on-site.

TRIPLEX means any building divided into three dwelling units.

Considering the above definitions, it can be seen that Assisted Living Housing is a complimentary residential use that may further serve the needs of the community, aligned with the existing permitted uses of residential lands in the R-4 and R-5 zones.

Development Permit

All of the parcels currently zoned R-4 and R-5 are included within the Residential Development Permit Area of the OCP. This Development Permit Area as described within the OCP provides form and character guidelines for development. Any significant redevelopment or future development within current R-4 and R-5 zones resulting from this proposed zoning amendment would require submission of a Development Permit Application to ensure these guidelines are met.

CONCLUSION

The proposed addition of the uses to the R-4 and R-5 zones is consistent with the OCP and is therefore supported by staff. This proposal will further enable supportive residential uses within existing residential areas of the City in closest proximity to existing services.

Chris Larson, MCP

Planning and Development Officer

Kevin Pearson, MCIP, RPP

Director of Development Services

SECTION 9 - R-4 - MEDIUM DENSITY RESIDENTIAL ZONE

Purpose

#2789 #3740

#2739

#1082

#3082

#2782

[]

9.1 The purpose of the R-4 Zone is to provide for medium density, multiple family and small lot single family residential developments. New multiple family developments zoned R-4 shall be required to obtain a Development Permit as per the requirements of the Official Community Plan, and shall comply with the provisions of the Fire Services Act, British Columbia Building Code, and other applicable legislation.

Regulations

9.2 On a parcel zoned R-4, no building or structure shall be constructed, located or altered and no plan of subdivision approved which contravenes the regulations set out in the R-4 Zone or those regulations contained elsewhere in this Bylaw.

Permitted Uses

- 9.3 The following uses and no others are permitted in the R-4 Zone:
 - .1 bed and breakfast in a single family dwelling, limited to two let rooms;
 - .2 boarders, limited to two;
 - .3 boarding home;
 - .4 commercial daycare facility;
 - .5 duplexes;
 - .6 family childcare facility;
 - .7 group childcare;
 - .8 home occupation;
 - .9 multiple family dwellings;
 - .10 public use;
 - .11 public utility;
 - .11 single family dwelling;
 - .12 triplexes;
 - .13 accessory use.

Maximum Height of Principal Buildings

9.4 The maximum *height* of a principal buildings shall be 10.0 metres (32.8 feet). This may be increased to 13.0 metres (42.7 ft.), via the Development Permit process, if any of the special amenity(ies) in Table 2 are provided.

Maximum Height of Accessory Buildings

9.5 The maximum *height* of an accessory *building* shall be 6.0 metres (19.7 feet).

SECTION 9 - R-4 - MEDIUM DENSITY RESIDENTIAL ZONE - CONTINUED

Maximum Parcel Coverage

The total maximum parcel coverage for principal and accessory buildings shall be 55% of the parcel area, of which 10% shall be the maximum parcel coverage for accessory buildings.

Minimum Parcel Area

- 9.7 .1 The minimum parcel area for a single family dwelling shall be 300.0 square metres (3,229.3 square feet).
 - The minimum parcel area for a duplex shall be 600.0 square metres (6,458.6 square feet).
 - .3 The minimum *parcel area* for all other uses shall be 900.0 square metres (9,687.8 square feet).

Minimum Parcel Width

- 9.8 .1 The minimum parcel width shall be 30.0 metres (98.5 feet).
 - Notwithstanding Section 9.8.1, the minimum *parcel width* for a *single family* lot shall be 10.0 metres (32.8 feet).
 - .3 Notwithstanding Section 9.8.1, the minimum parcel width for a stacked duplex lot shall be 14.0 metres (45.9 feet).
 - .4 Nothwithstanding Section 9.8.1, the minimum *parcel width* for a side-by-side *duplex* lot shall be 20.0 metres (65.6 feet)).

Minimum Setback of Principal Buildings

9.9 The minimum setback of principal buildings from the:

.l	Front parcel line
----	-------------------

- adjacent to a <i>highway</i> shall be	5.0 metres (16.4 feet)
- adjacent to an access route shall be	2.0 metres (6.6 feet)

.2 Rear parcel line

#3475

adjacent to a parcel zoned

R-4 shall be	3.0 metres (9.8 feet)
- all other cases shall be	5.0 metres (16.4 feet)

.3 Interior side parcel line

- adjacent to a parcel zoned

R-4 shall be 1.2 metres (3.9 feet)
- all other cases shall be 1.8 metres (5.9 feet)

.4 Exterior side parcel line

- adjacent to a *highway* shall be 5.0 metres (16.4 feet) adjacent to an *access route* shall be 2.0 metres (6.6 feet)

.5 Minimum separation between residential buildings on the same lot of not more than one storey in height shall be

1.5 metres (4.9 feet)

.6 Minimum separation between residential buildings on the same lot of more than one storey in height shall be

3.0 metres (9.8 feet)

SCHEDULE "A" TO ZONING BYLAW NO. 2303, 1995

SECTION 9 - R-4 - MEDIUM DENSITY RESIDENTIAL ZONE - CONTINUED

- .7 Notwithstanding Sections 9.9.2 and 9.9.3, a principal building on a corner parcel may be sited not less than 1.5 metres (4.9 feet) from the rear parcel line provided the combined total of the rear and interior side yards shall be not less than 6.0 metres (19.7 feet).
- .8 Refer to Section 4.9 for "Special Building Setbacks" which may apply.

Minimum Setback of Accessory Buildings

9.10 The minimum setback of accessory buildings from the:

.1	Front parcel line shall be	5.0 metres (16.4 feet)
.2	Rear parcel line shall be	1.0 metre (3.3 feet)
.3	Interior side parcel line shall be	0.6 metre (1.9 feet)
.4	Exterior side parcel line shall be	5.0 metres (16.4 feet)

.5 Refer to "Pound and Animal Control Bylaw" for special setbacks which may apply.

Maximum Density

#2816

#2811

, #2789 9.11

Note: The following *density* provisions are based on the *gross parcel area*. Parking requirements, *setback* requirements, road dedication, etc. have not been taken into consideration.

- .1 The maximum density shall be a total of 40 dwelling units or sleeping units per hectare (16.2 dwelling units or sleeping units per acre).
 - .2 Notwithstanding Section 9.11.1, the maximum density in the R-4 Zone may be increased to a maximum of 50 dwelling units per hectare (20.2 units per acre) in accordance with Table 2. In Table 2, Column I sets out the special amenity to be provided and Column II sets out the added density assigned for the provision of each amenity.

SECTION 9 - R-4 - MEDIUM DENSITY RESIDENTIAL ZONE - CONTINUED

TABLE 2

COLUMN I SPECIAL AMENITY TO BE PROVIDED	COLUMN II ADDED DENSITY
Provision of each dwelling unit which caters to the disabled (e.g. wheelchair access)	■ 2 units per hectare (0.8 units per acre)
2. Provision of commercial daycare facility	
7 - 10 children 11 - 15 children 16 or more children	 3 units per hectare (1.2 units per acre) 4 units per hectare (1.6 units per acre) 7 units per hectare (2.8 units per acre)
Provision of below <i>grade</i> or parkade type parking for at least 50% of the required off street parking	■ 10 units per hectare (4.0 units per acre)
4. Provision of each rental dwelling unit	■ 2 units per hectare (0.8 units per acre)
5. Provision of affordable rental dwelling units in accordance with special agreement under Section 904	■ 5 units per hectare (2.0 units per acre)

Maximum Floor Area Ratio

9.12 The maximum floor area ratio of a single family dwelling shall be 0.65.

Parking

9.13 Parking shall be required as per Appendix I.

SECTION 10 - R-5 - HIGH DENSITY RESIDENTIAL ZONE

Purpose

#2789

#2789

#2782

#2789

#3286

10.1 The purpose of the R-5 Zone is to provide for high density, multiple family residential development in selected locations throughout the Municipality. New developments zoned R-5 shall be required to obtain a Development Permit as per the requirements of the Official Community Plan, and shall comply with the provisions of the Fire Services Act, British Columbia Building Code, and other applicable legislation.

Regulations

10.2 On a parcel zoned R-5, no building or structure shall be constructed, located or altered and no plan of subdivision approved which contravenes the regulations set out in the R-5 Zone or those regulations contained elsewhere in this Bylaw.

Permitted Uses

- 10.3 The following uses and no others are permitted in the R-5 Zone:
 - .1 boarders, limited to two;
 - .2 boarding home;
 - .3 commercial daycare facility;
- .4 home occupation;
 - .5 multiple family dwellings;
 - .6 public use;
 - .7 public utility;
 - .8 rooming house;
 - .9 triplex;
 - .10 accessory use.

Maximum Height of Principal Building

10.4 The maximum *height* of the *principal buildings* shall be 12.0 metres (39.4 feet). This may be increased to 15.0 metres (49.2 ft.), via the Development Permit process, if any of the special amenity(ies) in Table 3 are provided.

Maximum Height of Accessory Building

10.5 The maximum *height* of an accessory *building* shall be 6.0 metres (19.7 feet).

Maximum Parcel Coverage

- The total maximum parcel coverage for principal and accessory buildings shall be 55% of the parcel area, of which 10% shall be the maximum parcel coverage for accessory buildings.
 - .2 The above *parcel coverage* may be increased to 70% of the *parcel area* if all requisite parking, except for visitors, is provided underground.

SECTION 10 - R-5 - HIGH DENSITY RESIDENTIAL ZONE - CONTINUED

Minimum Parcel Area

10.7 The minimum parcel area shall be 775.0 square metres (8,342.3 square feet).

Minimum Parcel Width

10.8 The minimum parcel width shall be 30.0 metres (98.5 feet).

Minimum Setback of Principal Buildings

10.9 The minimum setback of buildings from the:

.1	Front parcel line shall be	5.0 metres (16.4 feet)
.2	Rear parcel line shall be	5.0 metres (16.4 feet)
.3	Interior side parcel line shall be	2.4 metres (7.8 feet)
.4	Exterior side parcel line shall be	5.0 metres (16.4 feet)
5	Refer to Section 4.0 for "Special Buildi	na Sethacke" which may anni

.5 Refer to Section 4.9 for "Special Building Setbacks" which may apply.

Minimum Setback of Accessory Buildings

10.10 The minimum setback of accessory buildings from the:

.1	Front parcel line shall be	5.0 metres (16.4 feet)
.2	Rear parcel line shall be	1.0 metre (3.3 feet)
.3	Interior side parcel line shall be	1.0 metre (3.3 feet)
.4	Exterior side parcel line shall be	5.0 metres (16.4 feet)

.5 Refer to "Pound and Animal Control Bylaw" for special setbacks which may apply.

Maximum Density

#2811

1185#

Note: The following *density* provisions are based on the *gross parcel area*. Parking requirements, *setback* requirements, road dedication, etc. have not been taken into consideration.

- The maximum density shall be a total of 100 dwelling units or sleeping units per hectare (40.5 dwelling units or sleeping units per acre).
 - .2 Notwithstanding Section 10.11.1, the maximum *density* in the R-5 Zone may be increased to a maximum of 130 *dwelling units* per hectare (52.6 units per acre) in accordance with Table 3. In Table 3, Column I sets out the special amenity to be provided and Column II sets out the added *density* assigned for each amenity.

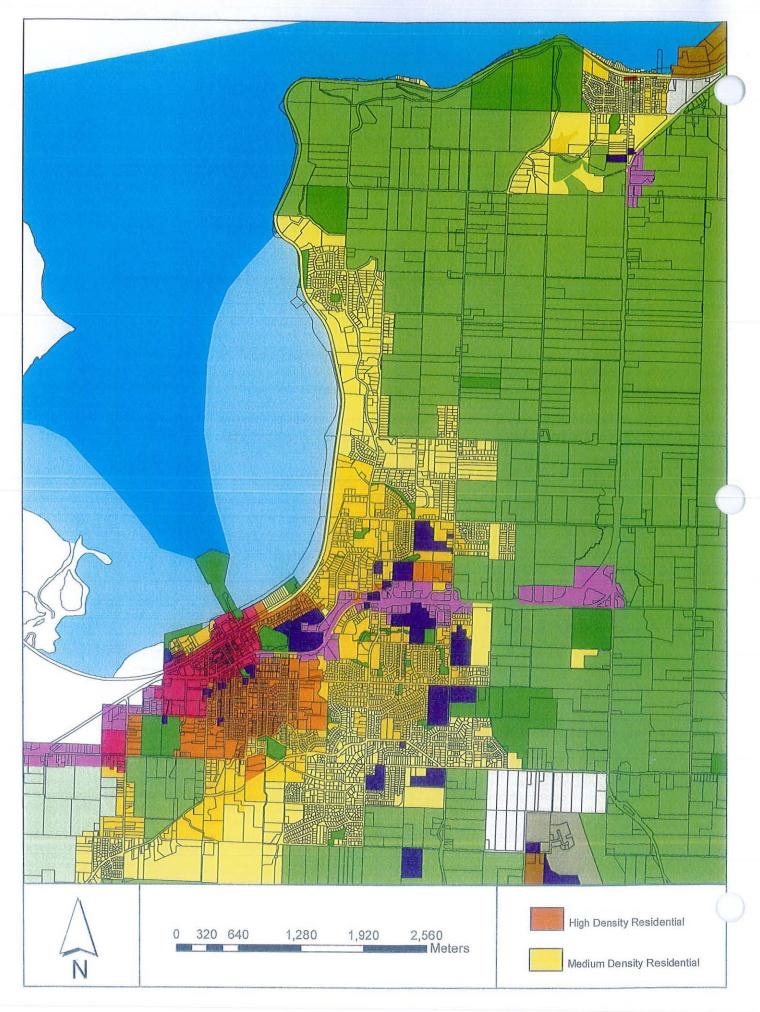

SECTION 10 - R-5 - HIGH DENSITY RESIDENTIAL ZONE - CONTINUED

SECTION 39 - CD-1 - COMPREHENSIVE DEVELOPMENT ZONE - 1

Purpose

39.1 The CD-1 Zone is intended to accommodate and regulate the development of an assisted living seniors centre with accessory commercial uses based on a comprehensive development plan. New developments zoned CD-1 shall be required to obtain a Development Permit in accordance with the requirements of the Official Community Plan.

Regulations

39.2 On a parcel zoned CD-1, no building or structure shall be constructed, located or altered and no plan of subdivision approved which contravenes the regulations set out in the CD-1 Zone or those regulations contained elsewhere in this Bylaw.

Permitted Uses

- The following uses and no others are permitted in the CD-1 Zone: 39.3
 - .1 assisted living housing;
 - ,2 home occupation;
 - .3 multiple family dwellings;
 - .4 public use;
 - .5 public utility;
 - .6 Assisted Living Commercial to a maximum of 10% of total gross floor area;
 - .7 accessory use.

Maximum Height of Principal Building

39.4 The maximum height of the principal buildings shall be 12,0 metres (39.4 feet).

Maximum Height of Accessory Building

39.5 The maximum height of an accessory building shall be 6.0 metres (19.7 feet).

Maximum Parcel Coverage

39.6 The total maximum parcel coverage for principal and accessory buildings shall be 40% of the parcel area.

Minimum Parcel Area

39.7 The minimum parcel area shall be 4,800.0 square metres (51,668 square feet).

SECTION 39 - CD-1 - COMPREHENSIVE DEVELOPMENT ZONE - 1

Minimum Parcel Width

39.8 The minimum parcel width shall be 35.0 metres (114.8 feet).

Minimum Setback of Principal Buildings

39.9 The minimum setback of buildings from the:

.1	Front parcel line shall be	5,0 metres (16.4 feet)
.2	Rear parcel line shall be	5.0 metres (16.4 feet)
.3	Interior side parcel line shall be	2.4 metres (7.8 feet)
.4	Exterior side parcel line shall be	5.0 metres (16.4 feet)
.5	Refer to Section 4.9 for "Special Buildi	ng Setbacks" which may apply.

Minimum Setback of Accessory Buildings

39.10 The minimum setback of accessory buildings from the:

.1	Front parcel line shall be	5,0 metres (16.4 feet)
.2	Rear parcel line shall be	1.0 metre (3.3 feet)
.3	Interior side parcel line shall be	1.0 metre (3.3 feet)
.4	Exterior side parcel line shall be	5.0 metres (16.4 feet)
5	Refer to "Pound and Animal Control P	vlaw" for enecial cethacks which may ar

.5 Refer to "Pound and Animal Control Bylaw" for special setbacks which may apply.

Maximum Density

#3194

#3194

- 39.11 Note: The following *density* provisions are based on the *gross parcel area*. Parking requirements, *setback* requirements, road dedication, etc. have not been taken into consideration.
- .1 The maximum *density* shall be a total of 100 *dwelling units* per hectare (40.5 *dwelling units* per acre).
- Notwithstanding Section 39.11.1, the maximum density in the CD-1 Zone may be increased to a maximum of 200 units per hectare (81 units per acre) for Assisted Living Housing.

SECTION 39 - CD-1 - COMPREHENSIVE DEVELOPMENT ZONE - 1

Parking and Loading

- 39.12 Parking and loading shall be required as per Appendix I.
 - Notwithstanding the provisions of Appendix I, the number of off-street parking stalls .1 required is calculated according to the following:
 - Assisted Living Commercial -1.0 spaces per 35 square metres .1
 - .2 Seniors Dwelling Units 1.0 space per 3 units
 - Upper Floor Dwelling Units .3
 - 1.0 space per unit .4 Manager's Suite 1.0 space per unit

Purpose

40.1 The CD-2 Zone accommodates and regulates the development of a seniors' oriented Assisted Living Housing complex based on a comprehensive development plan. Proposed developments zoned CD-2 shall be required to obtain a Development Permit in accordance with the requirements of the Official Community Plan.

Regulations

40.2 On a parcel zoned CD-2, no building or structure shall be constructed, located or altered and no plan of subdivision shall be approved which contravenes the regulations set out in the CD-2 Zone or those regulations contained elsewhere in this Bylaw.

Permitted Uses

- 40.3 The following uses and no others are permitted in the CD-2 Zone:
 - .1 assisted living housing;
 - .2 home occupation;
 - .3 public use;
 - .4 public utility; and
 - ,5 accessory use.

Maximum Height of Principal Building

40.4 The maximum height of the principal building shall be 16.53 metres (54.25 feet).

Maximum Height of Accessory Building

40.5 The maximum height of an accessory building shall be 6.0 metres (19.7 feet).

Maximum Parcel Coverage

40.6 The total maximum *parcel coverage* for principal and accessory *buildings* shall be 25% of the *parcel area*.

Minimum Parcel Area

40.7 The minimum parcel area shall be 4,900.0 square metres (52,745 square feet).

Minimum Parcel Width

40.8 The minimum parcel width shall be 50.0 metres (164.0 feet).

27 SECTION 40 - CD-2 - COMPREHENSIVE DEVELOPMENT ZONE - 2 cont'd

Minimum Setback of Principal Building

- 40.9 The minimum setback of the principal building from the:
 - .1 Front parcel line shall be 5.0 metres (16.4 feet);
 - .2 Rear parcel line shall be 44.36 metres (145.56 feet);
 - .3 Interior side parcel line shall be 4.0 metres (13.1 feet);
 - .4 Exterior side parcel line shall be 5.0 metres (16.4 feet);
 - .5 Refer to Section 4.9 for "Special Building Setbacks" which may apply.

Minimum Setback of Accessory Buildings

- 40.10 The minimum setback of accessory buildings from the:
 - .1 Front parcel line shall be 3.0 metres (11.5 feet);
 - .2 Rear parcel line shall be 1.0 metres (3.3 feet);
 - .3 Interior side parcel line shall be 1.0 metres (3.3 feet);
 - .4 Exterior side parcel line shall be 5.0 metres (16.4 feet);
 - .5 Refer to "Pound and Animal Control Bylaw" which may apply.

Maximum Density

- 40.11 Explanatory Note: The following *density* provisions are based on the *gross parcel area*. Parking requirements, *setback* requirements, road dedication, etc. have not been taken into consideration.
 - .1 The maximum *density* shall be a total of 125 *Assisted Living Housing* units per hectare (50 units per acre).

Parking and Loading

40.12 Parking and loading shall be required as per Appendix I.

¥3428

SECTION 42 - CD-4 - COMPREHENSIVE DEVELOPMENT ZONE - 4

Purpose

42.1 The purpose of the CD-4 Zone is to accommodate the development of assisted living housing on small parcels designated High Density Residential in the Official Community Plan. New development proposals require a Development Permit in accordance with the Residential Development Permit Area Guidelines of the Official Community Plan, and shall comply with the provisions of the British Columbia Building and Fire Codes, and any other applicable legislation.

Regulations

42.2 On a parcel zoned CD-4, no building or structure shall be constructed, located or altered and no plan of subdivision shall be approved which contravenes the regulations set out in the CD-4 Zone or those regulations contained elsewhere in this Bylaw.

Permitted Uses

- 42.3 The following uses and no others are permitted in the CD-4 Zone
 - .1 assisted living housing;
 - .2 public use;
 - .3 public utility;
 - .4 rest home; and
 - .5 accessory use, including a managers suite.

Maximum Building Height

42.4 The maximum building height shall be 12.0 metres (39.4 feet).

Maximum Parcel Coverage

42.5 The maximum parcel coverage for all buildings shall be 55% of the parcel area.

Minimum Parcel Area

41.6 The minimum parcel area shall be 1,050.0 square metres (11,302.4 square feet).

Minimum Parcel Width

42.7 The minimum parcel width shall be 30.0 metres (98.4 feet).

SECTION 42 - CD-4 - COMPREHENSIVE DEVELOPMENT ZONE - 4 cont'd

Minimum Setback of Principal Buildings

- 42.8 The minimum setback of a building from the:
 - .1 Front parcel line shall be 3.0 metres (9.8 feet)
 - .2 Rear parcel line shall be 3.0 metres (9.8 feet)
 - .3 Interior side parcel line shall be 1.5 metres (4.8 feet)
 - .4 Exterior side parcel line shall be 3.0 metres (9.8 feet)
 - .5 Refer to Section 4.9 for "Special Building Setbacks" which may apply.

Maximum Density

42.9 The maximum density shall be 200 units per hectare (80 units per acre).

Parking

42.10 Parking shall be required as per Appendix I.

#3905 SECTION 52 - CD-14 - COMPREHENSIVE DEVELOPMENT ZONE - 14

Purpose

52.1 The purpose of the CD-14 Zone is to accommodate the development of assisted living housing on land legally described as Lot 1, Section 24, Township 20, Range 10, W6M, KDYD, Plan 39456, Except Plans KAP57773 and EPP1245 (Civic Address: 2110 Lakeshore Road NE). Development within the CD-14 Zone shall be subject to the relevant Development Permit Area Guidelines of the Official Community Plan.

Regulations

52.2 On a parcel zoned CD-14, no building or structure shall be constructed, located or altered and no plan of subdivision approved which contravenes the regulations set out in the CD-14 Zone or those regulations contained elsewhere in this Bylaw.

Permitted Uses

- 52.3 The following uses and no others are permitted in the CD-14 Zone:
 - .1 assisted living housing
 - .2 public utility
 - .3 private utility
 - 4 public use
 - .5 accessory use

Maximum Height of Principal Building

52.4 The maximum height of a principal building shall be 10.0 metres (32.8 feet).

Maximum Height of Accessory Buildings

52.5 The maximum *height* of an accessory *building* shall be 6.0 metres (19.7 feet).

Maximum Parcel Coverage

52.6 The maximum parcel coverage for all buildings shall be 55% of the parcel area.

Minimum Parcel Area

52.7 The minimum parcel area shall be 0.70 hectares (1.72 acres).

#3905 SECTION 52 - CD-14 - COMPREHENSIVE DEVELOPMENT ZONE - 14 - CONT'D

Minimum Setbacks for Buildings

52.8 The minimum setback of all buildings from:

.1	The front parcel line shall be	5.0 metres (16.4 feet)
.2	The rear parcel line shall be	5.0 metres (16.4 feet)
.3	An exterior parcel line shall be	5.0 metres (16.4 feet)
,4	An <i>interior parcel line</i> shall be	3.0 metres (9.8 feet)

.5 Refer to Section 4.9 for "Special Building Setbacks" which may apply.

52.9 Maximum Density

The maximum density shall not exceed 64 assisted living housing units.

Outside Storage

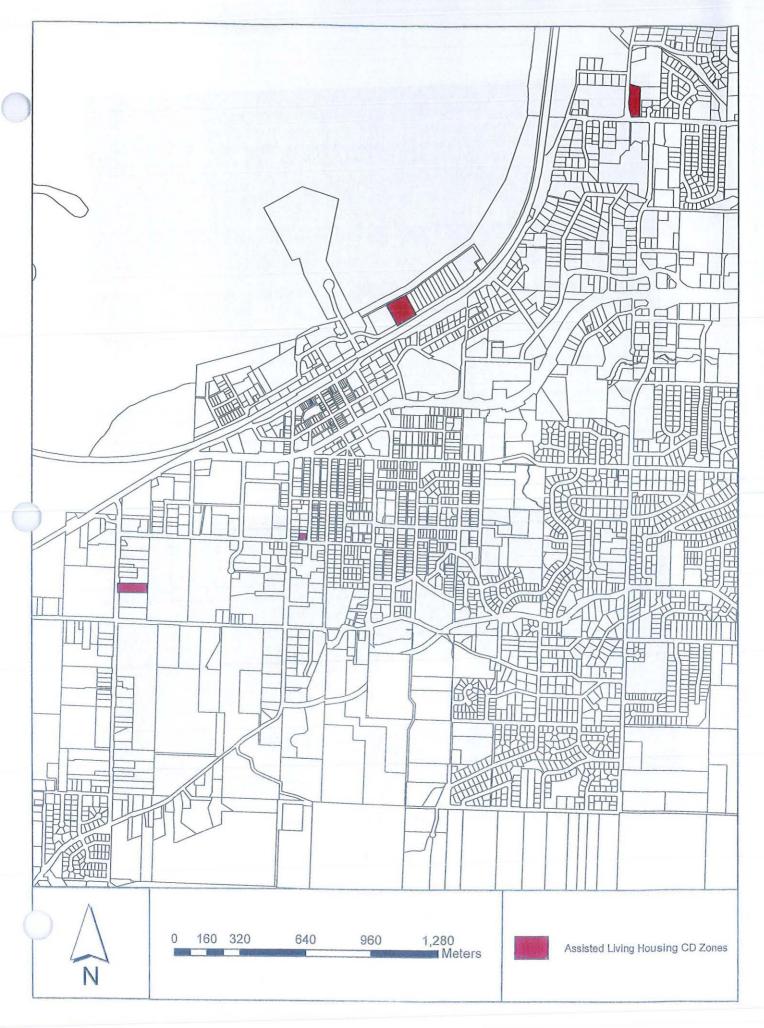

52.10 Outside storage shall be screened as per Appendix III or as approved by a Development Permit.

Parking and Loading

52.11 Parking and loading shall be required as per Appendix I and as follows:

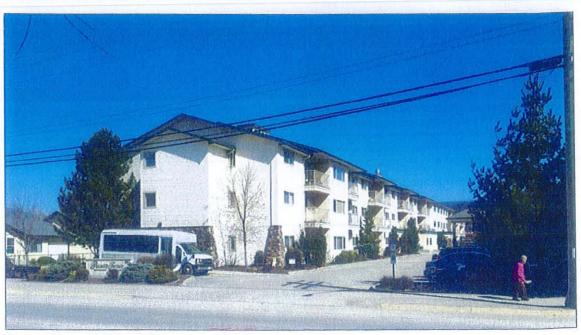

assisted living housing

0.70 stall per unit

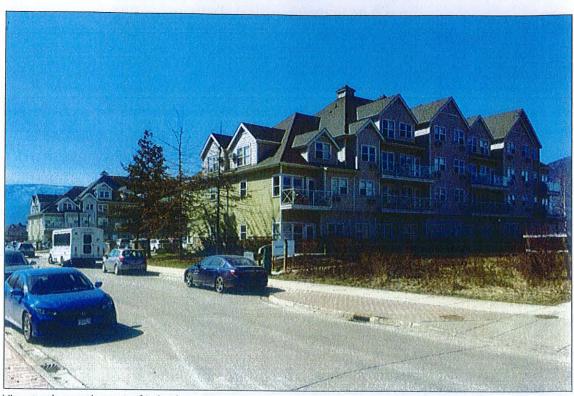

View to the north-west of Lander's Lodge.

