Subject: 2021 Business Licence - Smooth As Silk Electrolysis Studio

To Mayor & Council

I was extremely disappointed to see that my 2021 business licence was for the entire \$200 amount.

Last year the government ordered all personal care businesses closed in March and we were not allowed to open until the end of May.

Insurance companies, professional associations etc all offered rebates or discounts on 2021 rates. Why was this not offered for business licences? I believe this is an example of where you can disburse some of your COVID-19 Relief Funds.

Thank-you for your consideration.

Regards,

Evelyn Johnson

Smooth As Silk Electrolysis Studio

2021 Business Licence Process

2021 business licences will be issued once payment is received, in order to comply with Bylaw 3102.

Bylaw 3102 states:

"Licence holders must renew their business licence by submitting the required business licence fee prior to the beginning of each licence period."

Mailing of 2021 Business Licences (Pickup Available)

Business licences will be sent by mail once payment is received. If you would like to pick up your business licence in person, please choose the "In Person" payment option below.

If you do not receive your business licence within 15 business days of payment, please email the business licence contact listed below.

Please make payment as early as possible, in order to receive your business licence for display by January 1st.

Businesses Closed Permanently or Temporarily

2021 business licence fees are only applicable to businesses who operate in 2021.

If you have closed your business permanently, please email the business licence contact listed below. Your invoice and business licence will be cancelled upon receipt of the email.

If you are not operating on January 1, 2021 and you are unsure if you will be operating again in 2021, please email the business licence contact listed below.

Please note that when your business does become active, this invoice will be due immediately.

Business Licence Contact:

Email: sgibb@salmonarm.ca

Phone: (250) 803-4003

Email is preferred contact option

Options for Business Licence Payment Include:

- In Person:
 - City Hall is currently open Monday to Friday, 8:30 AM to 4:00 PM
(Closed Statutory Holidays and between Christmas and New Years)
 - City Hall may close to the public due to Covid-19
 - Options: Personalized Cheque, Interac, Cash
- Mail – PO Box 40, Salmon Arm, BC V1E 4N2
- City Hall Drop Box – located to the left of the main entrance
- Online Banking – instructions as follows:
 - Payee - "Salmon Arm (City of) Property Taxes"
 - Account Number – Enter 99999999
 - When a payment is made to this account, an email with the following details must be sent to Finance@salmonarm.ca :
 - Customer Number (found in top right corner of invoice)
 - Name on Bank Account (if different than business name)
 - Financial Institution Used for Payment
 - Payment Amount

SHUSWAP CYCLING CLUB

www.shuswapbike.com

The Shuswap Cycling Club would like permission to put a shipping container at the South Canoe trails.

A 20 ft container will be supplied by Big Steel Box , and be used to keep the trail grooming equipment and tools used to build and maintain the trails. We believe the best place for the container is through the gate and beside the pump house, Second choice would be up the road at the top of the Malibu climb trail, "the party pit". Big Steel box has offered the container for when we have secured a location. We would like to place the container sometime around late February or March depending on the location and the snow conditions.

Thank you for your time

Sean Hardy Shuswap Cycling Winter Grooming Committee

United Way
Southern Interior BC

Local Giving. Local Results.

January 2021

Dear Community Partner

I hope this finds you healthy and safe. I remain incredibly grateful for all the amazing work each of you and your amazing organizations are doing during these unprecedented times. Now more than ever before, B.C. communities need support to address critical social issues.

I am writing to you today to let you know of some new developments in the United Way movement. Six United Ways from regions around the province have been working together to explore a strategic transformation guided by our shared vision to increase local community impact over the long term.

We are one of six United Ways in British Columbia in the planning stages of a potential integration, which would create a single organization encompassing the United Ways of Central and Northern Vancouver Island, Lower Mainland, Thompson Nicola Cariboo, Southern Interior, Trail and District, and East Kootenay. The strategic planning process we have embarked on together is intended to help us leverage the power of our network to support our core mandate of helping local communities. Already, we are identifying exciting new opportunities to strengthen those vital connections.

