RIDER'S GUIDE

Effective July 2016
Reprinted September 2018

City of Salmon Arm
Columbia Shuswap
Regional District

The Bus is a Safe Place

Every bus is a safe place. Transit drivers can contact local police, ambulance and other emergency services. Transit drivers are safe strangers and are trained to assist a child or adult.

Request-a-Stop

After dark, customers who feel that their personal safety is at risk, can ask their driver to stop between regular bus stops. Ask at least one bus stop ahead of where you wish to get off. You will be let off as close to your request as safely possible. For safety reasons, leave by the front doors. Customers using wheelchairs must use designated wheelchair-accessible bus stops.

Bus Stops in Rural Areas

Some rural community systems do not have physical bus stops. Only in these situations can customers 'wave' a bus down on designated roads. Contact your local transit office to see if this service is available in your area.

When you want to flag the bus, find a safe location along the route and wave at the bus. A safe location is one where visibility is good and where the bus can easily pull off the road, such as a driveway. The same should apply when you want to get off the bus.

Holiday Service

Transit service will not operate on Sundays or the following holidays:

- New Year's Day
- Family Day
- Good Friday
- Easter Monday
- Victoria Day
- Canada Day
- B.C. Day
- Labour Day
- Thanksgiving Day
- Remembrance Day
- Christmas Day
- Boxing Day

Attendants

Customers using wheelchairs or scooters, registered handyDART customers or CNIB passholders may travel with an attendant. Please let your transit driver know if the person travelling with you is your attendant. Attendants travel free and must board and exit at the same stop as the customer requiring assistance and help to load and secure mobility aids on the bus. Your driver will ensure that the securements are properly fastened.

Riding the Bus

Bike Racks

Bike racks are designed to assist longer commutes. Instructions are posted on the bike racks. Bike racks on a Community Bus can only be used during daylight hours as bikes can block the headlights.

Lost & Found 250-832-0191

If you find something on the bus, give it to the transit operator. Articles are kept for up to 90 days.

Courtesy Seating

Although BC Transit serves everyone on a first-to-board basis, courtesy seating is considered to be the front accessible area of the bus. Courtesy seating meets the needs of all transit customers, and is especially vital to:

- customers who use scooters, wheelchairs, pediatric strollers or other mobility aids,
- customers with a disability or mobility issue, and
- customers with baby strollers.

Your mobility aid must not exceed 2 feet by 4 feet (24" by 48" or 61 cm by 122 cm). If your mobility aid is larger, please contact your local transit office for an assessment.

Be safe, Be seen

When it's dark, it becomes difficult for transit drivers to see you at bus stops, especially along unlit roads. Wear light coloured clothing, wear a reflective strip or use a flashlight or the light from your mobile phone to signal the driver that you are at the stop.