View north-east of Piccadilly terrace.

View to the north-west of Lakeshore Manor.

View north of Andover Terrace.

April 8, 2019

BC Housing understands that supportive housing, as congregate housing providing daily common meal preparation using commercial cooking facilities, dining area and laundry facilities, with health services accommodated on-site including individualized case planning to further develop life and social skills such as employment planning and managing the transition to independence and recovery, would fit under the proposed definition of Assisted Living Housing to be included in the R-5 zone:

Assisted Living Housing means:

housing intended for both independent and semi-independent living in the form of either congregate housing, dwelling units, sleeping units, or any combination thereof, within which is provided for the exclusive use of the occupants, their families and guests, daily common meal preparation using commercial cooking facilities, dining area and laundry facilities. Assisted living housing may or may not accommodate health services such as nursing care, home support, rehabilitative and transportation services.

Please see the attached *Addressing Homelessness Through Supportive Housing* for more information about how supportive housing operates throughout the province.

Addressing Homelessness with Supportive Housing

The 2018 Report on Homeless Counts identified more than **7,655 people** experiencing homelessness across the province. That's why the Province is investing \$291 million to build over 2,000 modular supportive housing units across B.C. for people who are homeless or at risk of homelessness. People living on the street and in shelters will get priority for this initiative. All new modular housing buildings in the province are being provided with around-the-clock staffing to help young people, people with disabilities, seniors, and others in critical housing need.

What is supportive housing?

Supportive housing is an opportunity for people to leave the streets and shelter system for safe and stable housing, towards improved quality of life. Supportive housing is a self-contained studio home with supports provided on-site, to ensure people can achieve and maintain housing stability.

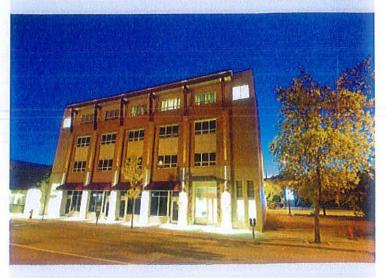

Supports include outreach workers, wellness checks, life skills training, employment assistance, connection and referral to community services and support groups. Residents have access to counselling, as well as health, mental health, and addiction recovery services through local health authorities. All residents pay rent.

BC Housing works in partnership with local municipalities, health authorities, and non-profits to address homelessness.

Cardington Apartments

Kelowna's Cardington Apartments opened in 2008, in a residential-commercial mix neighbourhood. It is 30 self-contained homes operated by the John Howard Society of the Central and South Okanagan.

When Cardington Apartments first opened, there were some complaints from neighbours as on-site support levels were still being worked out. Once the level of on-site support service was adjusted, there were few complaints from neighbours. Today, the building has a good reputation in the neighbourhood. Neighbours look out for tenants when they are out and about in the neighbourhood, as well as homeless people camping out in the area. Neighbours often bring donations by and help with fundraising. A nearby business offered free services to tenants. Residents feel comfortable accessing nearby businesses, such as the pharmacy.

Resident selection process

Each potential resident is considered on an individual basis to ensure that the housing and supports provided by the program match the services they need. Residents are chosen by means of a thorough and coordinated assessment process. Offers are made following meetings where outreach, housing, and regional health authorities work with BC Housing's coordinated access team to assess the applicants for suitability.

Staffing requirements

Professional, trained staff are available 24 hours a day, seven days a week. The training required by BC Housing includes:

- Crisis prevention
- First Aid/CPR
- · Mental health first aid
- · Domestic violence and safety planning
- Substance use awareness and safety
- · Trauma-informed training
- Naloxone intervention

Individualized support plans

Supportive housing includes developing a residentfocused and mutually agreed upon plan to assist a resident to move forward with their lives and integrate more fully into their community. Case Planning includes an explanation of available options, identification of goals, how the operator can support the resident, and the benefits of planned services. Appendix 8: BC Housing Letters and Fact Sheet

Community safety

We are committed to building a safe community both inside and outside the housing with:

Experience: Housing is operated by experienced non-profit housing providers,

Staffing: Staff are onsite 24/7 to support residents, manage building, be available to respond directly to any related concerns that arise in a timely manner.

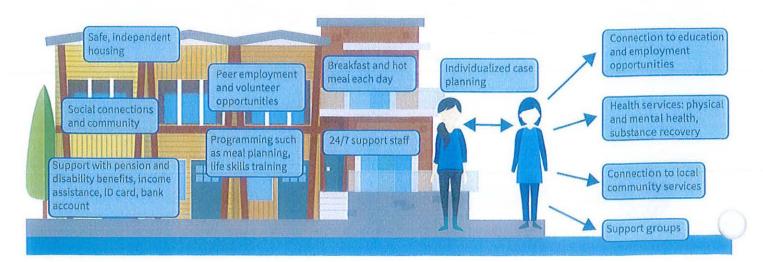

Resident Mix: Residents are selected based on ability of staff to provide right level of support to all.

Property Maintenance: Regular sweeps of property and immediate area ensure cleanliness.

Design Features: Optimized lighting, security cameras, fob access only, staffed reception, contained outdoor space for smoking and dog walking, are typical design features for each development.

Agreements: Residents sign program agreement around expectations.

Community Advisory Committee: Non-profit operators develop a Community Advisory Committee to mitigate and address any related issues or concerns that come forward, with representation from partners and key stakeholders, such as BC Housing, local health authority, city staff, local businesses, community organizations, and community members. Many of the modular Community Advisory Committees have started to reduce their meeting length and times due to a lack of issues and concerns being raised.

Neighbourhood Consultation Letter. Mailed to all properties within 200 m of 250 5 Avenue SW.

THIS IS THE ADDRESS SALMON ARM, BC 123-456

April 8, 2019

Hello neighbour,

We are writing to let you know that Canadian Mental Health Association – Shuswap / Revelstoke Branch (CMHA), through the support of BC Housing, is in the process of purchasing the property at 250 5th Avenue South West in Salmon Arm. BC Housing will be building approximately 70 units of affordable rental housing for families, seniors and people with disabilities. The housing will be operated by CMHA.

In addition, to respond to the local need for housing with supports for people experiencing homelessness, BC Housing is currently exploring the opportunity to build approximately 40 additional units with on-site supports, at 250 5th Avenue South West. When considering locations for supportive housing, BC Housing looks for proximity to community services (commercial and recreational activities); accessibility to transit; adequate lot size; connections to utilities; compatible land use policies. People without homes are already living in our community – supportive housing would give people a home, access to a range of supports and communal interior and exterior living space. They would no longer need to live in camps, on the streets, in parks, in cars, in shelters. Learn more about supportive housing at: www.bchousing.org/community-supportive-housing

The City of Salmon Arm will be bringing forward a Bylaw Amendment to allow Assisted Living in R-5 zoning throughout the community, including at 250 5th Avenue South West. BC Housing understands that supportive housing, as congregate housing providing daily common meal preparation using commercial cooking facilities, dining area and laundry facilities, with health services accommodated on-site including individualized case planning to further develop life and social skills such as employment planning and managing the transition to independence and recovery, would fit under the proposed definition of Assisted Living Housing to be included in the R-5 zone:

Assisted Living Housing means:

housing intended for both independent and semi-independent living in the form of either congregate housing, dwelling units, sleeping units, or any combination thereof, within which is provided for the exclusive use of the occupants, their families and guests, daily common meal preparation using commercial cooking facilities, dining area and laundry facilities. Assisted living housing may or may not accommodate health services such as nursing care, home support, rehabilitative and transportation services.

We will reach out to the community again once the project moves forward. In the meantime, we welcome questions and comments to communityrelations@bchousing.org.

SENT VIA ELECTRONIC SUBMISSION

April 17, 2019

City of Salmon Arm Box 40, 500 - 2 Avenue NE, Salmon Arm BC V1E 4N2

Re: Request for DCCs Subsidy for the Affordable Housing Project at 250 5th Ave SW, Salmon Arm

Dear Mayor and Council,

The purpose of this letter is to request assistance from the City of Salmon Arm (the City) in payment of some or all of the required DCCs for the project at 250 5th Avenue SW in Salmon Arm. Canadian Mental Health Association (CMHA) Shuswap/Revelstoke, in partnership with a local developer and BC Housing, is looking to develop an affordable and supportive housing project on this site.

Recently, the Canadian Mental Health Association — Shuswap / Revelstoke Branch (CMHA), were approved funding from BC Housing to purchase the site at 250 5th Avenue SW, to develop approximately 70 units of affordable rental housing for families, seniors and people with disabilities. While the City of Salmon has approved a development permit for a 97-unit development, the proposed project will include a total of 105-units as BC Housing is currently exploring the opportunity to build approximately 40 additional units with on-site supports on the same property.

The project received rezoning and development permit approval in 2018. Construction of the two affordable housing buildings is expected to begin in July 2019. We understand that the City does not waive DCCs for projects, but financially supports affordable housing projects through grant funding from the Affordable Housing Reserve Fund to encourage these projects and support non-profit organizations. Based on the project information included in this letter (see attached **Appendix A**) the expected DCCs for this project will be \$636,722.55.

This project is an opportunity to create an impactful partnership and leverage resources to achieve successful project outcomes for the community. Specifically, this project will help to increase and diversify high-quality affordable and supportive housing in Salmon Arm to meet the needs of several target tenant groups. We look forward to discussing our request further and continuing to work with the City to increase the affordable housing stock in Salmon Arm.

Sincerely,

Devan Cronshaw, Project Planner

M'akola Development Services E: dcronshaw@makoladev.com

Assisted living unit without a kitchen	\$ 3,465.31	0	\$ 0.00
Unit less than 29 m2 of floor area	\$ 0.00	0	\$ 0.00
Total		105	\$ 636,752.55

CITY OF SALMON ARM

BYLAW NO. 4336

A bylaw to amend "District of Salmon Arm Zoning Bylaw No. 2303"

WHEREAS notice of a Public Hearing to be held by the Council of the City of Salmon Arm in the Council Chambers at City Hall, 500 – 2 Avenue NE, Salmon Arm, British Columbia, on , 2019 at the hour of 7:00 p.m. was published in the and , 2019 issues of the Salmon Arm Observer;

AND WHEREAS the said Public Hearing was duly held at the time and place above mentioned;

NOW THEREFORE, the Council of the City of Salmon Arm in open meeting assembled enacts as follows:

- 1. District of Salmon Arm Zoning Bylaw No. 2303 is hereby amended as follows:
 - 1. Section 9.3 Add the defined terms Assisted Living Housing and Dining Area to the list of Permitted Uses in the R-4 Medium Density Residential Zone and renumber the balance of Section 9.3 accordingly;
 - 2. Section 9.11 Add a new Section 9.11.3 which would state: Notwithstanding Section 9.11.1, the maximum *density* in the R-4 *Zone* may be increased to a maximum of 50 *dwelling units* per hectare (20.2 units per acre) for the provision of *Assisted Living Housing*;
 - 3. Section 10.3 Add the defined terms *Assisted Living Housing* and *Dining Area* to the list of Permitted Uses in the R-5 High Density Residential Zone and renumber the balance of Section 10.3 accordingly; and
 - 4. Section 10.11 Add a new Section 10.11.3 which would state: Notwithstanding Section 10.11.1, the maximum *density* in the R-5 *Zone* may be increased to a maximum of 130 *dwelling units* per hectare (52.6 units per acre) for the provision of *Assisted Living Housing*.

2. SEVERABILITY

If any part, section, sub-section, clause of this bylaw for any reason is held to be invalid by the decisions of a Court of competent jurisdiction, the invalid portion shall be severed and the decisions that it is invalid shall not affect the validity of the remaining portions of this bylaw.

CORPORATE OFFICER

3. ENACTMENT

Any enactment referred to herein is a reference to an enactment of British Columbia and regulations thereto as amended, revised, consolidated or replaced from time to time.

4. EFFECTIVE DATE

This bylaw shall come into full force and effect upon adoption of same.

5. CITATION

This bylaw may be cited as "City of Salmon Arm Zoning Amendment Bylaw No. 4336".

SALMONARM

TO:

His Worship Mayor Harrison and Council

DATE:

April 17, 2019

SUBJECT:

Amendment to City of Salmon Arm Industrial Revitalization Tax

Exemption Bylaw No. 4020

MOTION FOR CONSIDERATION:

THAT: the bylaw cited as "City of Salmon Arm Industrial Revitalization Tax Exemption Amendment Bylaw No. 4337 be read a first, second and third time.

AND THAT: final reading be withheld subject to fulfillment of the public notice requirement as set out under sections 94 [public notice] and 227 [notice of permissive tax exemptions] of the Community Charter.

BACKGROUND:

Revitalization tax exemptions are a tool that Councils may use to encourage various types of revitalization to achieve a range of objectives. A revitalization program may apply to a small area or areas, a certain type of property or properties, a particular activity or circumstance related to a property or properties, or an entire municipality.

City of Salmon Arm Industrial Revitalization Tax Exemption Bylaw No. 4020 (attached as APPENDIX A) was adopted on June 23, 2014 for a 5 year period and applies to:

- the construction of a new improvement where the value of the new construction referred to in the building permit has a value in excess of \$300,000.00;
- the alteration of an existing improvement where the alteration referred to in the building permit has a value in excess of \$300,000.00, and

when the Property is located within the Industrial Revitalization Area as set out on Schedule "A".

The amount exempted under Bylaw No. 4020 is based on the tax (excluding specified area levies) attributed to any increase in the assessed value of improvements on the Property which is connected to a building permit issued as a result of new construction or the alteration to an existing improvement, as follows:

i)	Year 1 - 5	Total Amount
ii)	Year 6	Total Amount less 20%
iii)	Year 7	Total Amount less 40%
iv)	Year 8	Total Amount less 60%
v)	Year 9	Total Amount less 80%
vi)	Year 10	Total Amount less 100% - No Industrial Revitalization Tax Exemption, the Property is fully taxable.

Revitalization tax exemptions are limited to municipal property value taxes (Section 197(1)(a) of the Community Charter only) and do not include school and other property taxes, such as parcel taxes. An exemption may be granted for up to 10 years and is not subject to section 25 of the Community Charter (prohibition against assistance to business).

While Council does have the ability to change the threshold and exemption amounts, it is recommended by staff that they remain as is to avoid unintended tax shifts and nuisance applications associated with minor amounts. Whether the intended goals of the program are being met is questionable; however, staff recognize that revitalization tax exemptions are popular economic development tools and will continue to support their use. If Council chooses to amend these amounts a full analysis will be required.

Respectfully submitted,

Erin Jackson

Director of Corporate Services

CITY OF SALMON ARM

BYLAW NO. 4020

A bylaw to provide for an Industrial Revitalization Tax Exemption

WHEREAS the Council may, by bylaw, provide for an Revitalization Tax Exemption Program in accordance with Section 226 of the *Community Charter*;

AND WHEREAS Council wishes to establish an Industrial Revitalization Tax Exemption Program to encourage property investment and industrial revitalization in the Industrial Revitalization Area;

AND WHEREAS Council's objective is to stimulate and reinforce development initiatives in the Industrial Revitalization Area by promoting property investment;

AND WHEREAS Council has designated an Industrial Revitalization Area pursuant to the City of Salmon Arm's Official Community Plan;

AND WHEREAS the *Community Charter* provides that an Revitalization Tax Exemption Program bylaw may only be adopted after notice of the proposed bylaw has been given in accordance with Section 227 of the *Community Charter* and Council has given this notice;

NOW THEREFORE, the Council of the City of Salmon Arm, in open meeting assembled, enacts as follows:

INTERPRETATION

1. In this bylaw:

"Agreement" means an Industrial Revitalization Tax Exemption Agreement, as set out in Schedule "B" attached hereto and forming part of this Bylaw, between the owner of a property located in the Industrial Revitalization Area as set out on Schedule "A" attached hereto and forming part of this Bylaw;

"Assessed Value" will have the same meaning as set out in the Assessment Act;

"City" means the City of Salmon Arm;

"Corporate Officer" means the Corporate Officer of the City of Salmon Arm;

"Council" means the Council of the City of Salmon Arm;

"Owner" means the legal registered owner and any subsequent owner of the Property or any parts into which the Property is subdivided, and includes any person who is a registered owner in fee simple of the Property from time to time;

"Property" means the legally described improvements to which an Industrial Revitalization Tax Exemption is applied for and as legally described in the Agreement, but does not include new construction or alterations to an existing improvement on City owned lands;

"Industrial Revitalization Area" means an area designated and set out on Schedule "A" attached hereto and forming part of this Bylaw;

"Industrial Revitalization Tax Exemption means an Industrial Revitalization Tax Exemption pursuant to an Industrial Revitalization Tax Exemption Certificate;

"Industrial Revitalization Tax Exemption Certificate" means an Industrial Revitalization Tax Exemption pursuant to this Bylaw.

- 2. There is established an Industrial Revitalization Tax Exemption Program which includes the following:
 - a) Industrial Revitalization Tax Exemptions authorized under this Bylaw applies to:
 - i) the construction of a new improvement where the value of the new construction referred to in the building permit has a value in excess of \$300,000.00;
 - ii) the alteration of an existing improvement where the alteration referred to in the building permit has a value in excess of \$300,000.00, and

wherein the Property is located within the Industrial Revitalization Area as set out on Schedule "A" attached hereto and forming part of this Bylaw.

- b) Any construction of a new improvement or alteration of an existing improvement as outlined in Section 2 a) of this Bylaw undertaken prior to the application for an Industrial Revitalization Tax Exemption will not be eligible for consideration.
- c) The maximum Industrial Revitalization Tax Exemption authorized under this Bylaw must not exceed the increase in the assessed value of the improvements on the Property between:

- i) the calendar year before the construction or alteration began, as outlined under Section 2 a) of this Bylaw; and
- ii) the calendar year in which the construction or alteration as outlined under Section 2 a) of this Bylaw is completed.
- d) The Property's assessed value of improvements must not be reduced below the amount assessed in the calendar year prior to construction or alteration, as outlined in Section 2 a) of this Bylaw, as a result of the Industrial Revitalization Tax Exemption.
- e) The maximum term of an Industrial Revitalization Tax Exemption is contingent on when the Industrial Revitalization Tax Exemption Certificate for the Property is issued by the City pursuant to this Bylaw and the Agreement:
 - if the new construction or the alteration to an existing improvement as outlined in Section 2 a) of this Bylaw have commenced on or before October 31 and will be assessed on the subsequent year's assessment roll, then the Industrial Revitalization Tax Exemption Certificate will be issued for one (1) year and a subsequent Industrial Revitalization Tax Exemption Certificate will be issued for the next four (4) years plus a single renewal for a term of an additional five (5) years;
 - ii) if the new construction or the alteration to an existing improvement as outlined in Section 2 a) of this Bylaw have commenced and been completed on or before October 31 and will be assessed on the subsequent year's assessment roll, then the Industrial Revitalization Tax Exemption Certificate will be issued for five (5) years plus a single renewal for a term of an additional five (5) years;
- f) The amount of Industrial Revitalization Tax Exemptions authorized under this Bylaw to calculate the general municipal property tax payable (excluding specified area levies) is equal to any increase in the assessed value of improvements on the Property attributed to a building permit issued as a result of new construction or the alteration to an existing improvement as outlined in Section 2 a) of this Bylaw (hereinafter referred to as the Total Amount) and is as follows:

i)	Year 1 - 5	Total Amount
ii)	Year 6	Total Amount less 20%
iii)	Year 7	Total Amount less 40%
iv)	Year 8	Total Amount less 60%

v)	Year 9	Total Amount less 80%
vi)	Year 10	Total Amount less 100% - No Industrial Revitalization Tax Exemption, the Property is fully taxable.

- 3. The kinds of property that will be eligible for an Industrial Revitalization Tax Exemption under this Bylaw will be limited to property zoned Industrial.
- 4. This Bylaw does not apply to a property unless:
 - a) the property is located in the Industrial Revitalization Area shown on Schedule "A" attached hereto and forming part of this Bylaw; and
 - b) the Owner of the property has entered into an Agreement with the City as set out in Schedule "B" attached hereto and forming part of this Bylaw.
- 5. Where a property is partially within the Industrial Revitalization Area, this Bylaw shall apply where at least 50% of the property lies within the Industrial Revitalization Area.
- 6. This Bylaw does not apply to any property owned by the City of Salmon Arm.
- 7. Once the conditions established under this Bylaw and the Agreement as set out in Schedule "B" attached hereto and forming part of this Bylaw, have been met, an Industrial Revitalization Tax Exemption Certificate must be issued for the Property.
- 8. The Industrial Revitalization Tax Exemption Certificate must, in accordance with the conditions established in this Bylaw and the Agreement set out in Schedule "B" attached hereto and forming part of this Bylaw, specify the following:
 - the amount of the Industrial Revitalization Tax Exemption or the formula for determining the Industrial Revitalization Tax Exemption;
 - b) the term of the Industrial Revitalization Tax Exemption;
 - c) the conditions on which the Industrial Revitalization Tax Exemption is provided; and
 - d) that a recapture amount is payable if the Industrial Revitalization Tax Exemption Certificate is cancelled and how that amount is to be determined.
- 9. If an Owner wants to apply for an Industrial Revitalization Tax Exemption under the Bylaw, the Owner must apply to the Corporate Officer in writing and must submit the following with the application:

- a) a certificate that all property taxes assessed and rates, charges, and fees imposed on the Property have been paid and where property taxes, rates or assessments are payable by installments, that all installments owing at the date of the certificate have been paid; the provision for Development Cost Charge installments shall be pursuant to Section 933 of the *Local Government Act* and Regulation 166/84.
- b) a completed written application as per Schedule "C" attached hereto and forming part of this Bylaw available in the Office of the Corporate Officer;
- c) description of the construction or alteration as outlined in Section 2 a) of this Bylaw, that would be eligible under the Bylaw for an Industrial Revitalization Tax Exemption;
- d) an examination fee in the amount of \$100.00; and
- e) a copy of the Agreement as set out in Schedule "B" attached hereto and forming part of this Bylaw, duly executed by and on behalf of the Owner.
- 10. In the event that the conditions under which an Industrial Revitalization Tax Exemption Certificate was issued are no longer met by the Owner, as set out in Section 10 of this Bylaw, the Owner must pay to the City a recapture amount of the foregone general municipal property taxes of the following applicable percentage of the total Industrial Revitalization Tax Exemptions obtained under this Bylaw:
 - a) Years 1 to 10 50%
- 11. An Industrial Revitalization Tax Exemption Certificate will be cancelled if:
 - a) the Industrial zoning is changed;
 - b) the Owner breaches any covenant or condition of this Bylaw or the Agreement set out in Schedule "B" attached hereto and forming part of this Bylaw;
 - c) the Owner has allowed the property taxes to go into arrears or to become delinquent; or
 - d) the property is put to a use that is not permitted in the Industrial zone.
- 12. The Corporate Officer is hereby authorized to execute the documentation necessary to give effect to the provisions of this Bylaw, including the Agreement set out in Schedule "B" attached hereto and forming part of this Bylaw.
- 13. If any section or phrase of this Bylaw is for any reason held to be invalid by a decision of any Court of competent jurisdiction, it shall be severed and the invalidity of the remaining provisions of this Bylaw shall not be affected.

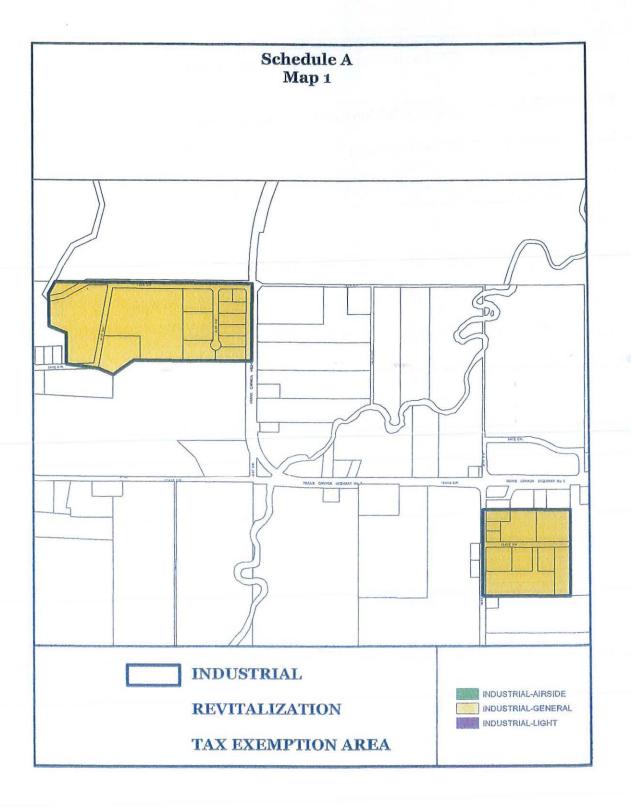

- 14. Any enactments referred to herein is a reference to an enactment of British Columbia and regulations thereto, as amended, revised, consolidated or replaced from time to time.
- 15. This Bylaw shall come into full force and effect upon adoption of same.
- 16. This Bylaw shall have an expiration date of five (5) years from the date of adoption.
- 17. This Bylaw may be cited as "City of Salmon Arm Industrial Revitalization Tax Exemption Bylaw No. 4020".

BYLAW NO. 4020

SCHEDULE "B"

Industrial Revitalization Tax Exemption Agreement

This Agreement dated for reference the

day of

BETWEEN

Name and Address of Owner

(hereinafter called the Owner)

OF THE FIRST PART

AND

City of Salmon Arm 500 – 2 Avenue NE

(hereinafter called the City)

Box 40

Salmon Arm BC V1E 1V8

OF THE SECOND PART

WHEREAS the City has under the Bylaw defined in this Agreement established an Industrial Revitalization Tax Exemption Program for the purpose of encouraging Industrial Revitalization of an area of the municipality;

AND WHEREAS Council's objective is to stimulate and reinforce development initiatives in the Industrial Revitalization Area by promoting property investment within the Industrial zone and to reinforce the City's investment in infrastructure upgrades and beautification projects;

AND WHEREAS the Owner is a registered Owner in fee simple of the Property defined in this Agreement;

AND WHEREAS this Agreement contains the terms and conditions respecting the provision of an Industrial Revitalization Tax Exemption under the Bylaw defined in this Agreement;

AND WHEREAS the Property that is subject of this Agreement is zoned Industrial and shall remain zoned Industrial for the duration of this Agreement;

AND WHEREAS the Owner and the City wish to enter into this Agreement.