We have already been collaborating in new ways to support communities through the COVID-19 pandemic, and with a merger we can build on that success – taking our collaboration to the next level. By merging, we will have a more efficient organization where resources and expertise are shared across all our communities, and we can maximize the impact of the funds we raise.

Every United Way in Canada shares the same mission – to ensure that everyone in every community has the opportunity to live a good life. Through the amalgamation of our six United Ways, we will realize this vision by building on our deep local community knowledge, relationships, and presence, and maximizing our shared capacity and strength to improve our local communities. The amalgamation will enable us to expand our work across six regions while continuing to focus on how that takes root in local communities. We will continue to operate in community, with community and for community.

The new entity will maintain local programs and local staff in all of our communities. Dollars raised locally will stay local.

Through this process, the work of each United Way is proceeding as normal, including delivery of the supports and programming undertaken in partnership with the provincial and federal governments, such as the Better at Home program for seniors.

In the coming weeks I will be sharing out a stakeholder survey to gather your input. Please feel free to reach out to me at any time should you have any questions, thoughts or for a virtual coffee!

All the Best,

Premier Horgan
Premiers Office
PO BOX 9041 STN PROV GOVT
Victoria, BC V8W 9E1
SENT VIA EMAIL: premier@gov.bc.ca

Dear Mr. Premier,

Re: Kamloops Cancer Care Centre

During the recent provincial election, you made a commitment for a Cancer Care Centre to be built in Kamloops within the next four years. As local MLA's for the Thompson Regional Hospital District (TRHD) Board several questions have arisen, and we are looking for clarification to be able to provide accurate answers to our constituents.

What is the expected operational date for the Cancer Care Centre?

Has the planning for the new Cancer Care Centre started?

What is the scope of Cancer treatment services that will be provided in the new Centre, and will said scope be inclusive of at least two linear accelerators?

Where will the new Cancer Care Centre be located?

Is the money for the planning being provided by Interior Health Authority (IHA) or the Ministry of Health?

Who will be the lead agency in this project, Ministry of Health, IHA or BC Cancer?

Given previous Cancer Centre's have been a collaboration between the Province and BC Cancer, is this the intended model for the Kamloops Cancer Care Centre?

Given previous Cancer Centre's were not funded by local Hospital Boards, will the TRHD be expected to commit capital dollars or will the new Cancer Care Centre be funded by the Province and BC Cancer?

If the intention is to seek capital dollars from the TRHD, what is the contribution expected to be?

Will Hospital Foundations be expected to fundraise for the new Cancer Care Centre?

If the intention is to seek a contribution from Hospital Foundations, what is the amount expected to be?

If the expectation is for Capital dollars from either the TRHD or Hospital Foundations, will the Cancer Care Centre proceed without those commitments?

The need for enhanced Cancer care in Kamloops and the surrounding region has never been greater. We look forward to not only answers to the questions above, but also to working collaboratively with all stakeholders to get this project built and operational within the four-year timeframe that you have promised.

Thank you for your attention to this important matter and we look forward to your response.

Sincerely,

Dear Mayors and Councillors:

RE: Goose Management

At their meeting held on January 25, 2021, the Council of the City of Vernon passed the following resolution:

"THAT Council direct Administration to proceed with the permits required to initiate a "Kill" program to eliminate approximately 100 – 150 geese from the Vernon area at an estimated cost of \$41,000 with source of funds being an amended 2021 budget and subsequent tax rate;

.../2

AND FURTHER, that Council directs Administration to look into Lakeshore, Kin, Paddlewheel and Polson as the parks to initiate a "Kill" program.

AND FURTHER, that Council directs Administration to contact neighbouring jurisdictions from Lake Country, North via letter to determine their interest in investigating a combined effort with egg addling and/or a 'Kill' program.

CARRIED"

On behalf of the City of Vernon Council, I respectfully request that this matter be brought forward for consideration at a future meeting of your respective Councils.

Sincerely,

A handwritten signature in blue ink, reading "Victor I. Cumming". The signature is fluid and cursive, with the first name "Victor" and last name "Cumming" clearly legible.

Victor I. Cumming
Mayor