THIS AGREEMENT WITNESSES that in consideration of the mutual covenants and agreements contained in this Agreement and the payment by the Owner to the City consideration in the amount of \$10.00 (Ten) Dollars, the receipt and sufficiency of which are acknowledged by the City, the City and Owner covenant and agree with each other as follows:

DEFINITIONS

1. In this Agreement the following words have the following meanings:

"Agreement" means this Agreement, including the standard charge terms contained in this Agreement;

"Assessed Value" means the most recent assessed value of the Property as determined by the BC Assessment Authority in the area in which the Property is located; if such value is not available then the assessed value means the highest price in terms of money that the real property will fetch under all conditions requisite to a fair sale with the buyer and seller, each acting prudently, knowledgeably and assuming the price is not affected by undue stimulus as estimated by a real estate appraiser accredited in the jurisdiction in which the Property is located;

"Bylaw" means "City of Salmon Arm Industrial Revitalization Tax Exemption Bylaw No. 4020", in force from time to time;

"Council" means the Council of the City of Salmon Arm;

"Owner" means the legal registered owner and any subsequent owner of the Property or any parts into which the Property is subdivided, and includes any person who is a registered owner in fee simple of the Property from time to time;

"Property" means the legally described land and improvements to which an Industrial Revitalization Tax Exemption is applied for and as legally described in the Agreement;

TERM

- 2. The Owner covenants and agrees with the City that the term of this Agreement is:
 - a) five (5) years commencing on January 1 of the first calendar year after the calendar year that the Industrial Revitalization Tax Exemption Certificate is issued; and
 - b) a renewal term of an additional five (5) years at the election of the Owner.

RENEWAL

3. The Owner must make application to the City for a renewal by October 31 in the year prior to the year in which the Industrial Revitalization Tax Exemption is requested to qualify for a renewal for the additional five (5) years.

APPLICATION IMPROVEMENTS

- 4. The Industrial Revitalization Tax Exemption authorized under the Bylaw applies to:
 - a) construction of a new improvement where the value of the construction referred to in the building permit is in excess of \$300,000.00; or
 - b) alteration of an existing improvement, where the value of the alteration referred to in the building permit is in excess of \$300,000.00;

Any construction of a new improvement or alteration of an existing improvement as outlined in this Section that is undertaken prior to the application for an Industrial Revitalization Tax Exemption will not be eligible for consideration.

INDUSTRIAL REVITALIZATION TAX EXEMPTION CERTIFICATE

- 5. a) Once the Owner has completed the construction of the new improvement or alteration of an existing improvement referred to in Section 4 of this Agreement and the City has issued an Occupancy Permit under the City's Building Regulation Bylaw, in force from time to time, in respect of the new improvement or alteration of an existing improvement, the City must issue an Industrial Revitalization Tax Exemption Certificate to the Owner of the Property if the Owner and the Property are otherwise in compliance with this Agreement.
 - b) An Industrial Revitalization Tax Exemption Certificate must, in accordance with the conditions established under the Bylaw and this Agreement, specify the following:
 - i) the amount of the Industrial Revitalization Tax Exemption or the formula for determining the Industrial Revitalization Tax Exemption;
 - ii) the term of the Industrial Revitalization Tax Exemption;
 - iii) the conditions on which the Industrial Revitalization Tax Exemption is provided; and
 - iv) that a recapture amount is payable if the Industrial Revitalization Tax Exemption Certificate is cancelled and how that amount is to be determined.

INDUSTRIAL REVITALIZATION TAX EXEMPTION

- 6. So long as an Industrial Revitalization Tax Exemption Certificate in respect of the Property has not been cancelled, the Property is exempt, to the extent, for the period and subject to the conditions provided in the Industrial Revitalization Tax Exemption Certificate, from general municipal property taxation (excluding specified area levies).
- 7. The maximum Industrial Revitalization Tax Exemption authorized under this Bylaw must not exceed the increase in the assessed value of the improvements on the Property between:
 - a) the calendar year before the construction or alteration began, as outlined in Section 4 of this Agreement; and
 - b) the calendar year in which the construction or alteration as outlined in Section 4 of this Agreement is completed.
- 8. The Property's assessed value of improvements must not be reduced below the amount assessed in the calendar year prior to new construction of an improvement or an alteration of an existing improvement, as outlined in Section 4 of this Agreement, as a result of the Industrial Revitalization Tax Exemption
- 9. The Industrial Revitalization Tax Exemption shall be an amount equal to any increase in assessed value of improvements on the Property attributed to the building permit issued as a result of the new construction of an improvement or the alteration of an existing improvement, as outlined in Section 4 of this Agreement.
- 10. The maximum term of an Industrial Revitalization Tax Exemption is contingent on when the Industrial Revitalization Tax Exemption Certificate for the Property is issued by the City pursuant to the Bylaw and the Agreement:
 - a) if the new construction or the alteration to an existing improvement as outlined in Section 4 of this Agreement have commenced on or before October 31 and will be assessed on the subsequent year's assessment roll, then the Industrial Revitalization Tax Exemption Certificate will be issued for one (1) year and a subsequent Industrial Revitalization Tax Exemption Certificate will be issued for the next four (4) years plus a single renewal for a term of an additional five (5) years;
 - b) if the new construction or the alteration to an existing improvement as outlined in Section 4 of this Agreement have commenced and been completed on or before October 31 and will be assessed on the subsequent year's assessment roll, then the Industrial Revitalization Tax Exemption Certificate will be issued for five (5) years plus a single renewal for a term of an additional five (5) years;

``

1

11. The amount of Industrial Revitalization Tax Exemptions authorized under this Bylaw to calculate the general municipal property tax payable (excluding specified area levies) is equal to any increase in the assessed value of improvements on the Property attributed to a building permit issued as a result of new construction or the alteration to an existing improvement as outlined in Section 4 of this Agreement (hereinafter referred to as the Total Amount) and is as follows:

i)	Years 1 to 5	- Total Amount.
ii)	Year 6	- Total Amount less 20%
iii)	Year 7	- Total Amount less 40%
iv)	Year 8	- Total Amount less 60%
v)	Year 9	- Total Amount less 80%
vi)	Year 10	 Total Amount less 100% No Revitalization Exemption, the Property is fully taxable.

- 12. The Industrial Revitalization Tax Exemption Certificate may be cancelled by the City:
 - a) on the request of the Owner;
 - b) if the Industrial zoning is changed;
 - c) the Owner breaches any covenant or condition of the Bylaw or this Agreement;
 - d) the Owner has allowed the property taxes to go into arrears or to become delinquent; or
 - e) the Property is put to a use that is not permitted in the Industrial zone.
- 13. To maintain an Industrial Revitalization Tax Exemption, the Occupancy Permit must be issued within twenty-four (24 months) of the Industrial Revitalization Tax Exemption Application being approved.

RECAPTURE

14. In the event that the conditions under which an Industrial Revitalization Tax Exemption Certificate was issued are no longer met by the Owner, as set out in this Agreement, the Owner must pay to the City a recapture amount of the foregone general municipal property taxes of the following applicable percentage of the total Industrial Revitalization Tax Exemptions obtained under the Bylaw:

50%

a) Years 1 to 10

OWNERS OBLIGATIONS

- 15. The Owner must pay to the City the cost of all tie-ins of works and services associated with the new construction or alteration to existing improvements, to existing storm and sanitary sewers, water mains, water meters, driveways, and other municipal services prior to the issuance of an Industrial Revitalization Tax Exemption Certificate.
- 16. The Owner must comply with:
 - a) all enactments, laws, statutes, regulations and Orders of any authority having jurisdiction, including bylaws of the City; and
 - b) all federal, provincial, municipal and environmental licences, permits and approvals required under applicable enactments.

OBLIGATIONS OF CITY

17. The City must issue an Industrial Revitalization Tax Exemption Certificate to the Owner in respect of the Property once the Owner has applied for and obtained an Occupancy Permit from the City under the City's Building Regulation Bylaw, in force from time to time, in relation to the new construction or alteration to an existing improvement, so long as the Owner and the Property are otherwise in compliance with the Bylaw and this Agreement.

CITY'S RIGHTS AND POWERS

18. Nothing contained or implied in this Agreement prejudices or affects the City's rights and powers in the exercise of its functions or its rights and powers under any public and private statutes, bylaws, orders, or regulations to the extent the same are applicable to the Property, all of which may be fully and effectively exercised in relation to the Property as if this Agreement had not been executed and delivered by the Owner.

GENERAL PROVISIONS

- 19. The City of Salmon Arm Industrial Revitalization Tax Exemption Bylaw No. 4020 and amendments thereto form an integral part of this Agreement.
- 20. It is mutually understood, agreed and declared by and between the parties that Salmon Arm has made no representations, covenants, warranties, guarantees, promises, or agreements (oral or otherwise), expressed or implied, with the Owner other those expressly contained in this Agreement.
- 21. It is further expressly agreed that the benefit of all covenants made by the Owner herein shall accrue solely to the City and this Agreement may only be modified by agreement of the City with the Owner.
- 22. This Agreement shall enure to the benefit of and is binding on the parties and their respective heirs, executors, administrators, successors and assigns.

- 23. The Owner shall, on the request of the City, execute and deliver or cause to be executed and delivered, all such further transfers, agreements, documents, instruments, easements, statutory rights of way, deeds and assurances, and do and perform or cause to be done and performed, all such acts and things as may be, in the opinion of the City, necessary to give full effect to the intent of this Agreement.
- 24. Time is of essence of this Agreement.
- 25. This Agreement constitutes the entire agreement between the Owner and the City with regard to the subject matter hereof and supersedes all prior agreements, understandings, negotiations, and discussions, whether oral or written of the City with the Owner.
- 26. Any notice or other communication required or contemplated to be given or made by any provision of this Agreement shall be given or made in writing and either delivered personally (and if so shall be deemed to be received when delivered) or mailed by prepaid registered mail in any Canada Post Office (and if so, shall be deemed to be delivered on the sixth business day following such mailing except that, in the event of interruption of mail service notice shall be deemed to be delivered only when actually received by the party to whom it is addressed), so long as the notice is addressed as follows:

to the Owner at:

Name Address

and

to the City at:

City of Salmon Arm 500 - 2 Avenue NE Box 40 Salmon Arm BC V1E 4N2

Attention: Corporate Officer

or to such other address to which a party hereto from time to time notifies the other parties in writing.

27. a) No amendment or waiver of any portion of this Agreement shall be valid unless in writing and executed by the parties to this Agreement; and

- b) Waiver of any default by a party shall not be deemed to be a waiver of any subsequent default by that party.
- 28. This Agreement is not intended to create a partnership, joint venture, or agency between the Owner and the City.
- 29. This Agreement shall be construed according to the laws of the Province of British Columbia.
- 30. A reference in this Agreement to the City or the Owner includes their permitted assigns, heirs, successors, officers, employees, and agents.
- 31. This Agreement is effective from and after the reference date in this Agreement, but only if this Agreement has been executed and delivered by the Owner executed by the City.
- 32. Unless otherwise expressly provided in this Agreement, the expense of performing the obligations and covenants of the Owner contained in this Agreement, and of all matters incidental to them, is solely that of the Owner.
- 33. The Owner represents and warrants to the City that:
 - a) all necessary corporate actions and proceedings have been taken by the Owner to authorize its entry into and performance of this Agreement;
 - b) upon execution and delivery on behalf of the Owner, this Agreement constitutes a valid and binding contractual obligation of the Owner;
 - neither the execution and delivery, nor the performance, of this Agreement shall breach any other Agreement or obligation, or cause the Owner to be in default of any other Agreement or obligation, respecting the Property; and
 - d) the Owner has the corporate capacity and authority to enter into and perform this Agreement.

IN WITNESS WHEREOF the parties have affixed their hands and seals and where a party is a corporate entity, the corporate seal of that company has been affixed in the presence of its duly authorized officers effective the day and year first recited above.

2018-2022 FP Bylaw (Cap)

Schedule "B" – Bylaw #4312 2018 Revenue Policy Disclosure

1. Table One (1) reflects the proportion of total revenue proposed to be raised from each funding source in 2018. Property taxes form the greatest proportion of revenue of the City. The first column details the proposed percentage of revenue including Conditional Government Transfers and the second column shows the proposed percentage of revenue excluding Conditional Government Transfers. Conditional Government Transfers are funds provided by other levels of government or government agencies to fund specific projects. The absence of this funding would result in an increase to property taxes, debt borrowing or funding from reserves or other sources (ie. developers, donations, etc.) or result in the project not being undertaken.

The City collects three (3) types of parcel tax; a water frontage tax; a sewer frontage tax and a transportation parcel tax. The water and sewer frontage tax rate is applied to each parcel of land taxable foot frontage. The frontage rate is comprised of a capital debt repayment component plus 10% of the water and sewer operation and maintenance budget for preventative maintenance of the utilities infrastructure. The City introduced a transportation parcel tax in 2003. The transportation parcel tax is collected to maintain the City's transportation network to an adequate level to minimize future reconstruction costs and ensure the network is safe from hazards and disrepair. To this end, the transportation parcel tax provides a stable and dedicated source of funding. The transportation parcel tax was specifically implemented on a "flat rate per parcel" rather than an "ad velorum tax" basis recognizing that all classes of property are afforded equal access to the City's transportation network and should contribute to its sustainability equally. This method directed tax dollars away from business and industry to residential.

The City also receives a Municipal Regional District Tax (MRDT) which is levied and collected by the Provincial Government on all daily accommodation rentals within the City. Under the direction and approval of the Accommodation Industry, the City has applied to the Provincial Government to levy a 2% MRDT which will be utilized on initiatives that will increase exposure/awareness of Salmon Arm as a tourism destination with emphasis on off-season event expansion.

The City endorses a 'user pay' philosophy in its collection of fees and charges. Such fees and charges (ie. development, building, plumbing and fire permits, recreational program and rental fees and cemetery services) are reviewed annually to ensure adequate cost recovery for the provision of services. The policy of the City is to work towards full cost recovery for services provided. The objective in reviewing fees and charges periodically is to measure the cost of providing municipal services versus the cost recovery established through user fees and charges. Development Cost Charges are based on the City's Long Term Financial Plan. Included in this percentage is the City's investment income. The City exercises a stringent cash management plan to maximize investment and interest income.

Other sources of revenue provide funding for specific functions such as the Columbia Shuswap Regional District's contribution to the Shuswap Regional Airport, Recreation Centre, Shaw Centre, Cemetery and Fire Training Centre.

The proceeds from borrowing and developer contributions fund capital projects pursuant to the City's Long Term Financial Plan.

Schedule "B" - Bylaw #4312 2018 Revenue Policy Disclosure

Table 1: Proportions of Total Revenue

Revenue Source	Percentage to Total Revenue Includes Conditional Government Transfers	Percentage to Total Revenue Excludes Conditional Government Transfers
Property Taxes	47.39%	51.79%
Parcel Taxes	8.71%	9.52%
User Fees, Charges and Interest Income	31.61%	34.55%
Other Sources	10.10%	1.74%
Proceeds From Borrowing	2.19%	2.40%
	100.00%	100.00%

2. Table Two (2) reflects the distribution of property tax between the different property classes. The objective of the City is to set tax rates in order to maintain tax stability while maintaining equality between the property classes. The policy of the City is to develop a tax rate which maintains the proportionate relationship between the property classes. Inflationary increases in assessments are reduced to reflect only the 'real' increase attributed to new construction for each property class. This allows the property owner to be confident that, in any year, their property tax bill will only increase as much as their proportion of the increase in tax revenue required year to year.

The City reviewed the property tax multiple structure and equalized the general municipal property tax rate and associated multiple for Class 5 (Light Industry) and Class 6 (Business) by shifting general municipal property taxes from Class 5 (Light Industry) to Class 6 (Business) commencing in 2017. This property tax stability strategy is in keeping with its objective to maintain tax stability while maintaining equality between property classifications.

Assessment values fluctuate as market values change in one class or another. It is this market value change that may precipitate an amendment to the class multiple.

The Provincial Government has legislated a municipal taxation rate cap for the Class 2 (Utilities) assessments. The City of Salmon Arm Class 2 (Utilities) general municipal property tax rate adheres to this legislation.

Schedule "B" – Bylaw #4312 2018 Revenue Policy Disclosure

Table 2: Distribution of Property Taxes Between Property Classes

Property Class	2018 Tax Rate	Class Multiple	Percentage to Total Property Tax	Percentage to Total Property Assessment Value

Recreational/Non Profit	2.9873	0.74:1	0.12%	0.22%
Farm	12.3901	3.07:1	0.62%	0.26%

 The City adopted a Permissive Tax Exemption Policy in 1998 which outlines the eligibility criteria to receive a permissive tax exemption. The Annual Municipal Report for 2017 contains a schedule of permissive tax exemptions granted for the year and the amount of tax revenue exempted.

Commencing in 1999, the City provided a three (3) year permissive tax exemption for each eligible organization. These include religious institutions, historical societies, some recreational facilities, service organizations and cultural institutions.

Table 3: Permissive Tax Exemptions

Organization	General Municipal Tax Exemption	Other Government Tax Exemption	Total
Churches	\$ 45,969.00	\$ 37,384.00	\$ 83,353.00

Schedule "B" – Bylaw #4312 2018 Revenue Policy Disclosure

4. The Official Community Plan for the City of Salmon Arm identifies the revitalization of the downtown as a priority. As a result, in 2005, the City established a Downtown Revitalization Tax Exemption Program pursuant to City of Salmon Arm Revitalization Tax Exemption Bylaw No. 3471.

The Revitalization Tax Exemption Program is a tool that Council is using to encourage property investment in the downtown area (hereinafter referred to as the Revitalization Area). Council's objective is to stimulate and reinforce development initiatives in the Revitalization Area by promoting property investment within the C-2, "Town Centre Commercial Zone" and to reinforce the City's investment in infrastructure upgrades and beautification projects.

City of Salmon Arm Revitalization Tax Exemption Bylaw No. 3741 establishes property tax exemptions in respect of construction of a new improvement or alteration of an existing improvement where the alteration has a value in excess of \$75,000.00 to encourage revitalization in the Revitalization Area.

Table 4: Revitalization Tax Exemptions

Area	2013 General Municipal Tax Exemption	2014 General Municipal Tax Exemption	2015 General Municipal Tax Exemption	2016 General Municipal Tax Exemption	2017 General Municipal Tax Exemption	2018 General Municipal Tax Exemption
C-2 "Downtown Commercial Zone"	\$ 46,974.30	\$ 47,032.50	\$ 45,846.66	\$ 34,828.47	\$ 29,851.20	\$ 24,304.74

5. The Official Community Plan for the City of Salmon Arm identifies the revitalization of the "Industrial Zones" as a priority. As a result, in 2014, the City established an Industrial Revitalization Tax Exemption Program pursuant to City of Salmon Arm Revitalization Tax Exemption Bylaw No. 4020.

The Revitalization Tax Exemption Program is a tool that Council is using to encourage property investment in the "Industrial Zones" (hereinafter referred to as the Revitalization Area). Council's objective is to stimulate and reinforce development initiatives in the Revitalization Area by promoting property investment within the "Industrial Zone" and to reinforce the City's investment in infrastructure upgrades and beautification projects.

City of Salmon Arm Revitalization Tax Exemption Bylaw No. 4020 establishes general municipal property tax exemptions in respect of construction of a new improvement or alteration of an existing improvement where the alteration has a value in excess of \$300,000.00 to encourage revitalization in the Revitalization Area.

This bylaw shall have an expiration date of five (5) years from the date of adoption.

Schedule "B" - Bylaw #4312 2018 Revenue Policy Disclosure

CITY OF SALMON ARM

BYLAW NO. 4316

A bylaw authorizing the expenditure of monies in the General Capital Reserve Fund

WHEREAS under the provisions of Section 189 of the Community Charter (S.B.C., 2003, c.26), the Council may, by bylaw, provide for the expenditure of any money in a reserve fund and interest earned on it;

AND WHEREAS Council deems it desirable to expend a portion of the monies set aside under the District of Salmon Arm General Capital Reserve Fund for the purposes of capital works;

AND WHEREAS there is an unappropriated balance in the General Capital Reserve Fund established under District of Salmon Arm Bylaw No. 1, 1979, (Bylaw No. 1304) of \$752,733.20 as at December 31, 2018, which amount has been calculated as follows:

Balance in Ger	neral Capital Reserve Fund at December 31, 2017	\$ 389,334.41
Add:	Additions to fund including interest earnings for current year to date	363,398.79
Deduct:	Commitments outstanding under bylaws previously adopted	<u>Nil</u>

NOW THEREFORE the Council of the City of Salmon Arm, in open meeting assembled, enacts as follows:

Balance in General Capital Reserve Fund at December 31, 2018

- 1. The sum of four hundred and twenty thousand dollars (\$420,000.00) is hereby appropriated from the General Capital Reserve Fund to be expended on Property Acquisition 351 3 Street SW.
- 2. The expenditures to be carried out by monies hereby appropriated may be more particularly specified and authorized by resolution of the Council.
- 3. Should any of the above amount remain unexpended after the expenditures hereby authorized have been made, any unexpended balance shall be returned to the credit of the General Capital Reserve Fund.

4. SEVERABILITY

If any part, section, sub-section, clause of this bylaw for any reason is held to be invalid by the decisions of a Court of competent jurisdiction, the invalid portion shall be severed and the decisions that it is invalid shall not affect the validity of the remaining portions of this bylaw.

5. ENACTMENT

Any enactment referred to herein is a reference to an enactment of British Columbia and regulations thereto as amended, revised, consolidated or replaced from time to time.

can present to Council;

AND THAT: Staff be directed to prepare a report with a bylaw amendment

related to the critical nesting period.

CARRIED UNANIMOUSLY

From: Phil McIntyre-Paul Sent: March 1, 2019 9:52 AM To: Chris Larson; Kevin Pearson

Subject: Updated Foreshore (Raven) Trail Dog Monitoring Report and Recommendations

Hi Kevin and Chris and Advisory contacts,

Attached is an updated Foreshore (Raven) Trail Dog Monitoring Report and Recommendations following the Advisory meeting on February 4th. (Meeting notes are included as attachment in the updated report as well as separately for your review.)

The recommendations include suggested shift of the nesting closure period to May 1 - June 30 to better align with peak nesting season. (See notes attached).

They also include reminders of the State-of-the-Bay Conference recommendation and Habitat Compensation recommendation from the original plan. Re the Conference - SABNES is discussing with the Nature Trust and MFLNRO to look for grant funding to update the Habitat Management Plan. This would provide an excellent opportunity to leverage a one-day symposium to bring updated information to that discussion.

Finally - they recommend establishing an ongoing advisory - given the working group was only originally mandated for the initial planning process.

We did follow-up with Peter to see if there was another Dog Walker rep from their original advocacy group. Derek Woodhurst has indicated willingness to represent, so I have included him in this cc for information.

I can now report back to Council, as per the original agreement for 2018 monitoring.

Chris - will you forward this on to the GLC for info?

As for final invoicing on this - I still have funds held to reprint the damaged nesting closure banners. I will hold on this until a final decision on the nesting closure period is made.

With regards,

Phil

Foreshore (Raven) Trail Dog Monitoring 2018: REPORT

Prepared by: Phil McIntyre-Paul, The Shuswap Trail Alliance

Updated Version: January 24, 2019

For: City of Salmon Arm (Contact: Kevin Pearson, Director of Planning)

Purpose of 2018 Monitoring: to continue the Foreshore Trail Dog Monitoring program, including summer student surveys, in 2018 and report back to City Council on results at year-end (or earlier, if declining trend is noted as per adaptive plan.) Ref: See - Raven Foreshore Trail - Domestic Dog Management: Habitat Inventory, Compensation, Monitoring and Adaptive Plan (January 24, 2017)

Scope of work/Deliverables: Description/Status. . .

- a) Implement summer student survey support for the 2018 season (5 monitor surveys/week x 16 weeks including early morning & evening)
- b) Continue to monitor the trailreport@shuswaptrails.com hotline and animal bylaw control reports
- c) Post updated temporary information bulletins at all trailhead entries (11x17 laminated)
- d) Reconvene monitoring working group to recommend/implement adaptive measures, if/as needed
- e) Administration of monitoring program and working group, and ongoing review/analysis of trail data
- f) Report back to City of Salmon Arm Council and staff on survey monitoring results
- g) Replace spring trailhead closure banners
- h) Monitor water access points off trail and implement barriers with City staff, if warranted

Summary Report and Recommendations:

The Raven Foreshore Trail – Domestic Dog Management: Habitat Inventory, Compensation, Monitoring and Adaptive Plan (January 24, 2017) provides a series of recommended actions to manage and monitor walking of dogs on-leash along the Salmon Arm Foreshore Trail to ensure the highest level of compliance and protection of the foreshore habitat. (See Adaptive Plan Summary below.)

A third season of monitoring was conducted that included ongoing report tracking through the Shuswap Trail Report Hotline (trailreport@shuswaptrails.com), reporting through the City of Salmon Arm Animal Bylaw Control, and on-site compliance surveys conducted through the summer months.

The spring closure to dogs-on-leash (April 15 – June 15) was maintained with banners installed by SABNES volunteers at all entry points.

Results of 2018 summer surveys (see attached): The Nature Centre Summer Students conducted 47 surveys between June 21 and August 28, 2018. Surveys were conducted during a variety of morning, mid-day, and afternoon periods, as well as on several weekends. No surveys were conducted during the early morning or evenings, however. These time periods should be targeted in future monitoring.

Of a total <u>1075 people using the trail</u> during survey walks, a total of <u>120 dogs</u> with trail users were observed. Of these, <u>26 were non-compliant</u> to the bylaw restrictions (<u>12 off-leash</u>, <u>14 on leashes greater than 2 m</u>, and <u>1 in a restricted area</u> - off main trail on boardwalk). Only <u>3 incidents of feces</u> on trail were observed within the monitoring period.

Results Summary: 90% on-leash compliance (down 8% from 98% in 2017), 99% restricted area compliance (up 7 % from 92% in 2017), 97.5% feces compliance up 14.5% from 83% in 2017. (See Adaptive Plan Summary below.)

Trail Report input in 2018 for the Foreshore Raven Trail to the Shuswap Trail Report Hotline to date increased significantly over 2017 with 25 non-compliant dogs in 17 reported incidents including the critical closure period. 15 were off-leash, 6 on trail during nesting closure, and 12 off-trail in restricted areas. 1 long-leash report was also received. (Compared to only 1 report in 2017).

There was noted decline in compliance earlier in the spring, including during the closure period between April 15 and June 15. To monitor and assess this, we propose additional survey targets twice a week during early morning & evening time periods. These were not feasible within the Summer Student schedules, but are recommended to further assess the magnitude of declining non-compliance.

City Animal Bylaw Control Reports — reports were submitted through the City Animal Bylaw Control. It is still not clear, however, if this program is maintaining a call database. A review of this program to assess how it might support a system for ongoing reporting is needed.

<u>CONCLUSION</u>: observed number of trail users with dogs increased to 11% of total use during on-site surveys in 2018 summer season (compared to 5% in 2017). On-leash and overall compliance dropped notably in 2018 (90% & 70%) compared to 2017 (98% & 81%) and the agreed 2016 threshold of 97%, Corrective actions are required (e.g. educational reminders, additional signs, barriers, or closures). (See Adaptive Plan Summary below.)

Summary of Recommendations:

Original Recommendations: Raven Foreshore Trail – Domestic Dog Management: Habitat Inventory, Compensation, Monitoring and Adaptive Plan (January 24, 2017)

- · Continue the monitoring program, including summer student surveys
- Reconvene monitoring working group, as needed
- Maintain spring closure (April 15 June 15)
- Implement further compensation building on the current sewer repair compensation initiative (See Habitat Compensation Plan, 2017)
- Implement annual "State-of-the-Bay" Symposium as recommended in the 2004 Habitat Conservation Strategy (See Salmon Arm Bay Habitat Conservation Strategy, 2004, p. 30)
- Allocate annual budget to support ongoing Foreshore trail monitoring and maintenance

Additional Recommendations from 2017 monitoring season:

- Install simple barriers and signage at habitat access points along the main trail
- Conduct a round of public reminders of the dog management adaptive program
- · Target addition of early morning and evening monitoring in the summer surveys
- Review City Animal Bylaw Control program to assess how it might support a system for ongoing reporting.

Further Recommendations from 2018 monitoring season:

- Reconvene monitoring working group to assess & assist response to noted decline in compliance
- Implement appropriate responses to mitigate the noted decline in compliance
- Continue to monitor results through fall/winter 2018 and spring/summer 2019
- Include early morning and later evening monitor times

Budget Recommendations: (from January 24, 2017)

• To implement the recommendations in 2017, the following resource needs were projected:

Action:	Resource Need:
Summer student survey support (5 monitor surveys/week x 16 weeks)	\$2250
Annual administration of monitoring program and working group, and ongoing review/analysis of trail report data	City in-kind (or \$1200 outsourced)
Reconvene working group, as needed	Participant in- kind/city chaired
Additional educational signage (4 locations at \$250/sign = \$1000)	\$1000 + City in-kind for installation
Maintain spring closure (April 15 – June 15)	Attach existing banners (SABNES in-kind)
State-of-the-Bay Conference (administration, meeting costs, facilitation)	\$5000

<u>Acknowledgement:</u> Special thanks to the 2018 Nature Centre Summer Staff, Emilyn Sim and Morgan Lapointe, who conducted the 2018 summer foreshore trail dog monitoring surveys and data reporting.

Foreshore Trail Dog-Monitoring Adaptive Plan Summary: (See: Raven Foreshore Trail – Domestic Dog Management: Habitat Inventory, Compensation, Monitoring and Adaptive Plan (January 24, 2017)

Results: what the adaptive management plan is attempting to achieve. . .

- Goal 1: Maintain functional ecosystems and where possible, enhance plant and animal resources in concert with the broader resources of the bay area.
- Goal 2: Allow compatible public recreational and educational use of the area only to the extent that it does not conflict with Goal 1.

(See Habitat Management Plan, 2004, page 24)

The adaptive plan builds on a testable question: "Will the mitigation effort (new signage for leash and closure restrictions) maintain an appropriate level of compliance for dog walking on the foreshore trail?"

Desired Behaviours: actions by users that are most likely to achieve the results above. . .

- All dogs on restricted (2.0 m) leash on foreshore trail only; no dogs on other trails;
- No dogs off leash (City SA Resolution 0438-2015)
- No dogs between April 15 June 15
- All dog feces removed

(See Habitat Management Plan, 2004, page 29, City of Salmon Arm Resolution 0438-2015, and City SA Bylaw #2119)

<u>Indicators:</u> what should be measured to determine if the results are being achieved. . .

- Observed compliance to dog access restrictions
- · Observed compliance to feces removal
- Signs of dog-related habitat disturbance
- Signs of dog-related wildlife displacement

<u>Limits of Acceptable Change:</u> agreed upon limit of change to the above indicators, beyond which corrective actions would be required. Agreed the acceptable limits varied depending on the potential risk and severity of harm.

- the goal is 100% compliance, but 97% is an acceptable threshold limit. Any trend below this level of compliance would trigger the need for a response.
- High risk observations requiring immediate response include: observed harassment of wildlife by dogs both off-leash and on-leash; also dog-off-leash, and dogs during critical nesting season.
 Clear incidents of habitat damage or wildlife harassment or dogs on trail during closures (high risk limits) would warrant immediate response, regardless of the monitoring trends.
- <u>Education Period</u> time to allow for a little more tolerance to bring people into compliance was
 reasonable; but some changes may not be able to wait for time to see people educated –
 example: maintaining grebe population, diminishing seagull population these require
 immediate response. Agreed the window of education is very narrow in critical areas.

...adaptive plan summary continued next page...

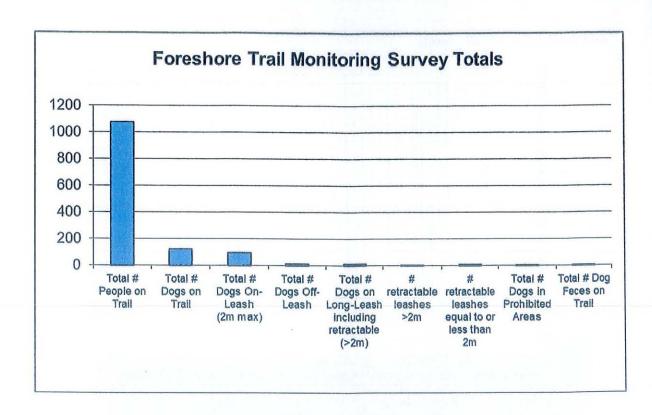

<u>Mitigation Actions:</u> answer how to achieve the desired behaviours. The current mitigation actions identified for this phase of the plan were:

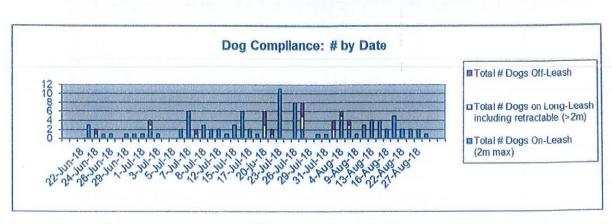

- <u>Education & compliance</u> messaging: the Working Group advocated a positive, collaborative, solutions focused tone and approach in all communications (says what to do and why, rather than what not to do). Update bulletins were attached to all new bylaw signs along the trail (7 locations). These bulletin included information on the methods to report observations.
- <u>Signage</u> City bylaw signage was installed in February 2016 at both trailheads, each boardwalk and viewing platform, entry to Christmas Island, and the social entry point off 17th Street. As well, seasonal closure banners were installed on both trailhead gates between April 15 and June 15th. Additional information bulletins were installed to all bylaw signs (see above). As well, SABNES installed an informational banner on the Christmas Island.
- <u>Community PR</u> media: a news release was circulated during the April 15 June 15 closure
- <u>Leash lengths</u> leash length limits are posted on all bylaw signs
- <u>Dog feces bag dispensers</u> City of Salmon Arm staff installed dog feces bag dispensers at both trailheads.
- <u>Trail ambassadors</u> working group members joined SABNES volunteers, Shuswap Naturalists, and Greenway volunteers in regularly walking, monitoring, talking to, and encouraging trail users to join in helping to care for the foreshore through compliance and stewardship support.
- <u>Trail closure periods</u> the April 15 to June 15 Closure to Dogs during the critical nesting period
 was communicated to the public through the media, colourful trailhead banners, and social
 media posts (Shuswap Trails eBulletin and Facebook).

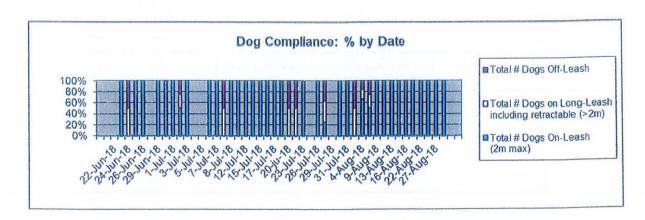

<u>Corrective Actions:</u> These are actions triggered if monitoring suggests that indicators have exceeded acceptable limits. Broadly speaking, they include:

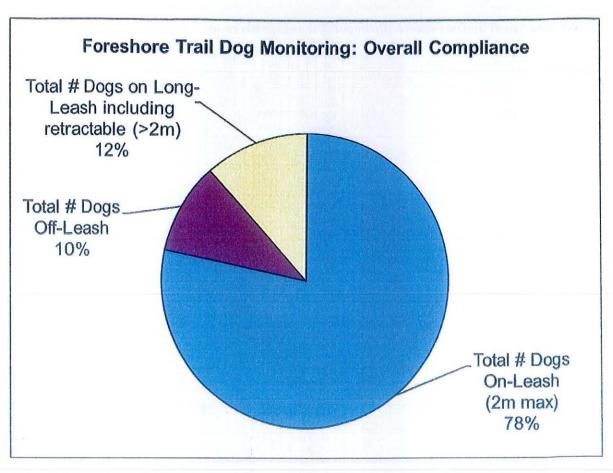

- Adapting or increasing trail user education, messaging, and/or signage efforts
- Increased trail stewardship efforts
- Review photos to determine if more individual targeted approach is necessary
- Adapting restrictions (e.g. decrease length of leash restriction)
- Restricting access
- Extend dog closure period
- Close trail to all dog walkers
- Rehabilitation

Foreshore Trail Dog Monitoring

Meeting Notes - Working Group Advisory Check-In: February 4, 2019

Prepared by: Phil McIntyre-Paul Updated: February 27, 2019

Present: Janet Aitkin (SABNES), Geoff Benson (SABNES), Joe Johnson (Salmon Arm Greenway Liaison

Committee), Phil McIntyre-Paul (Shuswap Trail Alliance)

Regrets: Peter Roberston (Dog Walking Rep)

Meeting Purpose: to review 2018 Foreshore Trail Dog Monitoring Survey report and provide recommendations/feedback to forward to Salmon Arm City Council and staff for consideration

Background: a third season of surveys was conducted by the City of Salmon Arm (administered through the Shuswap Trail Alliance and the Nature Bay Summer Student program) between June and August 2018 monitoring on-leash dog-walking compliance along the Foreshore (Raven) Trail in Salmon Arm. This was the third season of monitoring. The first monitoring survey was conducted in 2016 as part of the Foreshore Trail On-Leash Dog Walking Adaptive Management Plan.

As part of the adaptive plan, a 100% compliance goal was set with a trend below 97% identified as the limit below which corrective actions would be triggered. The 2018 monitoring survey reported a 90% level of on-leash compliance down 8% from 2017 warranting corrective actions be taken by the City.

Members of the original Working Group were invited to respond to the report and recommendations. The following notes reflect that discussion and are incorporated in the final report to City Council.

Meeting Discussion Notes:

Reviewed 2018 Foreshore Monitoring Report (see attached) – noted slip to 90% on-leash
compliance; all agreed this is most likely a result of time since 2016 publicity and people needing
a reminder. Also acknowledged the importance of taking positive pro-active action, and
affirmed importance of maintaining the monitoring to guide appropriate level of response.

2. Discussion -

- a. Noted report in spring of dogs off leash in early morning; and some evidence one or two specific individuals were resistant to requests to keep dogs on leash
- b. Confirmed importance of framing messaging in the positive affirmation of the majority of dog-walkers who are upholding the on-leash bylaws and supporting care of the area
- c. Also affirmed response needed is PR/education and signage reminders
- d. Shared Peter Robertson's email notes important to find dog-walking representative for ongoing monitoring advisory; re suggestion of changing nesting closure times – important to ensure it is based on evidence so as not to be perceived as just an attempt to expand the trail closure

e. Janet shared observation notes from Ed MacDonald (Shuswap Naturalists) and Ted
Hillary (who maintain bird nesting observations) – see recommendation below.
 Confirmed they are just suggesting sliding the existing period two weeks later to better
match the peak nesting period based on field observations.

3. Suggested actions:

- a. Issue new PR/News Release messaging should include a call to dog walkers to be ambassadors (positive call to action), tell other dog walkers about the importance of compliance, note the slip in compliance, remind everyone of the bylaw requirements and why they are important, also note the need to improve or else trail may have to be closed to dogs, and promote other trails where people can also walk their dogs in the City (especially during the closure period); very important to use positive messaging thank all the compliant dog walkers. Question how best to reach people who don't read the newspaper or listen to radio?
- b. Include reminder in Weekly City Ad Block including closure reminder, report number
- c. Install new reminder bulletin signage (laminated zap-strapped to existing signs)
- d. **Include Winter reminder** bylaws apply year-round; closed areas still closed during winter noting dog walking in bay even when lake/ground is frozen or snowy.
- Maintain annual monitoring recommend continuing to fund summer student
 monitoring and report, as well as ongoing public monitoring through trail report and
 animal control phone-in, and animal control monitoring and regular reporting to City
- f. Get early morning and later evening monitor reports suggested starting Nature Centre summer students earlier on some mornings to get a better snap shot that time of day, and inviting volunteer trial users to conduct early morning/evening monitoring reports; suggested possible poster at Lakeside Manor inviting volunteers: "Are you interested in being a trail block parent?"
- g. <u>TrailReport@shuswaptrails.com</u> still the go-to trail report hotline for all trails in the Shuswap. Foreshore dog monitor reports are collected, recorded and reported.
- h. **Animal Control Bylaw Officer** updated city has contracted a new animal bylaw control officer City hopes this will improve monitoring and reporting this will continue to be the phone in report contact
- i. Question: how to get the Dog Control report number out noted it was on the sign, but doesn't seem to get used. Idea what about putting it on the dog poop bags?
- j. Adjust Nesting Closure Dates to May 1 June 30 to better fit nesting season Janet and Geoff reported on seasonal nesting observations which suggest a need to move the nesting closure two weeks later than current dates from April 15 June 15 to May 1 June 30 to better fit the peak nesting season. Noted the original dates were a guess. Naturalists Ted Hillary and Ed McDonald, and Biologist, Di Witnar, have compiled their seasonal notes to suggest the following:

"May 1 to June 30 would be better than what there is now. W. grebes usually don't start nesting until after high water which is usually toward the end of June. Most small

songsters, including flycatchers and warblers, don't nest until mid May or later."

The adjustment of dates were supported noting it was still the same length of time just moved two weeks later.

- k. **Trailhead Kiosk Sign** SABNES reported the large trailhead kiosk signs are getting changed this spring and will be consistent with messaging on the other signs.
- Trailhead Nesting Closure Banner replacements will be printed once seasonal dates are confirmed.
- m. Establish Ongoing Monitoring Advisory acknowledged the working group is no longer a formally appointed group; recommend city establish a foreshore dog-walking monitoring advisory that include representation as outlined in the original working group terms
- n. Continue funded monitoring program maintain the current monitoring program plus target additional early morning and evening monitoring, update bulletin signage and PR, plus convene advisory if/as needed.
- o. State of the Bay Conference SABNES leadership noted they are proceeding to apply for funding to work on updating the original nature bay management plan; will be meeting with Nature Trust and Ministry for Forest Lands and Natural Resources; all acknowledged this was a perfect opportunity for the City to partner and to consider the opportunity to leverage this with the recommended State of the Bay Conference.
- p. Compensation it was noted no action has been taken by City regarding the original management plan recommendation regarding appropriate habitat compensation.
 Recommend including a reminder in the report recommendations.

Feb 21, 2019 - Additional Note Re Monitoring Advisory Dog Walking Representative: Peter Roberston followed up with Derek Woodhurst, who had been part of the original dog walking advocacy group in 2016. Derek is willing to act as a representative for dog walkers on a monitoring advisory and has been added to the contact list.

Foreshore Trail Dog Monitoring

Meeting Notes - Working Group Advisory Check-In: February 4, 2019

Prepared by: Phil McIntyre-Paul Updated: February 27, 2019

Present: Janet Aitkin (SABNES), Geoff Benson (SABNES), Joe Johnson (Salmon Arm Greenway Liaison

Committee), Phil McIntyre-Paul (Shuswap Trail Alliance)

Regrets: Peter Roberston (Dog Walking Rep)

Meeting Purpose: to review 2018 Foreshore Trail Dog Monitoring Survey report and provide recommendations/feedback to forward to Salmon Arm City Council and staff for consideration

Background: a third season of surveys was conducted by the City of Salmon Arm (administered through the Shuswap Trail Alliance and the Nature Bay Summer Student program) between June and August 2018 monitoring on-leash dog-walking compliance along the Foreshore (Raven) Trail in Salmon Arm. This was the third season of monitoring. The first monitoring survey was conducted in 2016 as part of the Foreshore Trail On-Leash Dog Walking Adaptive Management Plan.

As part of the adaptive plan, a 100% compliance goal was set with a trend below 97% identified as the limit below which corrective actions would be triggered. The 2018 monitoring survey reported a 90% level of on-leash compliance down 8% from 2017 warranting corrective actions be taken by the City.

Members of the original Working Group were invited to respond to the report and recommendations. The following notes reflect that discussion and are incorporated in the final report to City Council.

Meeting Discussion Notes:

Reviewed 2018 Foreshore Monitoring Report (see attached) – noted slip to 90% on-leash
compliance; all agreed this is most likely a result of time since 2016 publicity and people needing
a reminder. Also acknowledged the importance of taking positive pro-active action, and
affirmed importance of maintaining the monitoring to guide appropriate level of response.

2. Discussion -

- a. Noted report in spring of dogs off leash in early morning; and some evidence one or two specific individuals were resistant to requests to keep dogs on leash
- b. Confirmed importance of framing messaging in the positive affirmation of the majority of dog-walkers who are upholding the on-leash bylaws and supporting care of the area
- c. Also affirmed response needed is PR/education and signage reminders
- d. Shared Peter Robertson's email notes important to find dog-walking representative for ongoing monitoring advisory; re suggestion of changing nesting closure times – important to ensure it is based on evidence so as not to be perceived as just an attempt to expand the trail closure

e. Janet shared observation notes from Ed MacDonald (Shuswap Naturalists) and Ted
Hillary (who maintain bird nesting observations) – see recommendation below.
 Confirmed they are just suggesting sliding the existing period two weeks later to better
match the peak nesting period based on field observations.

3. Suggested actions:

- a. Issue new PR/News Release messaging should include a call to dog walkers to be ambassadors (positive call to action), tell other dog walkers about the importance of compliance, note the slip in compliance, remind everyone of the bylaw requirements and why they are important, also note the need to improve or else trail may have to be closed to dogs, and promote other trails where people can also walk their dogs in the City (especially during the closure period); very important to use positive messaging thank all the compliant dog walkers. Question how best to reach people who don't read the newspaper or listen to radio?
- b. Include reminder in Weekly City Ad Block including closure reminder, report number
- c. Install new reminder bulletin signage (laminated zap-strapped to existing signs)
- d. Include Winter reminder bylaws apply year-round; closed areas still closed during winter – noting dog walking in bay even when lake/ground is frozen or snowy.
- e. **Maintain annual monitoring** recommend continuing to fund summer student monitoring and report, as well as ongoing public monitoring through trail report and animal control phone-in, and animal control monitoring and regular reporting to City
- f. Get early morning and later evening monitor reports suggested starting Nature Centre summer students earlier on some mornings to get a better snap shot that time of day, and inviting volunteer trial users to conduct early morning/evening monitoring reports; suggested possible poster at Lakeside Manor inviting volunteers: "Are you interested in being a trail block parent?"
- g. <u>TrailReport@shuswaptrails.com</u> still the go-to trail report hotline for all trails in the Shuswap. Foreshore dog monitor reports are collected, recorded and reported.
- h. Animal Control Bylaw Officer updated city has contracted a new animal bylaw control
 officer City hopes this will improve monitoring and reporting this will continue to be
 the phone in report contact
- i. Question: how to get the Dog Control report number out noted it was on the sign, but doesn't seem to get used. Idea – what about putting it on the dog poop bags?
- j. Adjust Nesting Closure Dates to May 1 June 30 to better fit nesting season Janet and Geoff reported on seasonal nesting observations which suggest a need to move the nesting closure two weeks later than current dates from April 15 June 15 to May 1 June 30 to better fit the peak nesting season. Noted the original dates were a guess. Naturalists Ted Hillary and Ed McDonald, and Biologist, Di Witnar, have compiled their seasonal notes to suggest the following:

"May 1 to June 30 would be better than what there is now. W. grebes usually don't start nesting until after high water which is usually toward the end of June. Most small

songsters, including flycatchers and warblers, don't nest until mid May or later."

The adjustment of dates were supported noting it was still the same length of time just moved two weeks later.

- k. Trailhead Kiosk Sign SABNES reported the large trailhead kiosk signs are getting changed this spring and will be consistent with messaging on the other signs.
- Trailhead Nesting Closure Banner replacements will be printed once seasonal dates are confirmed.
- m. Establish Ongoing Monitoring Advisory acknowledged the working group is no longer a formally appointed group; recommend city establish a foreshore dog-walking monitoring advisory that include representation as outlined in the original working group terms
- n. Continue funded monitoring program maintain the current monitoring program plus target additional early morning and evening monitoring, update bulletin signage and PR, plus convene advisory if/as needed.
- o. State of the Bay Conference SABNES leadership noted they are proceeding to apply for funding to work on updating the original nature bay management plan; will be meeting with Nature Trust and Ministry for Forest Lands and Natural Resources; all acknowledged this was a perfect opportunity for the City to partner and to consider the opportunity to leverage this with the recommended State of the Bay Conference.
- p. Compensation it was noted no action has been taken by City regarding the original management plan recommendation regarding appropriate habitat compensation.
 Recommend including a reminder in the report recommendations.

Feb 21, 2019 - Additional Note Re Monitoring Advisory Dog Walking Representative: Peter Roberston followed up with Derek Woodhurst, who had been part of the original dog walking advocacy group in 2016. Derek is willing to act as a representative for dog walkers on a monitoring advisory and has been added to the contact list.

Subject: Children's Festival

Hello Karen,

Thank you for presenting to Council yesterday.

I know all of Council and the community appreciate the work you and the Canada Day committee and volunteers contribute, to bring about such a fun and inclusive celebration.

Thank you for agreeing to put together a proposal letter for council to consider in next fall's budget deliberations.

For this year, here is the information you requested:

*Council will consider your request to waive at least half of the rental fee for the indoor sports arena at our April 23rd Council meeting.

*Thank you for the invitation to the Canada Day Festivities! My wife and I love attending. This year however, we are away.

Deputy Mayor Wallace Richmond will represent the City, will welcome families, thank volunteers and help cut the cake.

*Thank you for the volunteer poster. I put in a plug for volunteers on the radio this morning, and have forwarded a poster to Patrick to mention on his morning show. We will post one at City Hall as well.

*Yes, the City crew will again assist with putting up (June 28th) and taking down (July 2nd) the two large event tents.

*Yes, please do send your annual letter for closure of 5th. That will be no problem.

Thank you again for your dedication to this widely enjoyed Canada Day, Children's Festival.

Much Appreciated,

Alan Harrison Mayor, City of Salmon Arm

From: Shuswap Day Care Society [shuswapdaycare@telus.net]

Sent: April 9, 2019 10:42 AM

To: Alan Harrison Subject: Tents

Hi Alan

Thank you for allowing us (The Salmon Arm Children's Festival Society) to present to yourself and council yesterday. We know the festival is very valued by council and our community we just really need to find some new blood and dollars to keep it alive and viable. I know myself and our core group are beginning to age out and are needing support. We are hoping by offering the cadets a financial donation that this could become an annual partnership to assist with the set up and take down aspect. As well we are reaching out to groups to hopefully come on board and volunteer. We will prepare a proposal letter for council to consider in the fall when planning for the upcoming budget as requested.

- For this year's Festival we are hoping the City will consider waiving at least half if not all the rental fee for the indoor sports arena \$1162.00 if not we will have to approach more local businesses to cover the additional day increase.
- · We are extending an invitation to yourself to join us on Canada Day at 12:30 to assist with the cake cutting and if you wish to say a few words on main stage, if you are unable to we would appreciate a reprehensive from council to attend.
- I have attached a volunteer poster that maybe might interest some of the City of Salmon Arm employees, if you could post or share would be appreciated
- The Society as well would like to confirm that we can count on a city crew to assist us as in the past to assemble the two large event tents on the morning of Friday June 28th and take down on Tuesday July 2nd.
- The Society as well will be sending an official letter in May requesting to close the street located by the fairgrounds as in the past for July 1st to make the event a safe place for all families in attendance

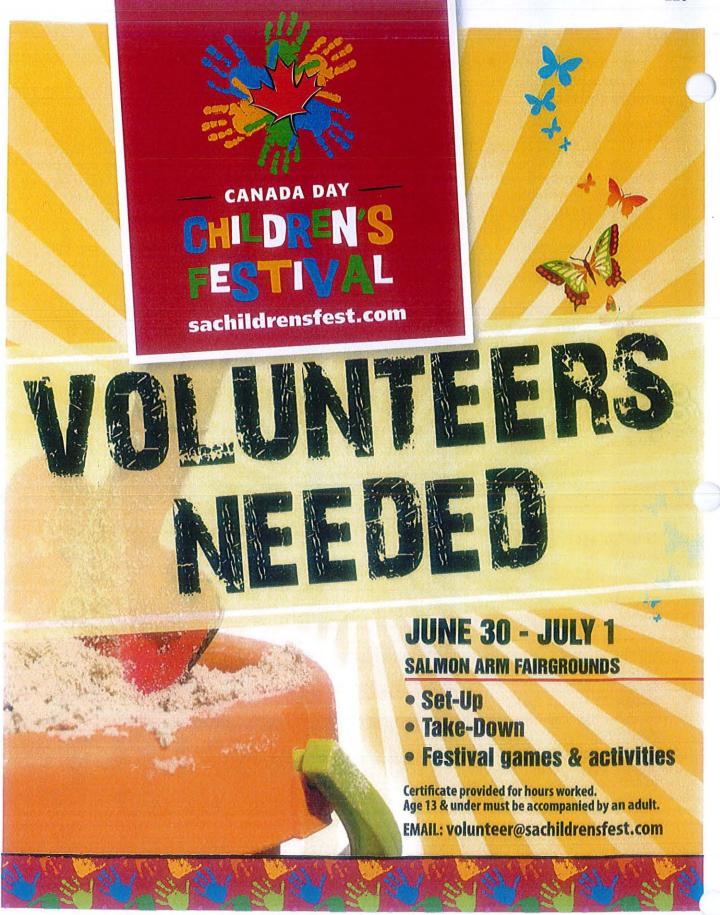

Thanks so much for your valuable words and suggestions and for recognizing the importance of volunteers and our event.

NOTICE OF PUBLIC INPUT SESSION

Proposed Checkout Shopping Bag Regulations

Notice is hereby given that the Council of the City of Salmon Arm will hold a Public Input Session in the Council Chamber of City Hall, 500 – 2 Avenue NE on Tuesday, April 23, 2019 commencing at 6:00 p.m. to consider the proposed Checkout Shopping Bag Regulations Bylaw No. 4297.

The City staff report and bylaw can be viewed at the front counter of City Hall and at www.salmonarm.ca.

All persons who deem their interest to be affected by the proposed bylaw will be afforded an opportunity to be heard in person, by a representative, or by written submission on all matters contained in the proposal at the above time and place.

For more information, please contact 250.803.4036 or email reusablebags@salmonarm.ca.

CITY OF SALMON ARM BYLAW NO. 4297

A bylaw to regulate the use of checkout shopping bags

WHEREAS the City of Salmon Arm desires to regulate the business use of single use checkout bags to reduce the creation of waste and associated municipal costs, to better steward municipal infrastructure and/or property, including sewers, streets and parks, and to promote responsible and sustainable business practices that are consistent with the values of the community;

NOW THEREFORE under its statutory powers, including Section 8(6) of the Community Charter, the Council of the City of Salmon Arm, in open meeting assembled, enacts as follows:

DEFINITIONS

"Checkout Bag" means:

- a) any bag intended to be used by a customer for the purpose of transporting items purchased or received by the customer from the business providing the bag; or
- b) bags used to package take-out or delivery of food;
- c) and includes Paper Bags, Plastic Bags, or Reusable Bags;

"Business" means any person, organization, or group engaged in a trade, business, profession, occupation, calling, employment or purpose that is regulated under the Business Licence Bylaw and, for the purposes of Section 3, includes a person employed by, or operating on behalf of, a Business;

"Paper Bag" means a bag made out of paper containing at least 40% of post consumer recycled paper content, and displays the words "Recyclable" and "made from 40% post-consumer recycled content" or other applicable amount on the outside of the bag, but does not include a "Small Paper Bag";

"Plastic Bag" means any bag made with plastic, including biodegradable plastic or compostable plastic, but does not include a Reusable Bag;

"Reusable Bag" means a bag with handles that is for the purpose of transporting items purchased by the customer from a Business and is:

- a) designed and manufactured to be capable of at least 100 uses; and
- b) primarily made of cloth or other washable fabric;

"Small Paper Bag" means any bag made out of paper that is less than 15 centimeters by 20 centimeters when flat.

2. CHECKOUT BAG REGULATIONS

- 1) Except as provided for in this Bylaw, no Business shall provide a Checkout Bag to a customer.
- 2) A Business may provide a Checkout Bag to a customer only if:
 - a) the customer is first asked whether he or she needs a bag;
 - b) the bag provided is a Paper Bag or a Reusable Bag; and
 - c) the customer is charged a fee not less than:
 - a. \$0.15 per Paper Bag; and
 - b. \$1.00 per Reusable Bag.
- 3) For certainty, no Business may
 - a) sell or provide to a customer a Plastic Bag; or
 - b) provide a Checkout Bag to a customer free of charge.
- 4) No Business shall deny or discourage the use by a customer of his or her own Reusable Bag for the purpose of transporting items purchased or received by the customer from the Business.

3. EXEMPTIONS

- 1) Section 2. does not apply to Small Paper Bags or bags used to:
 - a) package loose bulk items such as fruit, vegetables, nuts, grains, or candy;
 - b) package loose small hardware items such as nails and bolts;
 - c) contain or wrap frozen foods, meat, poultry, or fish, whether pre-packaged or not;
 - d) wrap flowers or potted plants;
 - e) protect prepared foods or bakery goods that are not pre-packaged;
 - f) contain prescription drugs received from a pharmacy;
 - g) transport live fish;
 - h) protect linens, bedding, or other similar large items that cannot easily fit in a Reusable Bag;

- i) protect newspapers or other printed material intended to be left at the customer's residence or place of business; or
- j) protect clothes after professional laundering or dry cleaning.
- Section 2 does not limit or restrict the sale of bags, including Plastic Bags, intended for use at the customer's home or business, provided that they are sold in packages of multiple bags.
- 3) Notwithstanding Sections 2. 2) c) and 2. 3) b), a Business may provide a Checkout Bag free of charge if:
 - a) the Business meets the other requirements of Section 2. 2);
 - b) the bag has already been used by a customer; and
 - c) the bag has been returned to the Business for the purpose of being re-used by other customers.

4. OFFENCE

- A person or a business commits an offence and is subject to the penalties imposed by this Bylaw, the Municipal Ticket Information Utilization Bylaw and the Offence Act if that person:
 - a) Contravenes a provision of this Bylaw;
 - Consents to, allows, or permits an act or thing to be done contrary to this Bylaw; or
 - c) Neglects or refrains from doing anything required by a provision of this Bylaw.
- 2) Each instance that a contravention of a provision of this Bylaw occurs and each day that a contravention continues shall constitute a separate offence.

5. PENALTIES

A corporation or individual found guilty of an offence under this Bylaw is subject to a fine:

- a) If a corporation, of not less than \$100.00 and not more than \$10,000.00; or
- b) If an individual, of not less than \$50.00 and not more than \$500.00

for every instance that an offence occurs or each day that it continues.

6. CONSEQUENTIAL AMENDMENT TO THE TICKET BYLAW

The City of Salmon Arm Ticket Information Utilization Bylaw No. 2760 is amended by inserting, immediately after Schedule 19, the Schedule attached to this Bylaw as the new Schedule 20.

7. SEVERABILITY

If any part, section, sub-section, clause of this bylaw for any reason is held to be invalid by the decisions of a Court of competent jurisdiction, the invalid portion shall be severed and the decision that it is invalid shall not affect the validity of the remaining portions of this bylaw.

8. ENACTMENT

Any enactment referred to herein is a reference to an enactment of British Columbia and regulations thereto as amended, revised, consolidated or replaced from time to time.

9. TRANSITION PROVISIONS

- 1) Section 2. 2) c) a) is amended by deleting "\$0.15" and substituting "\$0.25".
- 2) Section 2. 2) c) b) is amended by deleting "\$1.00" and substituting "\$2.00".

10. EFFECTIVE DATE

This bylaw shall come into full force and effect on July 1, 2019, except Sections 4 and 9 which come into force on January 1, 2020.

11. CITATION

SALMONARM

TO:

His Worship Mayor Harrison and Council

DATE:

February 7, 2019

FROM:

Carl Bannister, Chief Administrative Officer

PERPARED BY:

Caylee Simmons, Executive Assistant

SUBJECT:

Checkout Shopping Bag Regulation Bylaw No. 4297

Recommendation:

For direction of Council.

Background:

At the Monday, December 10, 2018 Regular Meeting Council directed staff to prepare a report that includes a draft bylaw, a recommended stakeholder engagement process and a draft communication plan for the prohibition of single-use plastic shopping bags in the City of Salmon Arm, to be implemented in conjunction with the proposed July 1, 2019 curbside organic pick-up program.

There are many municipalities that are regulating the use of single-use shopping bags in an effort to reduce the negative environmental impact and encourage a more sustainable lifestyle. The magnitude of single-use plastic bag waste remains a concern for many municipalities due to the risks they pose to waste operations and landfills. However, global oceanic health concerns are also fueling the movement to ban single-use plastic bags.

The City of Victoria banned plastic checkout shopping bags and adopted Checkout Bag Regulation Bylaw No. 18-008 in January 2018. The bylaw regulates the use of single-use plastic bags in the City and came in to force July 2018. The bylaw then transitioned on January 1, 2019 to increase mandatory fees for reusable bags and implement penalties for non compliance. The Canadian Plastic Bag Association (the "CPBA") challenged Victoria's bylaw at the BC Supreme Court on the basis that the City had no power to enact the ban as it was an environmental regulation that required provincial approval. The courts ruled in favour of the City on June 19, 2018 and concluded that the Victoria Council's decision to implement the ban was based on the impact of plastic bags on municipal facilities and services and on the regulation of business. The CPBA filed a Notice of Appeal in July 2018.

¹ Sabrina Spencer, Young Anderson Barristers & Solicitors, July 9, 2018. It's in the Bag (For Now): BC Supreme Court Upholds Victoria's Ban on Single-Use Plastic Bags

It may be advisable for Council to wait for the outcome of this appeal before proceeding as it is not uncommon for the Court of Appeal to overturn or amend a ruling of the Supreme Court, the court below.

Analysis:

The City of Salmon Arm has continually worked to reduce waste in the landfill; most recently waste containers, including garbage, depositable plastic bottles and mixed recyclables, have been installed in eight downtown locations in an effort to decrease the amount of recyclable materials entering the landfill. In addition, the City (in conjunction with the CSRD) has implemented a curbside organics program and the elimination of "blue bags" in the curbside recycling program to be effective July 1, 2019. In short, the City/CSRD Solid Waste and Recycling program is likely the biggest user of plastic bags; however, efforts are continually being made to reduce the negative impact of plastic bags from entering the landfill. It is clear that established provincial and regional recycling programs alone are not capable of reducing/eliminating single-use plastic bags.

It is important to note that light weight plastic bags are often referred to as single-use; however this is somewhat of a misnomer. In an effort to recycle many individuals are reusing their plastic bags for things such as: future retail purchases, trash can liners, crafting and other various household uses. Many checkout shopping bags that are used for trash can liners or mini garbage bags are then added to a larger plastic garbage bag for curbside pickup and end up in the landfill. Furthermore, plastic checkout shopping bags may already be recycled at depots, for the most part, but escape the collection programs nevertheless.

The restriction of single-use bags may have unintended or undesirable consequences that should be considered by Council, including:

- The potential negative impact on consumer choice and/or convenience;
- Inadvertently increase the quantity of reusable bags (which may also end up in the landfill);
- An adverse business effect/consequences (less or limited consumption dependant on the number of bags a consumer carries);
- Potential health risks of contaminated bags; and/or
- Encourage consumers to cross boundaries (i.e. shop out of town).

Another important consideration is the City's limited staff resources which may result in a challenge to enforce the proposed bylaw at the current staff capacity, although it remains to be seen what sort of enforcement measures may be required/ feasible/ practical.

Next Steps:

Although the banning of checkout shopping bags is a laudable goal which has proven to be somewhat successful in cities around the world, it is obviously imperative to have the input and/or support of local stakeholders, consumers, advocacy groups, business, and industry leaders for the regulation to be successful in Salmon Arm. An engagement process, similar to the City of Victoria, could be replicated to encourage success of the program.

Potential Schedule of Events:

December 2018	Council direct staff to prepare a staff report and draft bylaw on the regulation of single-use bags
February 2019	Council review the staff report and proposed bylaw. Direct staff to proceed with the engagement process
February 2019	Phase I: Engagement kick-off event with local stakeholders (with letters from the Mayor to local retailers)
March 2019	Meetings with industry representatives, advocacy groups, and local businesses (by invitation from the City)
April 2019	Open House (x2) and Public Meeting (perhaps a Special Council Meeting)
April 8, 2019	Consideration of first and second readings of bylaw
May 2019	Phase II: Engagement Process – open houses, social media, school and chamber meetings, letters to businesses, student led education campaigns
June 10, 2019	Public hearing (though a public hearing is not technically required for this type of bylaw). Consider changes to the bylaw based on public/industry input and third reading
June 24, 2019	Consideration of adoption of bylaw

Budget Impact:

There is no budget impact envisioned (barring some sort of legal challenge and assuming there are no major expenditures for public education materials or program supplies), although this assumes that any enforcement measures undertaken by staff will be minimal. As with other similar issues, (e.g. Pesticide Bylaw) staff would anticipate a barrage of letters, emails, inquiries, complaints, FOI inquiries, etc. over the months to come, and subsequent to bylaw adoption. There will be expectations for enforcement.

Bylaw Highlights:

Some important highlights of the proposed Checkout Shopping Bag Regulation Bylaw No. 4297 are:

- The bylaw stipulates that paper bags must be made from at least 40% of recycled content and a reusable bag must be capable of at least 100 uses (under normal use);
- There will be a six month transition period allowing businesses to use their existing plastic bag stock and source reusable bag options before the bylaw comes into full force January 1, 2020;
- Consumers must be asked if they require a bag and if so provided a paper bag or reusable bag at a fee;
- Paper or reusable bags cannot be provided free of charge. The minimum charges are 15 cents per paper bag and \$1 per reusable bag; increasing to 25 cents and \$2 after the six month transition period (i.e. January 1, 2020). This is to discourage consumers from purchasing paper and/or reusable bags each time they make a purchase;
- The bylaw provides exemptions for many items where a reusable bag would not be suitable; including the packaging of bulk items, frozen food, meats and poultry, flowers, large items that require protection and cannot fit in a reusable bag, etc. There are likely many other categories appropriate for an exemption which will become apparent over time; and
- The set fines for any offence are outlined in the proposed Bylaw No. 4297, which also includes an amendment to the Municipal Ticket Information Bylaw No. 2760. It is envisioned that any fines issued, which is unlikely, would be to the businesses in question and not the individual consumer (although it could be either or).

Other Considerations:

Some other issues for Council to consider include:

- The proposed bylaw would impact approximately 175 retail stores and 50 food outlets/restaurants within the City of Salmon Arm.
- Single-use/disposable coffee cups, although most are recyclable, likely pose as big of a negative environmental impact.
- The road to changing consumer behavior is a long one, which may be best left to industry
 in this circumstance (and industry has taken some big strides already in this regard).
- The bylaw could be amended to allow for a time during the transition period where businesses can provide reusable bags to consumers free of charge.

- Some residents will likely suggest that the City should provide reusable bags to each
 household free of charge (the cost of this has been estimated at \$20,000.00 with a 2 month
 production timeline).
- Plastic bags are used as a marketing tool by many retailers/fast food restaurants (although
 this could also be achieved with other types of reusable bags). Possible initiative to partner
 with Brand Leader organizations.
- The bylaw, as written, would apply to all retailers (not just grocery stores), etc. This is
 expected to require a major adjustment by fast food restaurants, in particular where
 disposable paper and plastic bags are common place and required for hygiene purposes.
 Compliance with the bylaw is unlikely in this regard.
- There may be an opportunity to partner with the education program for the organics recycling program; which will potentially offer door to door education throughout the City.
- This is the sort of issue that would benefit from a Province-wide approach (similar to the
 Pesticide issue) rather than have individual municipalities attempt to implement and
 enforce a patchwork of bylaws and regulations within their jurisdiction with varying
 degrees of expertise/resources. However, it sometimes takes the bold action of individual
 local governments (however small) to force such issues on to the Provincial Agenda.

In short, the bylaw proposes a phased approach for regulatory action to reduce plastic retail bag waste, and promote the adoption of more sustainable retail bags. Draft Bylaw No. 4297 has \essentially been copied from the City of Victoria's Checkout Shopping Bag Regulation Bylaw 18-008. As outlined within, the City may be well advised to wait for the outcome of the City of Victoria's ban on single-use plastic bags at the Court of Appeal before proceeding.

His Worship Mayor Harrison and Council

DATE:

April 2019

FROM:

Carl Bannister, Chief Administrative Officer

PERPARED BY:

Caylee Simmons, Executive Assistant

SUBJECT:

Checkout Shopping Bag Regulation Bylaw No. 4297 - Update

Recommendation:

THAT: a public input session for the proposed Checkout Shopping Bag Regulation Bylaw No. 4297 be held on Tuesday, April 23, 2019 from 6:00 p.m. to 7:00 p.m.

Background:

At the Monday, December 10, 2018 Regular Meeting Council directed staff to prepare a report that included a draft bylaw (Appendix 1), a recommended stakeholder engagement process and a draft communication plan for the prohibition of single-use plastic shopping bags in the City of Salmon Arm, to be implemented in conjunction with the proposed July 1, 2019 curbside organic pick-up program.

At the Monday, February 25, 2019 Regular Meeting Council received a report and draft bylaw and staff were directed to proceed with an engagement process.

Following the Council Meeting, Mayor Harrison issued a letter to the local business community via Chamber of Commerce, Downtown Salmon Arm and the Salmon Arm Economic Development Society. This information was shared with each organizations membership to help facilitate the City's engagement process (Appendix 2). In addition, an information page on the City website was created and shared through social media. Staff are also investigating an on-line survey.

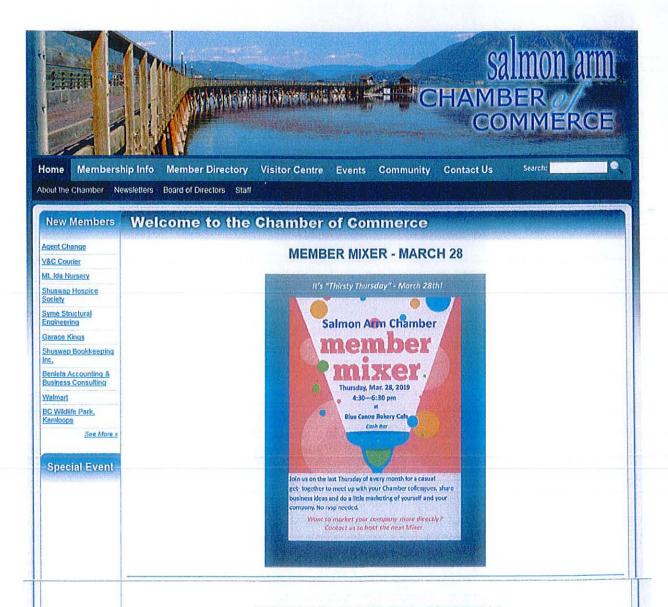

Thus far, the main points of concern are the inclusion of insurance document bag as an exemption and eliminating the mandatory fees for paper bags. The mandatory charges for bags, both paper and reusable, is to encourage consumers to reuse bags.

To date there has been minimal public input received, Appendix 3. However to continue with the engagement process it is recommended that a public information session be held to receive additional input.

NEW PROGRAM FOR 2019 - "THE POLL"

March is the start of our new member opinion program "The Poll". We're kicking it off with a question about the proposed Checkout Shopping Bag Regulation. Click here to take our 1 question survey or click on the image (the survey has a web link for more details on the proposed bylaw) . We'll be sharing the data on our website and with Council at the end of this month so make sure you take the poll!

SPRING 2019 ISSUE

DOWNTOWN UPDATE

Seasonal Publication Of Downtown Salmon Arm

Our vision is to have a compelling downtown experience. Our mission is to build a unique 'vibe' to attract and retain community residents, downtown employees as well as visitors through beautification, cultural projects, events, promotions, restaurants, retail and destination entertainment activities.

TIME OF RENEWAL

Spring is coming; renewal is upon us. Along with the warming temperatures and additional sun-lit hours each day, DSA is on the edge of change. Not only have we taken on a new look, but on December 31 this year, we draw a close to the City of Salmon Arm Bylaw 3787, our contractual agreement for operational budgets and responsibilities.

In the new bylaw, DSA is proposing a seven year term, from 2020-2027. The new mandate is based on a business plan and budget that promotes growth of new and existing programs that foster economic prosperity of our downtown.

DSA will work hard on your behalf to have a downtown that is a draw to small businesses, residents and tourists seven days a week. We are leading the charge to shift from creating a downtown for cars and traffic to one that is designed for pedestrians, bicyclists, as well as drivers. We want to see people out of their cars and enjoying what downtown Salmon Arm has to offer.

For more specific information, please join us our AGM/Open House, see page 2.

Subject:	Plastic bags
Body	Dear Mr. Mayor and council. I would like to challenge your recent decision to ban plastic bags. I believe you have made this decision with any input from the public. The categorization that plastic shopping bags are single use is false. Most people re-use bags for storage and lining house hold garbage bins. Denying the reuse of these bags will not reduce the volume in landfills as people will buy single use plastic bags to use instead. Did the city review other jurisdictions to determine what percentage of landfill debris was in their landfills. Calgary did study this matter and found less than 1 percent of refuse in the landfill was due to plastic garbage bags. We need to ensure convenience for the vacationing public as Salmon Arm is a tourist destination. Please put more thought into this decision before pursuing a policy that does little to nothing for the environment. Thank you

Caylee Simmons

From: Sent: Susan Whyte

Friday, March 01, 2019 11:37 PM

To: Subject: Caylee Simmons Let's move quickly

This would be a significant move to the good in our troubled world.

The town of Raglan, New Zealand, which is similar in size if not a bit smaller has just gone through this same process and I'm sure could happily offer some useful tips. I know there were groups making cloth bags and handing them out with promotional information about the changeover.

There has to be a grace period for the stores of bags in the larger grocers etc.

We should not stop with this. It would be a significant move to also promote the use of non-plastic biodegradable, disposable packaging made from such materials as hemp. Etc.

We have to address the problem of the CSRD requiring plastic bags for garbage and recycle especially when recycle could be put out in reusable blue boxes instead, something many people have tried to do but were disallowed by our disposal system.

And to promote less wrapping of produce in general. Ie an orange has a perfectly good wrapper, it's own peel. Why wrap it some more?

We could promote the older system of refills, bringing your own container and bulk bins like the Bulk Barn.

There's a big problem with disposable garbage in large complexes like seniors' homes and hospitals. The rood is often distributed in tiny packaged portions which is so disturbing. We are trying to be so antiseptic, we are triple polluting the environment by doing so. There needs to be some consciousness raising about the link between personal hygiene and the environment. Right now it seems like the two are compartmentalized and separated in people's minds.

Moving on, there's more.

We need to move forward with banning the use of toxic pesticides on public lawns and awareness about their use on private property.

Did you know that most wheat, not just GMO wheat, is sprayed with the systemic toxin, Roundup, manufactured by Monsanto so that there is residue in most all foods containing wheat, unless it is labelled organic? The farmers do this to create a predictable harvest because as soon as you spray the wheat or soy or corn crop, it will predictably ripen within 16 days. This is a systemic toxin. It goes right inside the seed and cannot be removed by discarding the exterior hull and we are all ingesting it!

We need to remove fluoride from the water.

Did you know that there is a significant amount of pharmaceuticals being flushed into our fresh water which raises the question why are we flushing into any of our waterways? This is fouling the whole water supply for everything and everyone.

Let's allow electric golf carts in town. It might speed up the death of gas running vehicles that are polluting the air we breathe.

there isn't enough forest to renew what air we have left. That sounds like a really stupid thing to do. Forests cool the environment. We are facing global warming and are still cutting these cooling, air refreshing forests down. The air layer around the Earth is alarmingly thin.

Let's set up a program to encourage our residents to fund and to use wind and solar electric power.

And finally, however we love our pet cats, they are killing the wild song birds at an alarming rate so that their numbers have been reduced to up to 70% of former populations.

It's time for some regulations based on awareness of these health harming situations instead of allowing ignorance or profit motive to rule our decision making.

Yours truly,

Susan Whyte

Charges

I fully support removing single use plastics, but do not agree with forcing businesses to charge for paper bags. It's nothing but a tax grab.

I think it's more important to encourage the public to use paper and/or reusable bags, so charging for these is counter active to the overall idea.

Personally I'd like to see pressure put on the big companies who still insist in wrapping their products in plastic, styrofoam, or other non biodegradable items, and while I understand that is not really the subject matter of this letter, it all ties in with plastic waste.

I urge council to seriously reconsider forcing this charge onto businesses, and then onto us, the buying public. I will continue to use my reusable bags, and welcome paper, but not as an added expense. Mrs B. Phillips

Good afternoon,

Yes banning plastic bags at store is a good move might want to consider plastic water bottles etc. As well down the road.

But seriously we are not allowed to use plastic bags and now you want a store to charge for paper bags. That is disgusting and absurd! The Shuswap is one of the most expensive cities I have ever lived in. The joke is "move to the Shuswap and please bring your wallet" in various forms. The rents are just as high as Langley, White Rock etc. Gas and groceries are just as expensive. Note than half the businesses don't even know what customer service is and I have heard that many times from people. I personally would walk out of the store & leave everything at the till as I have in the past if I am being charged for bags while I am trying to support local businesses. You people need to go back to the drawing board. Not even sure what the purpose of charging for paper bags is except a money grab for the taxes.

Let's make Salmon Arm affordable and inviting. Not penalized for shipping at local stores.

Thanks Ellen G

Re: Compostable Bags

Caylee

Damn haha, I feel like compostable plastic should be considered? I realize this is our problem but things like pies in boxes are large and one size and generally don't fit in any paper bags at all.. unless it was monstrous - or else we'll just have source a company that makes square bottomed canvas bags, which is also probably doable.

Hi,

We at Shuswap Pie Company have been using compostable plastic bags for about 4 years now...they work great and are available from Enterprise Paper as ell as I'm sure many other companies...will these still be acceptable? Perhaps other companies could purchase these for the items that still need bagging?

Concerns and options

Hi. My name is Diana Mangold and I am the Coordinator of the Second Harvest Food Bank and President of the Executive Board of Churches Thrift Store.

While in both places, we are encouraging people to use the reusable bags, I think if the plastic bags are totally done away with, it will have a negative effect on both of these places.

My alternative suggestion would be that it is highly encouraged but that businesses still be able to use plastic bags if they are compostable or recyclable. Especially the compostable option as obviously those break down well.

Thanks for listening.

Diana.

My thoughts on plastic bags

I totally agree with the proposed program of eliminating single plastic bag use. Our family has been using multiple use grocery bags for years.

However, I, like probably many others, have not made it a habit to take a reusable bag with me into other types of stores. (ex. Clothing, gift, etc.) That's my next personal challenge in not bringing these bags into our home.

To: Subject: Caylee Simmons Reusable bag ban

We would like to say that as a business we are 100% in favor of the ban on one time use plastic bags. As a retail store in downtown Salmon Arm we have already taken steps to move in this direction. We recently brought in mesh bags for customers to purchase and the response has been excellent. We are also mentoring a local Artisan that is making cloth bags that will be for sale.

Our big issue is being told that we must charge for paper bags and it has to be shown as a separate item on the receipt.

As a business, we feel it is our choice how we offset the cost of these bags. We currently use 80% paper bags and it is one of the costs of doing business.

To add another "department", IE Bags to our till is an expense and time consuming (programming, book keeping etc.)

As a city that has many tourists from places that do not have a similar bylaw, to tell them they have to pay for the bags is not something we are willing to do. We believe they will support the ban but not be thrilled to be charged separately for their bags when we have offered them for the past 1.5 years at no charge.

It is common for customers to purchase different items that require multiple bags or wrapping for travelling therefore the customer would be charged for multiple bags.

We ask that you reconsider this portion of the bylaw.

Thank you,

Good Morning Debbie,

Thank you for your input on the proposed Checkout Shopping Bag Regulations.

The bylaw as drafted is scheduled to come in to force on July 1, 2019 however it provides for a six month transition period allowing businesses to use their existing plastic bag stock and source reusable bag options before the bylaw comes into full force January 1, 2020.

If you have any further questions please do not hesitate to ask.

Hi just reading the letter pertaining to reusable bags in Salmon Arm as have been away.

When I opened my store I searched long and hard for a bag that "stood out." Although pricey I found a Canadian company out of Toronto making plastic bags from recycled materials. This excited me given the nature of my business. Although I have two concerns, I am completely onboard with the city of Salmon Arm getting rid of "plastic" bags.

- 1. There are companies making plastic bags they claim are "biodegradable." I think more research needs to be done to ensure bags used, claiming they are biodegradable actually are.
- 2. Clarity be made (if this is passed) that determines how much time business's have to use up bags they have OH, they have paid for? Heard something about charging the public for these bags?

I will be watching with much interest to see where this goes.

Thank You Deb Armour deb's Style Loft ----Original Message----

City of Salmon Arm,

I am writing to register my support in favour of implementing a plastic bag ban in Salmon Arm. The suggested timeline, and the paid bag options are very reasonable.

I would also suggest plastic produce bags be removed as there are now many other reusable options for shoppers.

Every small step in the right direction is important.

Sincerely,

Pamela Treleaven (sent from my iPhone, please forgive the brevity and/or typos)

To: Caylee Simmons Subject: Bag ban

Hello,

I have really mixed feelings about this bag ban. It is similar to my feelings on hybrid/electric cars. It sends the right message, but upon scrutiny isn't the right answer to the problem. As a disclaimer - I currently never take a bag at the grocery store and cart the groceries out to my car and load them in right from the cart. We use reusable bags at other types of stores. On the other hand I use plastic bags to pick up dog "waste", a plastic liner in my kitchen garbage, a single large plastic bag in my garbage can, and blue plastic recycling bags.

There is evidence that banning plastic bags does help waste in the ocean and reduce usage of the bags that are banned, but there is also evidence that the replacement isn't better - taking more energy and water to produce, higher carbon footprint, more weight to transport and require a huge number of reuses to compensate. The biggest issue for me, though, is that it seems to indicate to people that this will actually help make a difference - when there is evidence that this kind of thing being front and center every day gives people license to feel they are making a difference and stop taking the real action we need elsewhere:

https://www.smithsonianmag.com/smart-news/people-who-bring-their-own-grocery-bags-are-more-likely-buy-junk-food-180955855/

Eating less meat, one less trip to the store each week, etc would likely have a much bigger impact, for example.

Below are a few stories about similar bans:

https://www.google.ca/amp/s/www.wired.com/2016/06/banning-plastic-bags-great-world-right-not-fast/amp

https://www.google.ca/url?sa=i&source=web&cd=&ved=2ahUKEwjnz7STlKXhAhUqiVQKHfj_DSMQzPwBegQIARAC&url=https%3A%2F%2Fwww.news.com.au%2Ftechnology%2Fenvironment%2Fclimate-change%2Fplastic-bag-ban-many-alternatives-have-huge-environmental-footprints%2Fnews-

https://greenliving.lovetoknow.com/Why Should We Not Ban Plastic Bags

Thanks for reading, I really appeciate the effort to clean up our city (and the planet!), but I feel like particular issue may do more harm than good, or at best be neutral. I think just charging for plastic bags is the best approach, not forcing someone who forgets a bag to use paper or buy another high impact "reusable" bag. That said, personally I think it is crazy that we provide bags at all:) I've been to a lot of countries where you just wouldn't head to the market without something to carry things home in!

Hello,

I am definitely in favour of banning single use plastic bags. However, I would like this to go further and include bags that grapes come in , plastic around celery and plastic wrap around meat. It would be wonderful to eliminate the styrofoam as well. We get most of our meat at windmill where it's wrapped in paper.

Good start, salmon Arm!

To: Caylee Simmons **Subject:** Plastic bags

As I am quite certain the people that show up to your open house meeting about the usage of plastic bags in Salmon Arm will mostly be those who feel negatively about it (i.e. wish to complain) I thought I'd send an email of support for your campaign. Thank you for taking a very positive step towards the reduction of single-use plastic! Our world - and in particular, North America - is far too dependant on plastic, and is guilty of a huge volume of unnecessary waste. The next step is to confront the large companies who supply the retail chains to address their over-the-top use of packaging. I realize that is not a municipal issue, but one we can still have a voice in.

The main complaints you will receive will be:

- 1. Bags are recyclable. True but that in turn causes emissions, use of electricity/power, factories, machines etc.
- 2. I reuse my bags. Great! But so many people do not. And your bags end up in the trash or recycling sooner or later. Plus, the manufacturing of the bags still produces emissions and waste.
- 3. I use my bags for dog poop. Compostable dog poop bags are readily available. And, the city provides dog poop bags at all the parks and major walking trails.
- 4. I use my bags to line my garbage cans. There are alternatives (many, actually)
- 5. We don't live near the ocean, why is this our problem. Well, all waterways eventually lead to the ocean. And we are all responsible for our footprint on the earth.
- 6. It's inconvenient. Hmm... most of Europe has banned plastic bags some never had them to begin with (like small towns in Italy). Somehow, they have all gotten by just fine. There are many, many alternatives it isn't that hard to carry reusable bags with you. A fabric bag can be tucked in your purse or back pocket.
- 7. What about tourists. Well, see #6 above. Somehow, we'll manage. Most stores will likely have alternatives, such as paper bags, reused bags, cloth/fabric bags you can purchase. It's just a mindset we can all change and grow.

Any complaints beyond these are simply not relevant. We live in a day and age when we must be responsible for our actions, not leave it to the next generation to clean up after us. Our landfills are not endless, our water supply will not forever be pristine, and our decisions WILL impact others.

I only have one suggestion - that you give people a 3 - month "initiation" phase. During that time, they can still purchase plastic bags, for .50 or \$1/each. This may help remind them that the full ban is coming and needs to be adapted to.

Thank you for your time! I fully support the ban on plastic bags. Sincerely,

Karen Taylor

Caylee Simmons reusable bags

Good morning Mr Mayor and staff at Salmon Arm City Hall

My name is Kathy Wikkerink. and we are hearing a lot about banning the use of single use plastic bags. We are totally in favor of a greener planet.

However I am not at all in favor of this bylaw and find it quite narrow minded.

The reason being I and our family run a cheese farm with a store from our farm. We have many customers and I believe this is going to hurt small businesses like ours.

Plastic bags are not the only plastic filling the landfills,. The life style of the folks that make up our community is we are on the go. The plastic issue is a lifestyle issue. We buy convenience and it is filled with plastic waste is all around almost everything that we buy.

When customers come into my store and buy 6 pieces of cheese they have to go out the store with their hands full, they can't go for a stroll with a small bag in their hand Instead they have trouble getting out the door because those wedge are slippery and they want to fall out of their hands. Yes I can sell them a bag but "they have a cupboard full of bags". SO instead of enjoying themselves they are going to go to their car and leave. Or they are only going to buy 2 pieces of cheese because oops they forgot their bag. We charge for a single use bags and that is working. We have seen a large decline in bags. Taking away that as an option is wrong.

Small businesses in our small community are struggling to keep our customers coming to our places of business and now one more regulation to discourage them. Walmart's are way more convenient.

The idea is a lofty idea, and the feedback I read on Facebook is pretty narrow minded.

We want to encourage people to support small business, or don't we. By the way many of our customers don;t use single use plastic bags already so it will not effect them but the people who come might very well be discouraged. We are also a tourist stop, so now they have to cut down how many more trees, how do paper bags and ice packs mix?

We already have reusable bags available for our customers (but they cost a whole lot more than \$2.00-like you are suggesting).

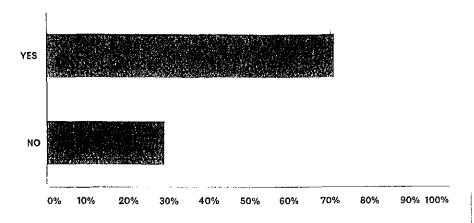

Please do things to support small businesses in your community. They are positive building blocks that we are being slowly snuffed out.

Thanks for your time.

Kathy Wikkerink

18	I think there needs to be a great campaign to educate people on the options and what "reusable" means. I think it needs to be clear, funny, and everywhere.	3/6/2019 5:54 PM
19	Most people carry cloth bags in their cars but forget to take them into the grocery store. If they knew that there were no plastic bags it would encourage more people to take their own bags in to the stores.	3/6/2019 5:07 PM
20	I think this issue is being addressed by industry already in the practice of charging for plastic bags. As Carl's letter says, changing consumer behaviour takes a long time, but it is happening already.	3/6/2019 4:43 PM
21	We already encourage this to our customers. Banning plastic bags is in my opinion only a tip of all the plastic that is used in consumerism in our day and age. The fast pace of life - is increasing plastics not decreasing them.	3/6/2019 3:21 PM
22	In the event we don't bring our own bags, is there going to be reusable bags for sale that do not contain plastic?	3/6/2019 3:13 PM
23	It was done in Fort McMurray years ago and was a huge success. We noticed the difference after the first winter. Much less to clean up. Wish they would do it with coffee cups and water bottles as well. No need for all the trash.	3/6/2019 3:12 PM
24	The board and staff of the Arts Council fully support this regulation. It is in line with our 3-year focus on mitigating climate change.	3/6/2019 2:56 PM
25	Although I support the regulation, I think we should wait until the appeal process launched by the Canadian Plastic Bag Association has been resolved before moving ahead.	3/6/2019 2:56 PM
26	I strongly support the intent of the proposed bylaw but also see the logistical and operational challenges that will be experienced by businesses and consumers alike. In the case of Salmon Arm, the argument that plastic bags pollute the oceans is irrelevant as refuse from Salmon Arm does not enter the ocean (arguably there is a point to be made about plastics in our lakes). The giant plastic doldrums in the ocean are primarily derived from Asia and historically poor waste management decisions in coastal cities (ie: the 1970s New York City garbage barge). Single use plastic grocery bags that see second use as kitchen waste bin liners before making their way to landfill at least serve some secondary purpose. Eliminating the retail plastic bag will necessitate for the vast majority of people the need to purchase NEW single use trash bags - so this is really implementing a net gain for manufacturers and retailers of plastic bags which not reducing the eventual waste going to landfill. Alternative by-law recommendation: I would recommend the requirement that single use bags be compostable (not biodegradable - as these usually require sunlight to degrade which is not possible in a landfill). These compostable bags could be paper or bio-plastic (corn starch base etc). Mandate a minimum end consumer charge per bag, which escalates over 3 - 5 years. (ie: \$0.10, \$0.15, \$0.25, \$0.50).	3/6/2019 2:51 PM
27	The more we as a City do to recycle and keep refuse out of the land fill the better. As an Automotive shop we are a large generator of stuff. We can almost recycle every thing and eliminate as much as possible going to the dump. If we can every one can	3/6/2019 2:44 PM
28	what happens if i don't have bags with me? then what?	3/6/2019 2:44 PM

Chamber of Commerce
Downtown Salmon Arm
Salmon Arm Economic Development Society

Dear: Local Stakeholders and Retailers

Re: Checkout Shopping Bag Regulation

I am very excited to announce that the Council has supported, in principle, the decision to help reduce plastic bag litter and waste in our community by considering a bylaw to regulate single use checkout shopping bags in the City of Salmon Arm.

The staff report and proposed bylaw were brought forward to Council on February 26, 2019. The bylaw proposes the regulation be implemented in conjunction with the proposed July 1, 2019 curbside organic pick-up program. There will be a six month transition period allowing businesses to use their existing plastic bag stock and source reusable bag options before the bylaw comes into full force January 1, 2020.

The City's current focus is to engage local stakeholders and receive their feedback on the proposed bylaw. The methods and degree of enforcement are still being contemplated.

The City's website on "Reducing Single-Use Plastic Bags in Salmon Arm" will be continually updated with the most up to date information. Please submit your feedback to the Administration Department at reusablebags@salmonarm.ca or contact 250.803.4036.

Yours truly,

Alan Harrison

Arm, British Columbia.

CARRIED UNANIMOUSLY

Memo to: Council

Re: Reusable bags with Salmon Arm branding

At the April 8th Council meeting I communicated I was looking into including one reusable grocery bag, per household, with our roll out of a recycling bin and two organic collection containers.

I see an opportunity here, to both help households get started in the habit of shopping with reusable bags, and also communicate our new branding project with the residents of Salmon Arm.

In our Sanitation and Recycling budget we presently have \$757,556. We are purchasing the bins and containers from this budget, at a cost of \$391,090. There is also a small deficit being funded for the 2019 year. The remaining balance will be \$304 116. I propose we fund the cost of the reusable bags from this budget. The estimated cost would be \$15 000, which would leave a balance of \$289 116.

Economic Development is interested in partnering in this project, with possible partial monies to help promote our new brand. They see this opportunity as a great way to carry our message to the residents of Salmon Arm.

THAT: Council approve the purchase and distribution of 8,000 reusable bags with the Salmon Arm brand to a maximum of \$15,000.00 funded from Solid Waste/Recycling Services;

AND THAT: staff be directed to lobby the Salmon Arm Economic Society to provide funding and enter into a cost sharing agreement for the purchase of 8,000 reusable bags.

His Worship Mayor Harrison and Members of Council

DATE:

March 11, 2019

SUBJECT:

Official Community Plan Amendment Application No. OCP4000-38

Zoning Amendment Application No. 1141

Legal:

Lot 1, Section 24, Township 20, Range 10, W6M, KDYD, Plan 17069

Civic:

1231 - 30 Street NE

Owners/Applicant: Cutting Edge Holdings LTD.

MOTION FOR CONSIDERATION

THAT:

A bylaw be prepared for Council's consideration, adoption of which would amend the Official Community Plan Bylaw No. 4000 Land Use Designation of Lot 1, Section 24, Township 20, Range 10, W6M, KDYD, Plan 17069 from HC (Highway Service/Tourist Commercial) to HDR (High Density Residential);

AND THAT:

Pursuant to Section 475 of the *Local Government Act*, Council has considered this Official Community Plan amendment after appropriate consultation with affected organizations and authorities;

AND THAT:

Pursuant to Section 476 of the Local Government Act, Council has considered this Official Community Plan amendment after required consultation with School District No. 83;

AND THAT:

Pursuant to Section 477 (3) (a) of the Local Government Act, Second Reading of the Official Community Plan bylaw be withheld pending Council's consideration of the amendment in conjunction with:

- 1) The Financial Plans of the City of Salmon Arm; and
- 2) The Liquid Waste Management Plan of the City of Salmon Arm.

AND THAT:

A bylaw be prepared for Council's consideration, adoption of which would amend Zoning Bylaw No. 2303 by rezoning Lot 1, Section 24, Township 20, Range 10, W6M, KDYD, Plan 17069 from R-1 (Single-Family Residential) to R-5 (High Density Residential):

AND FURTHER THAT: Final Reading of the Zoning Amendment Bylaw be withheld subject to:

- 1) Ministry of Transportation and Infrastructure approval; and
- 2) Adoption of the associated Official Community Plan Amendment Bylaw.

STAFF RECOMMENDATION

THAT:

The motion for consideration be adopted:

PROPOSAL

The subject parcel is located at 1231 – 30 Street NE, just north of the Trans Canada Highway (Appendices 1 and 2). It is designated Highway Service / Tourist Commercial (HC) in the City's Official Community Plan (OCP) and zoned R-1 (Single Family Residential) in the Zoning Bylaw (Appendix 3 and 4). The parcel currently contains a single family dwelling (site photos are attached as Appendix 5).

The purpose of this application is to amend the OCP and rezone the subject parcel to accommodate a multi family residential use. As discussed in more detail, a high density land use designation is deemed to be the most appropriate designation of the OCP.

The Zoning Map attached shows the mix of zones in the immediate area, predominantly Residential (R-4 with R-1 and R-5), with Rural zones to the east, and Commercial zones further to the west and south. Land uses adjacent to the subject parcel include the following:

North: Residential land (R-1 Single Family and R-4 Medium Density Residential)

South: Residential land (R-1 Single Family Residential)

East: Road (30 Street NE) and A-2 (Rural Holding) land beyond

West: Residential land (R-4 Medium Density Residential)

A conceptual site plan (Appendix 6) has been submitted to illustrate the development proposal featuring 5 or 6 three-storey residential units. While the details of the attached plans are unclear, they represent the intent of the applicant at this time and would be subject to detailed review at the Development Permit stage. Note the maximum height in the R-5 zone is 12 metres (39.4 feet), without a height bonus, while the maximum height permitted in the C-6 zone (envisioned by the OCP "HC" designation) is 19 metres (62.3 feet).

If rezoned to R-5, a form and character residential development permit application would be required prior to development to address building forms, site plan, lot grading, and landscaping designs. A Development Permit application would be reviewed by City staff, the Design Review Panel, and then by Council for consideration of approval.

OCP POLICY

The proposed OCP amendment from HC (Highway Service / Tourist Commercial) to HR (Residential - High Density) would place the subject parcels in Residential Development Area A, considered the highest priority for development. The proposed amendment to HR would align with the OCP's Urban Residential Objectives listed in Section 8.2 and the Urban Residential Policies listed in Section 8.3, including providing a variety of housing types, providing housing options, and supporting compact communities. In terms of siting, the proposal appears aligned with OCP Siting Policies under Section 8.3.19, including good access to transportation routes, recreation, community services, and utility servicing.

Section 475 & 476 - Local Government Act

Pursuant to Sections 475 and 476 of the Local Government Act (consultation during OCP amendments), the proposed OCP amendments were referred to the following organizations on January 23, 2019:

Adams Lake Indian Band: No response to date

Neskonlith Indian Band: No response to date

Economic Development Society: Letter of support attached (Appendix 7).

Interior Health Authority: No response to date

School District No. 83: No response to date (pursuant to Section 476)

Page 2 of 4

Section 477 - Local Government Act

Pursuant to Section 477 of the Local Government Act (adoption procedures for an OCP amendment), prior to Second Reading of the bylaw, Council must consider the proposed OCP amendment in relation to the City's financial and waste management plans. In the opinion of staff, this proposed OCP amendment is largely consistent with both the City's financial and waste management plans.

COMMENTS

Ministry of Transportation & Infrastructure

MOTI has granted preliminary approval (Appendix 8).

Engineering Department

Servicing information provided to applicant in advance of any future development (Appendix 9).

Planning Department

The surrounding neighbourhood has been undergoing slow development with a mix of older, single family housing and newer condominium, institutional and commercial development, most significantly the uptown SASCU / Askew's location and the 21 Street NE underpass. The subject parcel is located in an area well-suited for higher density residential development featuring sidewalks and transit routes, being within close walking distance of the commercial node to the west, the recreation centre and arena, schools (including Okanagan College), as well as the City Centre and hospital further west.

At present, the subject parcel may be considered less ideal for Highway Service / Tourist Commercial development as presently designated, considering the size of the parcel, the commercial node established to the west, and the proximity of recent residential development. As noted, the Residential – High Density (HD) designation in the City's Official Community Plan (OCP) supports the proposed development scenario, which in the opinion of staff aligns with broad OCP policies.

The maximum residential density permitted under R-5 zoning is 100 dwelling units per hectare of land. As the subject property is 0.13 hectares in area, the maximum permitted density would be 13 dwelling units assuming: 1) the present gross areas of the subject parcel; and 2) no density bonus. With a density bonus under R-5 zoning, the maximum density is 130 units per hectare, or 16 units on 0.13 hectares, with a height increase to 15 m. The minimum residential density permitted under R-5 zoning is 3 units in the form of a triplex. The applicant is currently proposing a 5-to-6 unit development (which equates to a density of 46 units per hectare) subject to a Development Permit application. The proposed development should align well with the residential development to the north, south, and west.

Table 1 – R-5 Zoning Analysis (0.48 hectare area)

	R-5 Permitted/Required	R-5 with Bonus	<u>Proposed</u>
Density	13 units	16 units	5-to-6 units
Height	12 m	15 m	tbd
Parcel Coverage	55 %	70 %	tbd
Setback - front	5 m	5 m	tbd
Setback – interior side	2.4 m	2.4 m	tbd
Setback - rear	5 m	5 m	tbd
Parking	16	20	tbd
Small Car Spaces	20 % (3)	20 % (4)	tbd

Considering the proposed development concept, a 6 unit development would be required to provide 8 parking stalls. The provision of on-site parking is practical and necessary, as the opportunity for on-street parking at this site is very limited.

As previously noted, if rezoned as proposed, a form and character development permit application would be required prior to development and would clarify the inclusion of various site elements. Detailed site plans, building renderings, a landscape plan provided by a landscape architect, and a lot grading plan submitted at the development permit stage are all required to illustrate how the applicant's proposal would address various requirements. Specific details regarding building design including heights, and site planning including the requisite screened refuse/recycling area, fencing and landscaping have not yet been determined. Staff note that parking areas are required to meet the standards specified in the Zoning Bylaw, including hard surfacing, grading, drainage, and delineation (painted lines) of parking spaces.

Staff have discussed these matters with the applicant and as such, staff are comfortable with the concept as proposed at this stage, with the expectation that detailed designs are forthcoming and the understanding that these details are required at the Development Permit stage.

CONCLUSION

The proposed Residential - High Density (HR) OCP land use designation and R-5 zoning of the subject properties is consistent with OCP residential policy, will not result in any significant impact on the City's commercial land supply, and is therefore supported by staff.

Attention:

Kevin Pearson

Director of Development Services

Dear Sir:

Re: OCP Amendment Application No OCP4000-38

The Salmon Arm Economic Development Society (SAEDS) Board of Directors has reviewed the information for the above-noted OCP Amendment Referral to redesignate the OCP designation of the property located at 1231 30th Street NE, Salmon Arm from Highway Commercial to High Density Residential and the zoning of the same property from R1 to R5. The Board has no objections to the application, based on the information provided.

We thank you for the opportunity to comment on this OCP Amendment Referral.

Sincerely,

Lana Fitt, Economic Development Manager Salmon Arm Economic Development Society

CIVIC:

1231 - 30 Street NE

Further to your referral dated 17 January, 2019, the Engineering Department does not have any concerns related to the Re-zoning and OCP amendment and recommends approval.

In advance of any development proceeding to the next stages we provide the following servicing information. These comments and servicing requirements are not conditions for Rezoning / OCP Amendment; however, these comments are provided as a courtesy, prior to the next stage of development.

General:

- Full municipal services are required as noted herein. Owner / Developer to comply fully with the requirements of the Subdivision and Development Services Bylaw No 4163. Notwithstanding the comments contained in this referral, it is the applicant's responsibility to ensure these standards are met.
- 2. Comments provided below reflect the best available information. Detailed engineering data, or other information not available at this time, may change the contents of these comments.
- 3. Properties shall have all necessary public infrastructure installed to ensure properties can be serviced with (underground) electrical and telecommunication wiring upon development.
- 4. Property under the control and jurisdiction of the municipality shall be reinstated to City satisfaction.
- 5. Owner / Developer will be responsible for all costs incurred by the City of Salmon Arm during construction and inspections. This amount may be required prior to construction. Contact City Engineering Department for further clarification.
- 6. Erosion and Sediment Control measures will be required at time of construction. ESC plans to be approved by the City of Salmon Arm.
- 7. Any existing services (water, sewer, hydro, telus, gas, etc) traversing the proposed lot must be protected by easement or relocated outside of the proposed building envelope. Owner/Developer will be required to prove the location of these services. Owner / Developer is responsible for all associated costs.
- 8. At the time of subdivision the applicant will be required to submit for City review and approval a detailed site servicing / lot grading plan for all on-site (private) work. This plan will

OCP AMENDMENT APPLICATION NO. OCP4000-38 ZONING AMENDMENT APPLICATION FILE NO. ZON-1141 08 February 2019 Page 2

show such items as parking lot design, underground utility locations, pipe sizes, pipe elevations, pipe grades, catchbasin(s), control/containment of surface water, contours (as required), lot/corner elevations, impact on adjacent properties, etc.

9. For the off-site improvements at the time of development the applicant will be required to submit for City review and approval detailed engineered plans for all off-site construction work. These plans must be prepared by a qualified engineer. As a condition of development approval, the applicant will be required to deposit with the City funds equaling 125% of the estimated cost for all off-site construction work.

Roads / Access:

- 1. 30 Street NE, on the subject properties Eastern boundary, is designated as an Urban Arterial Road standard, with an ultimate 25.0m road dedication (12.5m on either side of road centerline). Although the City only requires an Interim total of 20.0m of road dedication (10.0m on either side of road centerline) at this time, all building setbacks will be required to conform to the ultimate 25.0m cross section. Available records indicate that no additional road dedication is required (to be confirmed by BCLS).
- 2. 30 Street NE is currently constructed to an Interim Urban Arterial Road standard, Upgrading to the approved Interim Urban Arterial Road standard will require the installation of one additional street light in accordance with drawing SL-1. No further upgrading is anticipated at this time.
- 3. Owner / Developer is responsible for ensuring all boulevards and driveways are graded at 2.0% towards the existing roadway.
- 4. There is currently a single residential letdown to the property. Only one letdown (8m maximum width) will be permitted, any un-used letdowns are to be reinstated. Owner / Developer is responsible for all associated costs.
- 5. It is recommended that a turn-around is incorporated into the design, suitably sized to allow service vehicles to turn and exit in a forward direction.

Water:

- The subject property fronts a 300mm diameter Zone 4 watermain on the West side of 30 Street NE and a 250mm diameter Zone 4 watermain on the East side of 30 Street NE. No upgrades will be required at this time.
- 2. Records indicate that the existing property is serviced by a service of unknown size from the 300mm diameter watermain on 30 Street NE. All existing inadequate / unused services must be abandoned at the main. Owner / Developer is responsible for all associated costs.
- 3. The proposed development is to be serviced by a single metered water service connection (as per Specification Drawing No. W-10), adequately sized to satisfy the proposed use.

OCP AMENDMENT APPLICATION NO. OCP4000-38 ZONING AMENDMENT APPLICATION FILE NO. ZON-1141 08 February 2019 Page 3

Water meter will be supplied by the City at the time of subdivision, at the Owner / Developer's cost. Owner / Developer is responsible for all associated costs.

- 4. Bare Land Strata developments with ground oriented access have the option of a bulk water meter installed at property line at time of subdivision with invoicing to the Strata Corporation or individual strata lot metering with invoicing to each strata lot (currently on an annual flat rate). To qualify for the second option each unit requires a separate outside water service shut-off connected to the onsite private water main. Contact Engineering Department for more information. All meters will be provided at time of building permit by the City, at the owner/developers cost.
- 5. The subject property is in an area with sufficient fire flows and pressures according to the 2011 Water Study (OD&K 2012).
- 6. Fire protection requirements to be confirmed with the Building Department and Fire Department.

Sanitary:

- 1. The subject property fronts a 200mm diameter sanitary sewer on 30 Street NE. No upgrades will be required at this time.
- The development is be serviced by a single sanitary service connection adequately sized (minimum 100mm diameter) to satisfy the servicing requirements of the development. Owner / Developer is responsible for all associated costs.
- Records indicate that the existing property is serviced by a 100mm service from the sanitary sewer on 30 Street NE. All existing inadequate/unused services must be abandoned at the main. Owner / Developer is responsible for all associated costs.

Drainage:

- 1. The subject property fronts a 300mm diameter storm sewer on 30 Street NE. No upgrades will be required at this time.
- Records indicate that the existing property is not serviced with a storm service. All existing inadequate/unused services must be abandoned at the main. Owner / Developer is responsible for all associated costs.
- 3. An Integrated Stormwater Management Plan (ISMP) conforming to the requirements of the Subdivision and Development Servicing Bylaw No. 4163, Schedule B, Part 1, Section 7 shall be provided.
- 4. Where onsite disposal of stormwater is recommended by the ISMP, an "Alternative Stormwater System" shall be provided in accordance with Section 7.2.

OCP AMENDMENT APPLICATION NO. OCP4000-38 ZONING AMENDMENT APPLICATION FILE NO. ZON-1141 08 February 2019 Page 4

5. Where discharge into the Municipal Stormwater Collection System is recommended by the ISMP, this shall be in accordance with Section 7.3. The proposed lot(s) shall be serviced (each) by a single storm service connection adequately sized (minimum 150mm) to satisfy the servicing requirements of the development. Owner / Developer's engineer may be required to prove that there is sufficient downstream capacity within the existing City Storm System to receive the proposed discharge from the development. All existing inadequate / unused services must be abandoned at the main. Owner / Developer is responsible for all associated costs.

Geotechnical:

1. A geotechnical report in accordance with the Engineering Departments Geotechnical Study Terms of Reference for: Category A (Building Foundation Design), is required.

Subject: Zoning bylaw 2303

Hello the reason for this message as we will be away on April 23rd

we are opposed to this idea reasons for,

the area as is ,there is a lot of congestion even though we have the set of lights on the corner by McDonald's

it makes it very difficult still getting into our subdivision to have more homes it would just be that much more also we have a senior's place down the road and is very busy with ambulances going past here he just need to be against this too much traffic too much congestion in the area this is both for myself Cheryl Hughes and my husband Kitchener Hughes

Thank you

<u>CITY OF SALMON ARM</u> <u>NOTICE OF PUBLIC HEARING</u>

Notice is hereby given that the Council of the City of Salmon Arm will hold a Public Hearing in the Council Chambers at City Hall, 500 – 2 Avenue NE, Salmon Arm, British Columbia, on Tuesday, April 23, 2019 at 7:00 p.m.

2) Proposed Amendment to Zoning Bylaw No 2303:

Proposed Rezoning Lot A, Section 13, Township 20, Range 10, W6M, KDYD, Plan 27050, Except Plans 36325 & EPP89786 from R-1 Single Family Residential Zone to R-8 Residential Suite Zone.

Civic Address: 960 - 12 Street SE

Location: Southeast of the intersection of Auto Road SE and 15 Street SE

Present Use: Single family dwelling

Proposed Use: Single family dwelling with a suite

Owner / Applicant: 1129288 BC Ltd.

Reference: ZON-1145/ Bylaw No. 4331

The file for the proposed bylaws is available for inspection between the hours of 8:30 a.m. and 4:00 p.m., Monday through Friday, excluding holidays from April 9 to 23, 2019, both inclusive, in the office of the Corporate Officer at City Hall, 500 - 2 Avenue NE.

Those who deem their interest affected by the proposed bylaw are urged to review the file available in the Development Services Department (or telephone 250-803-4021) to obtain the facts of the proposal prior to the Public Hearing.

Erin Jackson, Director of Corporate Services

Date:

March 18, 2019

Subject:

Zoning Bylaw Amendment Application No. 1145

Legal:

Lot A, Section 13, Township 20, Range 10, W6M, KDYD, Plan 27050,

Except Plan 36325 & EPP89786

Civic:

960 12 Street SE

Owner/Applicant:

1129288 BC Ltd. / Lawson Developments Ltd.

MOTION FOR CONSIDERATION

THAT:

a bylaw be prepared for Council's consideration, adoption of which would amend Zoning Bylaw No. 2303 by rezoning Lot A, Section 13, Township 20, Range 10, W6M, KDYD, Plan 27050, Except Plan 36325 & EPP89786 from R-1 (Single Family Residential Zone) to R-8 (Residential Suite Zone).

STAFF RECOMMENDATION

THAT:

The motion for consideration be adopted.

PROPOSAL

The subject parcel is approximately 0.46 acres (1,854 square metres) in area and is located at 960 12 Street SE (Appendix 1 and 2). The ultimate intent is to subdivide the subject parcel to create two new lots and a remainder parcel with the existing house. This proposal is to rezone the subject parcel from R-1 (Single Family Residential) to R-8 (Residential Suite) to permit the construction and use of new single family dwellings containing a secondary suites, and would also permit the construction of a secondary suite within the existing house (subject to BC Building Code).

BACKGROUND

The subject parcel is designated Low Density Residential in the City's Official Community Plan (OCP) and zoned R-1 (Single Family Residential) in the Zoning Bylaw (Appendix 3 and 4). The parcel is located in a residential area largely comprised of R-1, R-7 and R-8 zoned parcels containing single family dwellings. There are over 25 R-8 zoned parcels within the vicinity of the subject parcel.

The subject parcel contains a single family dwelling and mature vegetation, and is approximately 1,854 m² in area. Site photos are attached as Appendix 5. The proposed parcels shown in the Site Plan (Appendix 6) meet both the conditions of minimum parcel area and minimum parcel width as specified by the proposed R-8 zone. A subdivision application has been submitted (Sub-19.01).

The purpose of this amendment is to allow the future development and use of new *single-family dwellings* containing a *secondary suite* (the proposed R-8 parcels do not have sufficient area to permit a *detached suite*), while no changes are anticipated at this time to the existing house. Development would require a building permit and be subject to meeting Zoning Bylaw and BC Building Code requirements.

Policy 8.3.25 of the OCP provides for the consideration of secondary suites in all Residential (High, Medium, and Low) designated areas via a rezoning application, subject to compliance with the Zoning Bylaw and the BC Building Code.

The Zoning Bylaw also requires a secondary suite to have one designated offstreet parking stall in addition to the two stalls required for the single family dwelling. Based on parcel area the subject parcel (and proposed parcels) all have more than sufficient space to accommodate the offstreet parking requirements.

COMMENTS

Engineering Department

No Concerns. Detailed comments provided with subdivision application Sub-19.01.

Building Department

No Concerns subject to BC Building Code requirements. A building permit will be required to create a suite in the existing house on the remainder lot.

Fire Department

No concerns.

Planning Department

The proposed R-8 zoning of the subject parcel is consistent with the OCP and is therefore supported by staff. The area and dimensions of the proposed lots are suitable for the proposed use and development: minimum setbacks, parcel coverage, building separation, parking and access should be easily achievable.

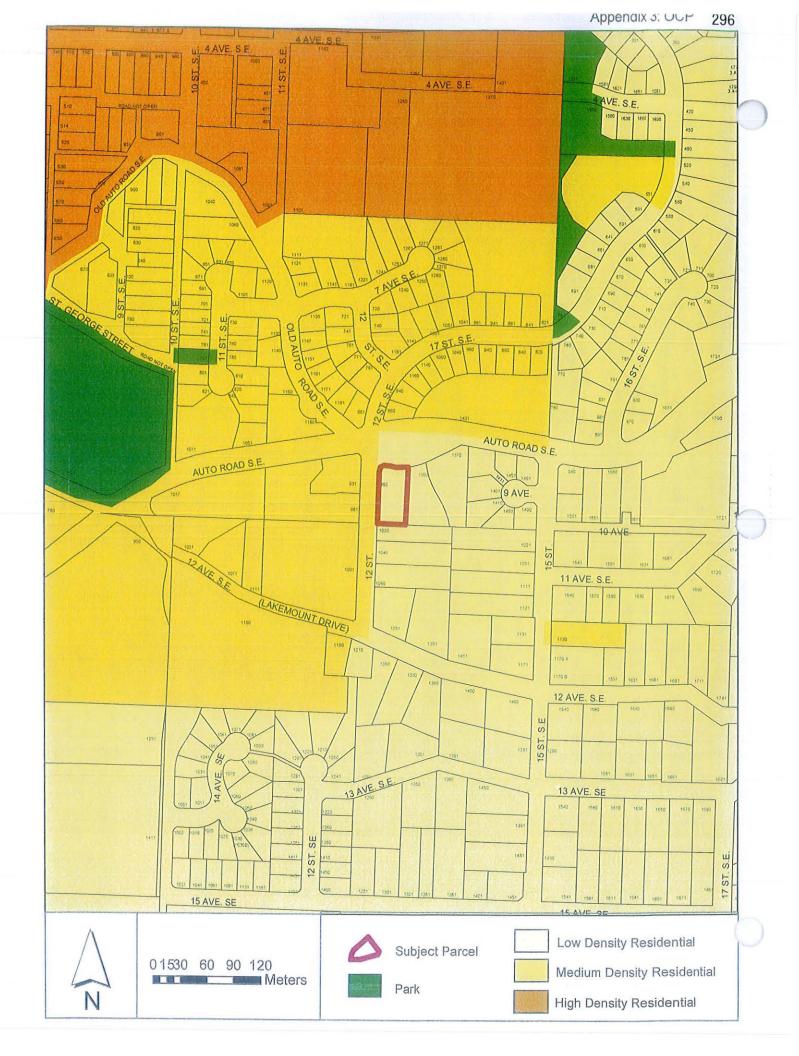

Any development of a single-family dwelling with a secondary suite or a secondary suite in the existing house would require a building permit and will be subject to meeting Zoning Bylaw and BC Building Code requirements.

Zoning Bylaw Amendment Application No. 1146

Legal:

Lot 9, Section 25, Township 20, Range 10, W6M, KDYD, Plan EPP55453

Civic: 3200 - 20 Street NE

Owner/Applicant: Templin, R. & S. / Wong, W.

MOTION FOR CONSIDERATION

THAT:

a bylaw be prepared for Council's consideration, adoption of which would amend Zoning Bylaw No. 2303 by rezoning Lot 9, Section 25, Township 20, Range 10, W6M, KDYD, Plan EPP55453 <u>from</u> R-7 (Large Lot Single Family Residential Zone) to R-8 (Residential Suite Zone).

STAFF RECOMMENDATION

THAT:

The motion for consideration be adopted.

PROPOSAL

The subject parcel is located at 3200 20 Street NE (Appendix 1 and 2) and is presently vacant. The proposal is to rezone the parcel from R-7 (Large Lot Single Family Residential) to R-8 (Residential Suite) to permit the construction of a secondary suite.

BACKGROUND

The subject parcel is designated Low Density Residential in the City's Official Community Plan (OCP) and zoned R-7 (Large Lot Single Family Residential) in the Zoning Bylaw (Appendix 3 & 4). The subject parcel is located in the Upper Lakeshore area, largely comprised of R-7 zoned parcels containing single family dwellings with associated accessory buildings. There are currently six R-8 zoned parcels within the proximity of the subject parcel.

The subject parcel meets the conditions as specified to permit a secondary suite within the proposed R-8 zone. Site photos are attached as Appendix 5. The intent of the applicant is to develop a conforming detached suite and single family dwelling. No site or development plan has been provided for this application. Development of a secondary suite within a dwelling would require a building permit and will be subject to meeting Zoning Bylaw, BC Building Code requirements. Construction of a detached suite would need to meet these same requirements in addition to being sited outside of the Agricultural Land Commission's 20 m / 27.8 covenanted area prohibiting residential development in the rear yard.

Policy 8.3.25 of the OCP provides for the consideration of secondary suites in all Residential (High, Medium, and Low) designated areas via a rezoning application, subject to compliance with the Zoning Bylaw and the BC Building Code. Based on parcel area, the subject property should have potential to meet the conditions for the development of a *detached suite*, including sufficient space for an additional off-street parking stall.

COMMENTS

Engineering Department

No concerns.

Building Department

BC Building Code will apply.

Development Cost Charges (DCCs) are payable at the time of Building Permit for a *Detached Suite* in the amount of \$6,064.31 (same as the DCCs for a High Density Residential Unit).

Fire Department

No concerns.

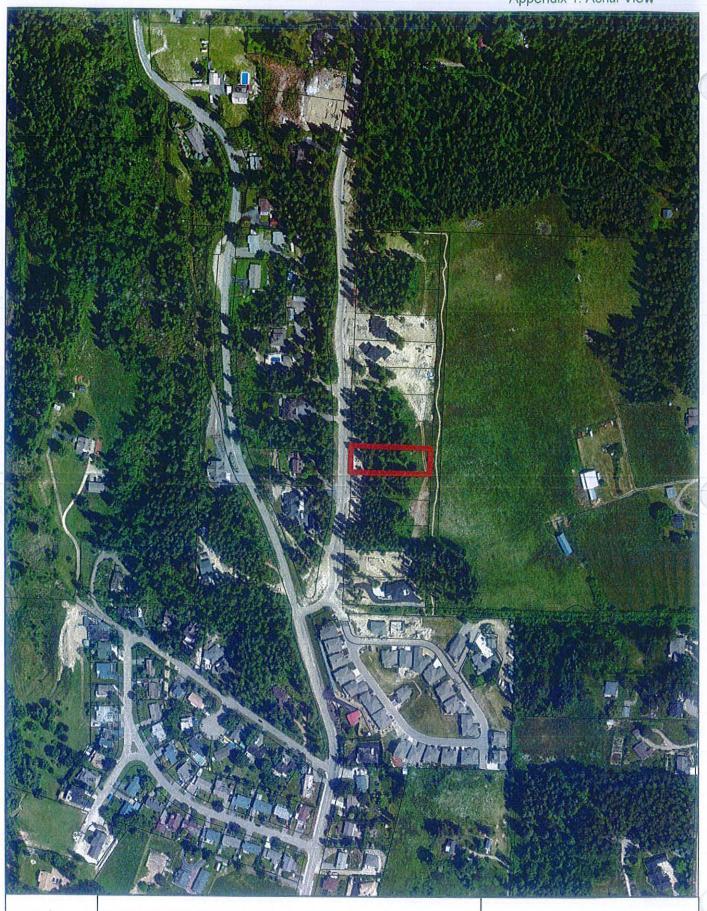

)

Planning Department

The proposed R-8 zoning is consistent with the OCP and is therefore supported by staff.

Follow-Up L. Jack Letter.pdf Attachments:

Hi Linda,

Thank you for your March 22 letter to Mayor and City Council that was discussed at the April 8, 2019 Regular Council meeting. I have been asked to respond.

1) Intersection cameras - the idea of installing cameras to control speeding and red light runners at our downtown intersection of the Trans Canada Highway (TCH) has been discussed for almost 10 years. Successive City Councils and our current Mayor have agreed with your perspective of this situation and have lobbied strongly for cameras. The Ministry of Transportation and Infrastructure (MoTI) has continually advised City Council that such cameras are not warranted for a number of technical reasons. MoTI has jurisdiction over the TCH corridor though Salmon Arm. In recent years, we have also seen the RCMP stepping up their traffic enforcement through this corridor.

MoTI in partnership with the City has devised a comprehensive safety plan for the TCH downtown corridor, which includes the relocation of traffic signals from Ross Street to 4 Street NE among various new turning lanes and advanced signalization. The City supports this project, and it is expected to be implemented prior to the summer of this year.

- 2) Billboard signs are not permitted by the City's Sign Bylaw. Where you see billboards when driving through Salmon Arm along the TCH is likely either First Nations land and/or within the TCH right of way, both of which are land outside of the City's regulatory jurisdiction.
- 3) Casino sign at the TCH and 10 Street SW intersection is situated on First Nations land and outside of the City's jurisdiction. If there are safety concerns, MoTI administers the Motor Vehicle Act and I am fairly sure it is aware of the sign. I will forward your letter and this e-mail to MoTI.

Kevin Pearson | Director of Development Services | Approving Officer Box 40, 500 - 2 Avenue NE, Salmon Arm BC V1E 4N2 **P** 250.803.4015 | **F** 250.803.4041 E kpearson@salmonarm.ca | W www.salmonarm.ca

SALMONARM

MAR 2 0 2019,

Dear Mayor and City Council,

3 citizen wishes for you to ponder.

- 1) I have lived in Salmon Arm for 5 years now and have seen nothing done about drivers of all kinds running the red lights. The truckers are the scariest, but people gunning it instead of slowing down when the light turns yellow are just as bad. I am in Kamloops a lot for work and have noticed many cameras at intersections. Can that be implemented here as a bandaid until something else is done? Is a regular police presence handing out tickets an option. Why do most people seem to slow down to 60 driving through Sorrento and yet they think they can blast through our downtown?
- 2) Can we just get rid of all the 'rent me' empty billboards coming into town from the west. Wouldn't a view of the lake be nicer to look at for our citizens and tourists?
- 3) Any chance the extremely bright advertising sign at the Casino be toned down. It is almost distracting when it is dark out and your driving towards it.

Thanks for reading this. If anyone wants to respond my email address is

Linda

Dear Mayor Harrison This is the letter FY IT
gent to No Frills. I referred to you in paragraph 5.

Mr. Brad Housden Brad's No Frills Centenoka Mall, 306 Trans Canada Highway, Suite 2 Salmon Arm, B.C. V1E 1B4

Maureen Fisher 1051 14th Ave SE Salmon Arm, B.C. V1E 2R5

Dear Mr. Housden,

I am guessing at the spelling of your surname and hope I got it right. I am writing to you to express my extreme disappointment at the removal of bins of cardboard boxes in front of the checkout bays. I always used these boxes along with reusable cloth bags, on every shopping trip to carry my groceries.

I assume a customer complained that people fetching boxes were obstructing the exit area. In my mind this complaint is a bit far-fetched since there is plenty of room to pass.

Considering city hall's move to ban single use plastic bags as of July 1st, alternatives become necessary. Hopefully, shoppers will remember to bring cloth bags, but for those who don't, boxes are an ideal option. Switching to paper bags leads to more wasting of trees and they will often go to a landfill anyway. There is a cost to you in paying staff to break boxes down and be taken away by a recycling service. Surely there is a cost savings to have customers take boxes away for free.

I observed the exit area in front of the cash registers today and thought you could possibly rearrange the ice cooler and water bottle stand to allow some room for box bins.

I spoke to Mayor Harrison yesterday on this issue and he mentioned having had a recent meeting with you about the upcoming ban on plastic bags. He concurred that the availability of cardboard boxes for customer's use might be helpful.

On another matter, over the last few years I have donated dozens of grocery gift cards to Shuswap Second Harvest Food Bank before Christmas. The cards are distributed to families with children. Last year there were 31 such families plus more than 100 individuals. This year I will again be buying \$100 certificates for families with kids. I have checked with Shuswap Second Harvest head office manager Diana, that giving these gift certificates with the receipts directly to head

2

office for distribution to needy families will generate a charitable donation tax receipt for me. The advantage to you is that shoppers become habituated to your store as \$100 is most often spent over successive trips.

I ask that you consider donating several lower value grocery gift certificates to the food bank for the individual patrons. I believe that charity decisions within corporations are set early in the year. Likely a charitable donation tax receipt would be given to No Frills. I hope that your near end date food is being donated rather than trashed. Food Bank has a lot of volunteers who could assist with pick up and delivery of the food. The donation of gift cards would be a superb PR move which you could tout on your website. Last Christmas the Salmon Arm Observer photographed me and wrote a brief article about my donation in the newspaper.

Diana – Shuswap Second Harvest Food Bank

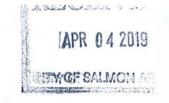

360 B Alexander St. NE

250-833-4011

I would appreciate a response to my letter. You could send an email to Maureen.e.fisher@gmail.com Thank you.

Maureen Fisher

Councillor Lindgren. Letter to City Council re Arthur Channer's letter.

It has recently been brought to my attention that Mr. Channer presented a letter to the city council with his opinion of the proposed Shuswap Performing Arts and Culture Centre. I have tried to contact Mr. Channer four times over the past week but he has not responded to my emails or phone calls. Mr. Channer spent a brief period of time (3 years) as one of the board members of Shuswap Theatre before leaving. I have been involved with the theatre group continuously for 41 years. Mr. Channer has had no contact with the Shuswap Society for the Arts and Culture, the organization that has been working on the performing arts centre for 14 years.

May I indulge the council in a brief correction of Mr. Channer's letter sent to you on 3/30/19.

The SSAC has studied not only the Revelstoke Theatre but at least two-dozen other theatres and performing arts centre. They have also visited many of those centers and discussed the pros and cons of the facility with the people that built and run them. The Revelstoke centre is only 275 seats (10 less than the Salmar Classic) and is operated by the Revelstoke Arts Council and the local School District. It is not really comparable to the proposed centre for Salmon Arm.

The SSAC is aware that the city has stated there will be no financial contribution for the operation of a performing arts centre, so the business concept has been designed to be financially self-sufficient. Over the years we have had four professional architects review our floor plans. We have had several financial professionals help us develop the business concept and about two-dozen "experts" from various fields speak to the group offering their advice and recommendations on many aspects of building and running a similar facility.

The SSAC has consulted with a dozen or more arts and cultural groups within the city as well as received very positive feedback from over 3000 local residents.

It is unfortunate that Mr. Channer, who was a lawyer, did not take the time to inform himself of the current status of the proposed multi-functional performing arts centre. I believe the city councillors are much better informed then Mr. Channer and would never hesitate to ask questions before drawing erroneous conclusions.

Respectfully yours,

Jake Jacobson

Subject: 2019 Soap Box Derby Council Approval

Good Morning Erin,

Brody and I are working here to getting things in place in hopes of hosting the Soap Box Derby again this year. The date we would be looking at is again the 3rd weekend in September, September 21st, 2019. Time of road closure would be 8-5 respectively and we would require barricades again as well. Our participants doubled last year bringing in racers from Vancouver even for the event and our spectators more than doubled as well! It was an incredible event and Brody of course has high hopes to make it even bigger and better as usual;-)

He has received requests for support and information sharing from others looking to host similar events this year which is really exciting. He even got to elevator pitch his dream of helping more kids across the country start similar events up in their own province and communities, when he met with Prime Minister Justin Trudeau. That being said we feel this is a great event that supports building community and partnerships in this incredible and supportive city we are so grateful to live in!

Please let us know if there is more info you need from us to secure the road closure. We are in the process of obtaining insurance and securing our usual security and safety measure to ensure the event runs smooth and safe.

Thank you in advance, I have attached some photos from last years event;-) Brody also created a power point that he delivered to the Rotary club as a presentation but the file was too large to attach here.

We hope to see council enter a car this year;-)

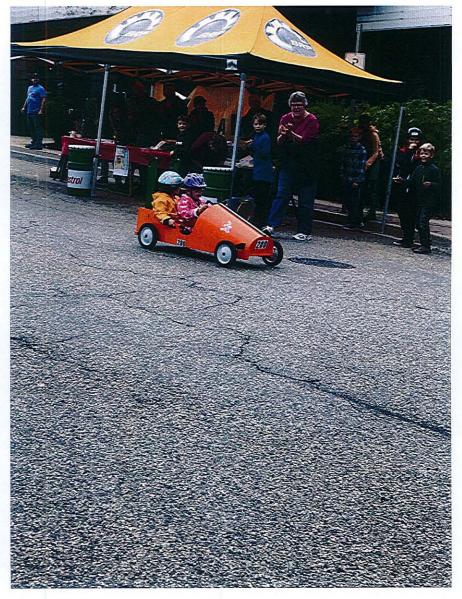

Sincerely,

Michelle and Brody

April 9, 2019

Dear Mayor Harrison and Salmon Arm City Council;

RE: Proposal for a Skateboard Competition as a fundraiser

I am writing on behalf of the Shuswap Family Centre. We are requesting an opportunity to host Salmon Arm's third annual Skateboard competition to raise funds for youth programs in our community. This year we hope to do three events throughout the spring and summer seasons. Some of the programming we hope to raise funds for will include counselling, mentoring and youth focused programs such as recreation and cooking.

The hopeful date for the first one-day competition is May 4, 2019 with dates pending in June and August.

We will have water and a snack tent for the Skater's, judges and volunteers. We will also have a first aid tent and people with their first aid on site all day. I am hoping the City will supply the power for the sound system for the event as the competition will require a sound system which we will supply.

I have spoken to SFC's Insurance agency and they will have the documents prepared for City Council once the competition has been approved. Each Skater will register at Ashes Skateboard Shop and the registration form will include a waiver. We have not determined a fee for the Skater's but it will not exceed, ten dollars, (\$10.00) and to insure everyone can participate in the competition the fee will be waived if necessary.

We will have a spectator section which will be clearly identified keeping the Skateboard area safe for the Skater's and the spectators.

I hope this meets all the City's requirements so we are able to host and promote a safe fun filled event which will bring a positive light to the athletes who Skateboard and funding for services for our youth in our community.

Patricia Thurston

Executive Director

April 11, 2019

City of Salmon Arm Box 40 - 500 2 Ave. NE Salmon Arm, BC V1E 4N2

ATTN:

Robert Niewenhuizen, Director of Engineering & Public Works Barb Puddifant, Customer Service Representative

Dear Robert and Barb,

Re: Ride Don't Hide - Mental Health bike ride

Canadian Mental Health Association- Shuswap/Revelstoke branch (CMHA) will be holding its 7th annual Ride Don't Hide event on Sunday June 23, 2019 (www.ridedonthide.com). This is a national fundraiser and mental health awareness cycling event throughout Canada. Our local event will be starting and finishing in Salmon Arm. The purpose of this letter is to advise you about the event as well as seek appropriate permits and approvals.

We will be continuing with the same routes as previous years with minor changes to our longer routes. We are setting up a 10 km, 30 km, and 50 km routes. The three routes will leave from the Field of Dreams $250 - 30^{th}$ Street SE heading south along Auto Road, the route details are:

- The 10km cyclists turn around at the Northern Plastics building,
- The 30km and 50km cyclists continue along 97B highway and turn right at Deep Creek Road. The 30km cyclists turn left onto Schoolhouse Road, while the 50km continue along Deep Creek Road, turning around at the parking lot of the Hullcar Community Hall just before the Deep Creek and Hullcar Road junction. The 30km cyclists follow Schoolhouse Road and turn left onto Mallory Road returning to Deep Creek Road. The 30km cyclists will then turning right returning to Highway 97B, back to Salmon Arm. Cyclist then turn right onto Mayfair Road and take an immediate left turn, continuing onto Mayfair Rd, then turn left onto Black Road. Cyclists then cross the highway onto Industrial Park and head back to the Field of Dreams via Auto Road SE. Once the 50km cyclists have turned around at Hullcar Community Hall, they ride back along Deep Creek Road, and then turn right onto Schoolhouse Road following the 30km route back to the Field of Dreams.

We plan to have 24 route volunteers, some stationed along the routes and some acting as a sweeper for cyclists. There will also be signs staggered along the routes to caution drivers to ensure the safety of cyclists. The route maps for cyclists are enclosed in this letter.

Besides the bike ride, we will also be holding a walking route through Little Mountain Park, which is a public park next to the Field of Dreams. The walking trail, approximately 3 km, will be clearly marked and trail volunteers will be available to support the safety of walkers and trail use.

If you have any questions or require further information, please contact Jonathan Parmenter our Route Coordinator at 250-832-8477 ext. 131. Thank you for your support.

Sincerely,

Dawn Dunlop, Executive Director

placer rlundop

- · Right on to Hudson road
- Turn left by Mellor's on Mayfair Road
- Left on to Black Road
- Cross Highway 97B on to Auto road/30 Street SE and head back to the Field of Dreams

Dear Mayor Harrison and City Council,

I am writing to you on behalf of the Canadian Mental Health Association Shuswap –Revelstoke Branch. Canadian Mental Health Association (CMHA) will be holding its 7th annual Ride Don't Hide event on Sunday June 23, 2019 in Salmon Arm. Ride Don't Hide is the largest mental health bike ride in Canada with almost 10,000 riders and thousands more family members, friends, donors and volunteers across Canada take part, raising more than \$2 million for the Canadian Mental Health Association.

Everyone deserves to feel well, whatever their mental health experience. When we don't talk about our emotions or our mental health we feel alone, and don't get the help we deserve or need. Ride Don't Hide gives thousands of people across Canada the opportunity to connect—to their own mental health, to each other and to their broader communities, while raising the critical funds that support CMHA programs in their own community that help Canadians take care of our mental health.

South Canoe School is seeking permission for a road closure Tuesday June 18th from 0800h -1100h on 60th Street NE in between 10th Avenue NE and 10th Avenue SE. Access to Okanagan Avenue will also be closed. The purpose of the road closure is to host a Ride Don't Hide school event and celebrate mental health in our community. CMHA Shuswap-Revelstoke will be partnering with South Canoe School to facilitate this event.

Plan:

- 1. 60thSt. NE and Okanagan Avenue the road will be closed June 18th from 0800-1100h. Students will deliver a letter to residents along 60thSt. NE and Okanagan Avenue the road will be closed June 18th from 0800-1100h.
- 2. School District No. 83 carries liability insurance for all children that are off-site or on field trips.
- Having parents at all intersections with vest and road paddles to direct traffic incase local traffic needs
 to get through and having road barricades. (It is our understanding all equipment can be borrowed by
 the city once the road closure is approved).
 - a. 10th Ave NE and 60th St. NE-require vest/paddle
 - b. Okanagan Avenue and 60th St. NE- require vest/paddle
 - c. 10 Ave SE and 60th St. NE require vest/paddle

Thank you for your consideration of this request.

Sincerely,

Ceren Caner

The Shuswap's most popular heritage attraction opens for the season!

Real History – Good Food Hands-On Activities

On Wednesday, May 15 R.J. Haney Heritage Village & Museum, located at 751-Highway 97B opens for the season. It is a lovely place that offers a unique and authentic experience for visitors to come and explore our rich Heritage. Set on 40 acres of the prettiest farmland in the Shuswap, the Heritage Village, features 24 relocated and replicated buildings, including the original 1910 Haney House. There are over 30 exhibits, which tell the stories of Salmon Arm's history and the Shuswap's, to discover on your next visit!

In 2017 the Village celebrated the grand opening of the Montebello Museum, the Village's Canada 150 Project. The Montebello Museum is over 12,000 square feet. Nine storefronts set in Salmon Arm between 1907-1914 complete the stories told at the Village such as Miss Puff's Millinery, the Salmon Arm Telephone Exchange, and the McGuire General Store. It is the new home for the Ernie Does Archives Room and the Museum's collection.

The Village & Museum are open Wednesday to Sunday from 10:00 am - 5:00 pm and during July and August are open seven days a week. To mark the opening of the season, visit the Village on Saturday and Sunday, May 18 & 19, and enjoy our famous Pioneer Pancake Breakfast from 9:00 am - 11:00 am in Marjorie's Tea Room for \$6.00.

Your admission to the Village includes all of the hands-on activities, a guided tour of the Haney House and access to the Village, Museum and trails, daily admission is \$10.00 for adults, \$9.00 for Seniors, \$7.00 for students and children five and under are free. A Family Annual Pass, valid for two adults (parents or grandparents) and all dependent children (or grandchildren) under the age of eighteen, is only \$35.00. Come as often as you want, and your pass includes discounts at special events!

On your guided tour through the Haney House, you will discover the history of the Haney family and experience the beauty of the 1910 farmhouse restored to a more genteel time with its leaded glass windows and fancy woodwork. While at the Haney House, walk the heirloom gardens full of heritage rose bushes and ornamental plantings.

Home to the Museum's antique car collection is the Lester and Thomson Garage, where you will often meet proprietor and Mayor Cyril Thomson. Cyril takes the time to share a story or two and directs you to many points of interest to checkout.

The gallery in the Montebello Museum features the exhibit, "Can you dig it? Shuswap mining history." This exhibit explores the history of placer and hard

rock mining in the Shuswap. Artefacts from "Jolly" Jack Thornton's Sunset Mine Claim on Mt. Ida, a miner's

The Shuswap's most popular heritage attraction opens for the season!

pump, rocker and assaying equipment from other claims accompany stories in photos captured over the last century.

Get a taste of gold fever and learn how to gold pan with Pete the Gold Pan Widow by the stream at the sluice. Everyone is sure to walk away with Haney gold.

Wander the 2.34 km of nature walking trails, taking you through four climates zones. With a field guide in hand, you can identify the plants used by the First Nations and pioneer families for food and medicine. If you like treasure hunting and have a GPS unit, try looking for hidden geocaches - it's a great way to find new areas to roam!

If you are looking for a quaint and unique lunch experience, drop by the Village's own Marjorie's Tea Room. Located on the first floor of the Broadview School House, and open Wednesday to Sunday. The Tea Room serves up a delicious \$9.99 daily lunch special and baked goodies. Some recipes are from local pioneers and use vegetables and fruits grown in the gardens at the Village. Visitors who would like to come for lunch in Marjorie's Tea Room but are not staying to look at the Village & Museum can ask for a free visitors pass at the gate.

A must see is our very popular Villains and Vittles Dinner Theatre Production. Enjoy a home-cooked meal and live theatre every Wednesday, Friday, and Sunday evening in July and August. Reservations are a must and seating is limited. You don't want to miss this highlight of Salmon Arm's summer entertainment!

Throughout the season visitors also experience the many special events hosted by the Village

with our community partners, including High Tea, Father's Day, Pioneer Day, the Classic Antique Car Show, Harvest Celebration, and more. For more information on what's happening at R.J. Haney Heritage Village & Museum, including admission cost, hours of operation and daily activities, call 250-832-5243 or visit our website www.salmonarmmuseum.org. A visit to the Village from May – September is well worth the trip!

As a registered charity, R.J. Haney Heritage Village & Museum is thankful to have a devoted group of volunteers who help us connect guests with the history of Salmon Arm. Consider joining our team of volunteers.

Volunteers lend their skills to our organization in gardening, maintenance, interpreting, and more, these positions are generally during the day. Special event volunteers help us during our events. From food services to parking, these are mostly weekend positions and are a great way to start volunteering at the Village. Please contact our Volunteer Coordinator for more information.

Subject: Salmon Arm Fish & Game club

Good morning, Barb.

Further to our telephone conversation re: the S.A.F. & G. Club, we would like to invite Mayor and Council to attend one of our Safety Orientation courses. We have initiated these classes to increase the level of safety for all members and guests when using the shooting facilities. As a club, we wish to keep the City of Salmon Arm apprised of our activities. The information below comes from our website. More dates and times will be offered as the months roll by. We would love to have you attend.

Best Regards,

Neil Wuolle, V-P Ranges, S.A.F.&G. Club

ORIENTATION COURSES

Reserve your Range Safety Spot NOW

NOW is the best time to book your 90-minute Range Safety Course with various times and dates to choose from. If these times and dates don't work for you, CALL ANYWAY and we'll work it out. REMEMBER taking the safety orientation course is MANDATORY before you can use your 2020 membership. Bring ear protection.

SALMONARM

Mayor and Council City of Salmon Arm PO Box 40 Salmon Arm, BC V1E 4N2

April 17, 2019

Dear Mayor and Council

Re: Downtown Community Clean Up

The Salmon Arm Downtown Improvement Association hosted the 4th Annual Community Clean Up Day, Saturday April 13.

Askews Downtown generously sponsored the event by hosting the morning fruit trays and post event BBQ lunch. In addition, they gave out \$5 store coupons for volunteers and the Candy Vault sponsored cotton candy coupons for the children.

We with to thank the City of Salmon Arm for their contribution of \$308.48 worth of supplies for this community event. Over 50 volunteers of all ages dedicated their morning to pick up garbage, cigarette butts, rake leaves, remove posters, collect recycling cans in the cold rainy drizzle.

The participation was inspiring and was an amazing display of civic pride.

Thank you for your on-going support of community events.

Regards

Lindsay Wong

Manager

City of Nelson Incentivizes E-Bikes for Staff

Starting this spring, a new program will give employees a chance to buy an electric bike through the City and then gradually pay back the cost with regular deductions from their pay. This is a great initiative to support employees to commute to work on a bike even in a mountain-side, hilly community like Nelson. Read the article here.

Tsilhquot'in National Government Building Largest First Nations Solar Farm

The Tsilhqot'in National Government (TNG) is moving ahead with the redevelopment of an industrial site into a solar farm, supported by a \$300,000 equity investment from the Province. Construction started in October 2018 and is expected to be complete by summer 2019. When complete, it will be the first and largest solar farm fully built, owned and operated by a First Nation in B.C. Read the news release here.

City of Kamloops Provides Land for New Supportive Housing Project

The City of Kamloops provided land valued at \$455,000 for Spero House, a brand new permanent supportive housing project. Spero will be operated by ASK Wellness Society and provide residents with 24/7 on-site staff and support services, including meal programs, a harm reduction space, life and employment skills training, health and wellness support services and opportunities for volunteer work. Spero House is a partnership with the Province of B.C. Read more here.

City of Kelowna Endorses Capri-Landmark Centre Plan

The vision to revitalize one of Kelowna's major urban centres now has a detailed, long-term plan in place. On April 1st, City Council endorsed the Capri-Landmark Urban Centre Plan, establishing a strategy to enhance and redevelop one of Kelowna's central neighbourhoods over the next 20 years and beyond. This plan focuses on a healthy neighbourhood, transportation network, natural environment and housing design and is a major milestone for Kelowna - contributing towards a healthier community for the future! Read the plan here.

Bike to School and Bike to Work Week 2019

Bike to Work Week and Bike to School Week are both coming up the week of May 27 – June 2! This week is a free, fun, week-long celebration for residents of all ages and abilities. Registering your school or getting your workplace involved for this event is a great way to get active, build community, and highlight the benefits of active transportation.

Social Isolation and the Built Environment - Can Housing Form Play a Role?

This webinar is part of the National Collaborating Centre for Environmental Health's (NCCEH) Healthy Built Environment in Canada Forum Webinar Series. The purpose of this webinar will be to explore how the built environment, specifically housing forms, can be utilized to reduce social isolation. This webinar is taking place on April 25, 2019 from 11-12:30pm pacific time. The presenter is Dr. Amy Lubik, Health Policy Analyst and Researcher at Fraser Health Authority and also councilor for the City of Port Moody. Register for this event here.

Healthy Public Policy Resources

New Community Health Profiles

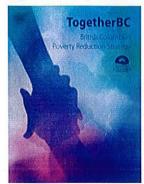

The BC Community Health Data website data refresh has been completed and newly updated Community Health Profiles are available for almost every municipality within the IH region.

Through the website, you can download and explore the latest community health profiles and search the database for more indicators of interest. The website contains profiles for 142 communities in BC, a searchable health database, and a visual health atlas. These tools provide a picture of health and well-being at the community level and enables users to explore, access and use local data related to demographics, health status and factors that affect health. It complements resources developed by regional health authorities to support local decision-makers in creating healthier communities. See the attachment to this email for more information.

Healthy Public Policy Resources

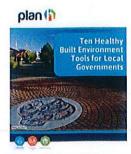

TogetherBC, B.C.'s First Poverty Reduction Strategy

The first provincial poverty reduction strategy was announced March 18th. As indicated by the social determinants of health, poverty and chronic health conditions are interconnected. Both mental and physical challenges are intensified through the experience of living in extreme poverty. That comes with costs that stretch across the system — from health care to policing to social services. It's imperative that all levels of government work together along with other sectors to address the social conditions that keep us healthy. The Tamarack Institute also released a brand new guide to support poverty-reduction groups and other collaboratives to meaningfully engage people with lived/living experience. Check out 10 - Engaging People with Lived/Living Experience.

Ten Healthy Built Environment Tools for Local Governments

This guide is designed to support local governments, including Indigenous communities, with assessing features of their community's built environment. Ten validated healthy built environment assessment tools have been compiled and are presented in this guide. These assessment tools, when paired with community engagement efforts and health data, will support local governments in identifying the strengths and gaps in their community's built environment and further understand how those gaps might negatively impact health. Local governments can then work with their regional health authority or the First Nations Health Authority to prioritize actions and create healthier communities through healthier built environments. Watch the recorded 90-minute PlanH webinar introducing the toolkit.

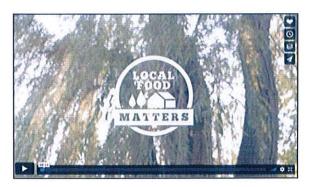

Balance and Connection in BC: the Health and Well-being of our Youth

The results of the 2018 BC Adolescent Health Survey are now available. The brand new <u>report</u> from the McCreary Centre Society is intended for a community audience, and summarizes the data collected from 12 – 19 year olds in BC in 2018.

Why Local Food Matters - VIDEO

This <u>mini documentary</u> out of Golden was funded by the Town of Golden, the Columbia Shuswap Regional District, and the Columbia Basin Trust focusing on why local food matters. A fantastic community effort produced this relevant and watchable video. Well done!

Funding News

BC Accessibility Grants

Organizations in British Columbia that have been rated through the <u>Rick Hansen</u> Foundation Accessibility Certification TM program can apply for funding of up to \$20,000 to complete an accessibility improvement project. Local governments like the <u>City of Kamloops</u> have received this funding in the past to reduce barriers and improve accessibility of local facilities. Apply <u>online</u> by May 31, 2019.

Urban Communities Partnering for Reconciliation

The <u>Urban Communities Partnering for Reconciliation</u> pilot program is intended to support events and activities that provide a time and place for dialogue to build on opportunities, support reconciliation efforts, resolve issues of common responsibility, interest or concern, and/or to advance tangible outcomes.

Funding is available to eligible Indigenous organizations and local governments who want to create opportunities for in-person dialogue and relationship building which can help advance collaborative reconciliation plans, protocols, agreements or future projects. The application deadline is May 24, 2019.

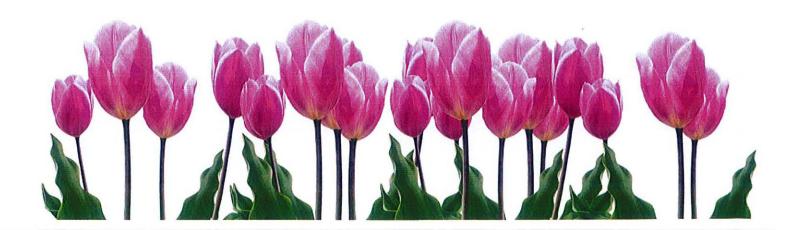

Sincerely,

Your Healthy Communities Team

MEDIA RELEASE

April 4, 2019

CSRD, RDNO, SPLATSIN MAKE PROGRESS ON RAIL TRAIL INITIATIVE

The opening words from Kukpi7 Wayne Christian of Splatsin accurately summed up the spirit of the entire Sicamous-to-Armstrong Rail Trail Corridor Interjurisdictional Governance Advisory Committee at a meeting held March 15 at the Splatsin Community Centre.

Kukpi7 Christian, who was elected Committee Chair, spoke of the value of advancing the project for the entire region, likening it to a team of horses.

"We need to pull together in the same direction. Now let's harness up and get going."

Clearly in agreement with Kukpi7 Christian's sentiment, the committee approved a series of recommendations to assist in advancing the project. These recommendations will be taken back to the Boards of both the Columbia Shuswap Regional District (CSRD) and the Regional District of North Okanagan (RDNO), as well as the Splatsin Band Council for approval. The CSRD approved the recommendations at the March 21, 2019 Board meeting and the RDNO Board approved the recommendations at their April 3, 2019, Board meeting. The recommendations will be part of the next Splatsin Council agenda.

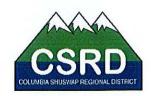

Some of the recommendations set the foundation of the working relationship between the three partners, as well as the priorities and processes involved with the project. This includes a Memorandum of Understanding and Terms of Reference for the committees involved. The Committee endorsed the Terms of Reference and immediate establishment of a Technical Operational Committee to be comprised of staff from Splatsin, CSRD and RDNO. The Committee also endorsed appointing the Shuswap Trail Alliance to serve as Secretariat to the Governance and Technical Operational Committees.

To assist in addressing property and access issues in the CSRD and RDNO, the committee recommended empowering the Chief Administrative Officers (CAO) of both regional districts to make land tenure agreements under specific conditions.

MEDIA RELEASE

There are already more than 200 known agreements dealing with land leases, crossings, access and easements to be addressed.

In order to fund the trail, grant applications totalling approximately \$13.4 million have been made to Provincial and Federal programs, with the outcomes pending.

The timeline of work on the project rests heavily on obtaining grant funding for project planning and development. As such, Kukpi7 Christian, along with CSRD Board Chair Rhona Martin and RDNO Board Chair Kevin Acton intend to arrange meetings with Federal ministers to lobby for funding approval.

The undeveloped Rail Trail Corridor remains closed to public use at this time.

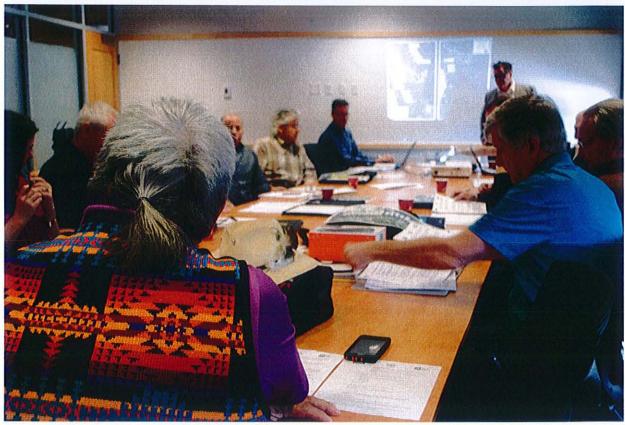

The next meeting of the committee will be May 17, 2019.

His Worship Mayor Alan Harrison and Councillors City of Salmon Arm Box 40 Salmon Arm BC V1E 4N2

Dear Mayor Harrison and Members of Council:

On behalf of the Province of British Columbia, I am pleased to advise you that your application under the *Local Government Grants Act* for an infrastructure planning grant has been approved for the following project:

Grant DescriptionSecondary Water Supply - Preliminary Investigation

Amount \$10,000

Details of the terms and conditions attached to this grant will be dealt with in an agreement that will be forwarded to you by Ministry of Municipal Affairs and Housing staff as soon as possible. This agreement must be signed and returned to the Ministry, indicating your acceptance of the terms and conditions.

The Province welcomes the opportunity to support planning in the City of Salmon Arm. We believe that early and ongoing planning is the best way to ensure that the environmental, social, and economic needs of your community will continue to be met in the years ahead.

Through your planning efforts, the Province encourages you to find ways to use new technology to promote environmental excellence and sustainable service delivery.

Congratulations on your successful application and my best wishes with your infrastructure study. Please direct follow-up inquiries to program staff by email at: infra@gov.bc.ca, or by telephone at: 250 387-4060.

Sincerely,

Selina Robinson

Minister

Office of the Mayor

April 5, 2019

Member Municipalities c/o Union of BC Municipalities Suite 60 - 10551 Shellbridge Way Richmond, BC V6X 2W9

Dear UBCM Member Municipalities:

I am writing on behalf of Maple Ridge City Council to inform you of recent action taken by the Province of British Columbia that undermines the authority granted to municipal governments, and request that you pass a resolution to be forwarded to Premier Horgan and the Union of BC Municipalities (UBCM) expressing concern for the impact this action has on the roles defined for local government within the Community Charter (CC) and the Local Government Act (LGA).

By way of background, I share with you the recent experience of the City of Maple Ridge, where on two separate occasions, we have been subjected to the Province's unilateral action to bypass local government autonomy and public process, inconsistent with our local zoning.

In May 2018, the Province of BC made application to the City of Maple Ridge to rezone provincially-owned properties on 11749 & 11761 Burnett Street (as referenced in Item 1108 of the May 22, 2019 Council Meeting Report) to build purpose built supportive housing. Citizens attended a public meeting hosted by local MLAs and presented a 10,000 name petition against this application citing several considerations that made the site unsuitable including its proximity to a daycare, two schools, a seniors centre, and that the proposed model itself was inadequate to meet the complex mental health and addiction support services required, particularly persons coming from a camp environment. Following the public process, the City rejected the application. The Provincial Government responded to this decision by taking unilateral action to install housing through the Rapid Response to Homelessness (RRH) program on a nearby provincially-owned site on Royal Crescent, next to senior and low income housing, without any local consultation citing emergency measures were needed to ensure camp closure, which did not happen.

Since this Council took office in November 2018, we have taken swift and deliberate steps to address mental health and housing problems in our community, especially with regard to the ongoing presence of the St. Anne Camp that was first established in May 2017. We have endeavored to open positive channels of communication with the Province of BC to deliver a workable plan that addresses immediate and long term housing needs in our community, while respecting the views that have been clearly stated by local citizens. This began with post-election meetings in October 2018 with our local MP, MLAs, Fraser Health Authority, BC Housing and related non-profit service providers followed by Council's development of a Strategic Plan which includes direction to establish a Community Safety Plan as a major tenet of this work. These steps have been followed up most recently with a meeting in Victoria on February 25, 2019 with Ministers we felt needed to be present to assist us in our plan, that being Ministers of Health, Mental Health and Addictions, Poverty and Housing to discuss a broad range of problems including housing affordability, delivery of addiction and mental health services, community safety, and how we can move forward on these matters in Maple Ridge.

UBCM Member Municipalities April 5, 2019 Page 2

On Monday, March 4, just one week after that meeting, I received a phone call from the Housing Minister demanding that the City deliver a "Social Housing Plan" within five days to address short and long term needs, including providing immediate housing to facilitate the closure of the St. Anne Camp. Council immediately passed a resolution and then delivered on this request in seven days, with all related resolutions from Council to demonstrate our willingness and commitment to collaborate for a mutually beneficial outcome. The Plan was immediately rejected by the Province. The Province cited the unsuitability of the City's chosen property, despite City staff's assessment that the site could accommodate immediate housing needs to achieve camp closure. One week later, Minister Robinson announced publicly that RRH housing would be installed on Burnett Street, at the same location local residents and the previous Council had already rejected through the usual local application process.

Maple Ridge Council is gravely concerned by this second instance of the Provincial Government overriding local autonomy. The initial 53 housing units installed on Royal Crescent did not end the St. Anne Camp as promised by the Province, with units populated by both camp residents and other homeless individuals identified by BC Housing as a regional housing provider. In five months' time, the facility has experienced two deaths, and seen few moving forward as evidenced by statistics provided by the operator. Increasing crime at this location, the St. Anne Camp, and all other low barrier facilities in Maple Ridge indicates that the chosen model is not suitable to help people in a very serious state of poor mental health often coupled with significant substance misuse problems. Moreover, we have seen that other communities working to address closure of camps experienced similar results (e.g. Nanaimo, Victoria, Surrey and now Maple Ridge).

The emphasis that has been placed on low barrier housing in Maple Ridge, which includes approximately 950 rental supplements for untreated persons mostly suffering from substance misuse and mental health problems, has eliminated most of our affordable housing stock that is critical for people on low income, veterans, seniors, single parents and persons with disabilities. Furthermore, ongoing criminal activity has overtaxed all front line resources. These are real and significant local concerns that have been swept aside by the Province's action.

What our community needs is a comprehensive health care facility focusing on mental and physical health, addictions recovery, and services to move people forward to a better place in their lives. We asked for this as part of our Social Housing Plan to the Province, a Plan which recognizes that local governments' role is to make decisions in the best interest of local residents. By acting unilaterally, the Province has imposed regional priorities at the expense of Maple Ridge citizens, and taken away our Council's ability to represent the best interests of our community.

We therefore ask you, our fellow local governments, to consider the ramifications of this unilateral action by the Province of BC to overrule municipal land use regulations and dispense with public consultation and collaboration with local government. In our view, it sets a dangerous precedent that jeopardizes the autonomy of all local governments in British Columbia, and could have repercussions for a wide range of sensitive matters that municipalities might consider, such as a waste incineration plant, a prison, a communication tower, etc. For projects such as these, it is particularly important that senior government initiatives go through proper process including site assessment and suitability evaluation, and for the Province of BC to respect the authority that has been granted to local governments to carry out due public process and represent the best interests of their communities in order to ensure approval.

UBCM Member Municipalities April 5, 2019 Page 3

We appreciate that initiatives such as the RRH program may or may not be suitable in your community. Local government holds the authority and responsibility of making the right decisions based on a balance of all interests and weighing local and regional needs, while working with our senior government partners.

Enclosed you will find a proposed resolution that is strictly about the importance of local government autonomy. We ask that you consider passing this resolution and forward a copy to Premier Horgan and the UBCM to let them know that local governments require the Province of BC to respect local democracy and work collaboratively with us to move forward on projects and programs of mutual concern that balance the Interests of all BC residents.

Thank you for your consideration of this important matter.

Yours sincerely,

Michael Morden Mayor

Attach: Sample Resolution

Sample Letter to Premier Horgan

Maple Ridge Council CC:

Sample Resolution

WHEREAS the *Community Charter*¹ acknowledges that municipalities and their Councils are "democratically elected, autonomous, responsible and accountable"; require the authority to determine the public interest of their communities; and the *Local Government Act*² grants local governments the powers and flexibility required to fulfill their purpose and respond to the needs of their communities;

AND WHEREAS the Ministry of Municipal Affairs & Housing has taken unilateral action in Maple Ridge that undermines the jurisdiction of the Council of the City of Maple Ridge to determine and represent the public interest of this community, setting a dangerous precedent that jeopardizes the autonomy of all local governments in British Columbia in representing the interests of their communities through fair and accountable public process;

THEREFORE BE IT RESOLVED that [Enter Municipality] urges the Province of British Columbia to commit to work in collaboration with local governments within the bounds of their respective jurisdictions on all current and future projects of mutual concern to local governments and the Provincial Government.

¹Community Charter, SBC 2003, c.26, part 1 ²Local Government Act, RSBC 2015, c.1, part 1 [Enter Date]

Premier Horgan West Annex Parliament Buildings Victoria, BC V8V 1X4

Dear Premier Horgan:

Due to our concern over recent action taken by the Ministry of Municipal Affairs & Housing to undermine jurisdiction granted to municipal governments, the Council of [Enter Municipality] endorsed the following resolution on [Enter Date]:

WHEREAS the Community Charter acknowledges that municipalities and their Councils are "democratically elected, autonomous, responsible and accountable"; require the authority to determine the public interest of their communities; and the Local Government Act grants local governments the powers and flexibility required to fulfill their purpose and respond to the needs of their communities:

AND WHEREAS the Ministry of Municipal Affairs & Housing has taken unilateral action in Maple Ridge that undermines the jurisdiction of the Council of the City of Maple Ridge to determine and represent the public interest of this community, setting a dangerous precedent that jeopardizes the autonomy of all local governments in British Columbia in representing the interests of their communities through fair and accountable public process;

THEREFORE BE IT RESOLVED that [Enter Municipality] urges the Province of British Columbia to commit to work in collaboration with local governments within the bounds of their respective jurisdictions on all current and future projects of mutual concern to local governments and the Provincial Government.

We therefore urge the Government of BC to respect local government autonomy and engage in collaborative consultation with municipalities and constituents on any land use or other matters of concern to the Provincial Government.

Yours sincerely,

[Signatory]

April 17, 2019

Dear Mayor and Councilors,

Re: Proclamation for National Missing Children's Month and Missing Children's Day

I write today on behalf of Child Find British Columbia. Child Find BC requests that your local government proclaim May as Missing Children's Month and May 25th as missing Children's Day.

Child Find BC provides "ALL ABOUT ME" ID Kits with child finger printing and photos, to at no cost to families and Child Find BC hosts these Child Find ID Clinics throughout BC. Child Find BC provides education, including public speakers, literature and tips for families to assist them in keeping all of our children safe.

We hope that you will raise this proclamation for consideration to your Council and your community at your next meeting.

Most recent reporting from the RCMP show that over 8,000 cases of missing children were reported in British Columbia and over 45,000 cases in Canada. Through the support of municipal governments like yours we are able to educate and bring awareness to thousands of BC families on this important issue.

Thank you so much for your consideration of this request and your continuing commitment to Community Services in BC and the children and families of BC. If you have any questions regarding this request please contact the Child Find BC office at 1-888-689-3463.

Yours truly,

"A charitable non-profit organization working with searching families and law enforcement to reduce the incidence of missing and exploited children."

> A Missing Child is Everyone's Responsibility

Crystal Dunahee President, Child Find BC

If you or your organization would like to host an "All About Me" ID clinic, have an idea for an event in your community or would like literature and information on becoming a member and supporter of Child Find BC, please call us at 1-888-689-3463.

National Missing Children's Month and Missing Children's Day

- WHEREAS Child Find British Columbia, a provincial member of Child Find Canada is a non-profit, registered charitable organization, incorporated in 1984; *AND*
- WHEREAS The Mandate of Child Find British Columbia is to educate children and adults about abduction prevention; to promote awareness of the problem of missing children, and to assist in the location of missing children; AND
- WHEREAS Child Find has recognized Green as the colour of Hope, which symbolizes a light in the darkness for all missing children; AND
- WHEREAS Child Find's annual Green Ribbon of Hope Campaign will be held in the month of May and May 25th is National Missing Children's Day; *AND*

THEREFORE BE IT RESOLVED THAT

I, (Mayors Name) of the (city, town, municipality), do hereby proclaim May as Child Find's Green Ribbon of Hope month and May 25th as National Missing Children's day. I urge our citizens to wear a green ribbon as a symbol of Hope for the recovery of all missing children; and to remain vigilant in our common desire to protect and nurture the youth of our Province.

Dear Ms. Dunahee:

Re: Proclamation for National Missing Children's Month and Missing Children's Day

We are in receipt of your email dated April 17, 2019, requesting a proclamation for National Missing Children's Month and Missing Children's Day for the month of May and missing Children's Day May 25, 2019.

Your email will be included in the Informational Correspondence section of the April 23, 2019 Regular Council Agenda. Salmon Arm Council, at their Regular Meeting of June 23, 1998, resolved to discontinue issuance of proclamations.

On behalf of Council of the City of Salmon Arm, we do understand the importance of missing children and wish you much success in your efforts to raise awareness.

Regards,

Erin Jackson

Director of Corporate Services
